

Subject Index

Volume 59, 2014

Contributor index on page 617.

A

Abdominal scar

Clear Cell Adenocarcinoma of the Abdominal Wall: A Case Report. (Heller et al), 2014;59:330–332

Abdominal wall

Abdominal Wall Endometriosis: A Rarely Anticipated Diagnosis: A 16-Year Experience and Brief Literature Review. (Heller and Fitzhugh), 2014;59:110–112

Clear Cell Adenocarcinoma of the Abdominal Wall: A Case Report. (Heller et al), 2014;59:330–332

Abdominal wall endometriosis

Abdominal Wall Endometriosis: A Rarely Anticipated Diagnosis: A 16-Year Experience and Brief Literature Review. (Heller and Fitzhugh), 2014;59:110–112

ABO blood group

Maternal ABO Blood Group and Stillbirth: A Prospective Cohort Investigation. (Klebanoff and Lynch), 2014;59:496–500

Abortion

Cesarean Section as a Risk Factor for the Development of Adenomyosis Uteri. (Riggs et al), 2014;59:20–24

Abortion, recurrent

Role of Coagulation Factor XII in Unexplained Recurrent Abortions in the Greek Population. (Dendrinos et al), 2014;59:56–62

Actinomycin-D

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Acupuncture

Acupuncture Performed Before and After Embryo Transfer: A Randomized Controlled Trial.

(Craig et al), 2014;59:313–320

Adenocarcinoma

Endometrial Adenocarcinoma Arising in a Turner's Syndrome Patient with Spontaneous Menstruation: A Case Report. (Sasamoto et al), 2014;59:177–180

Adenomyosis

Cesarean Section as a Risk Factor for the Development of Adenomyosis Uteri. (Riggs et al), 2014;59:20–24

Progesterone Reduces Neurofilament (NF)-Positive Nerve Fibers in Eutopic Endometrium of Patients with Endometriosis and Myomata. (Kim et al), 2014;59:481–487

Adnexal mass

A Rare Granulosa Cell Tumor Presentation with Virilization and Cystic Adnexal Mass on Three-dimensional Ultrasound: A Case Report. (Tanouye et al), 2014;59:421–424

Advanced maternal age

First-trimester Aneuploidy Screening: Is There a Maternal Age at Which It Loses Effectiveness? (Lau et al), 2014;59:443–447

African-American

Knowledge of Uterine Fibroid Symptoms and Presentation Among African-American Women: A Pilot Study. (Ekpo et al), 2014;59:448–454

Aging

The Aged Testis: A Good Model to Find Proteins Involved in Age-related Changes of Testis by Proteomic Analysis. (Li et al), 2014;59:31–38

Agonists

Combined Administration of Gonadotropin-releasing Hormone Agonist with Human Gonadotropin for Final Oocyte Maturation in GnRH Antagonist Cycles for in Vitro Fertilization. (Kim et al), 2014;59:63–68

Airbag deployment

Placental Abruptio and Fetal Intraventricular

Hemorrhage After Airbag Deployment: A Case Report. (Gherman and Chauhan), 2014; 59:501–503

Alpha-fetoprotein, human

Effect of Underlying Infertility Factors on Second Trimester Serum Screening Results. (Köşüş et al), 2014;59:76–80

Amenorrhea

A Rare Granulosa Cell Tumor Presentation with Virilization and Cystic Adnexal Mass on Three-dimensional Ultrasound: A Case Report. (Tanouye et al), 2014;59:421–424

Amniotic fluid

Value of Amniotic Fluid IL-8 and Annexin A2 in Prediction of Preterm Delivery in Preterm Labor and Preterm Premature Rupture of Membranes. (Jia), 2014;59:154–160

Anal sphincter laceration

Obstetric Laceration Repair in the United States: Is There a Common Practice? (Allen et al), 2014; 59:127–133

Anatomical stages

Changes in the Management of High-risk Gestational Trophoblastic Neoplasia in the National Trophoblastic Disease Center of Hungary. (Fülöp et al), 2014;59:227–234

Androgen excess

Role of the Combination Spironolactone–Norgestimate–Estrogen in Hirsute Women with Polycystic Ovary Syndrome. (Hagag et al), 2014;59: 455–463

Aneuploidy

First-trimester Aneuploidy Screening: Is There a Maternal Age at Which It Loses Effectiveness? (Lau et al), 2014;59:443–447

Annexin A2

Value of Amniotic Fluid IL-8 and Annexin A2 in Prediction of Preterm Delivery in Preterm Labor and Preterm Premature Rupture of Membranes. (Jia), 2014;59:154–160

Anovulatory infertility

Recombinant Human Luteinizing Hormone to Trigger Ovulation: Randomized, Controlled, Dose-finding Pilot Study in Ovulation Induction. (Pierson et al), 2014;59:355–366

Anterior vaginal introitoplasty

Anterior Vaginal Introitoplasty for an Acquired Sensation of Wide Vagina: A Case Report and New Surgical Intervention. (Ostrzenski), 2014; 59:327–329

Anterior vaginotomy

Inadvertent Vaginal Entry During Cesarean De-

livery: A Report of Two Cases. (Pereira et al), 2014;59:429–432

Anxiety

Gestational Trophoblastic Disease: Psychological Aspects and Fertility Issues. (Mattei et al), 2014; 59:488–495

Aromatase

Hyperreactio Luteinalis in Pregnancy and Hyperandrogenism: A Case Report. (Baxi et al), 2014;59:509–511

Aromatization

Hyperreactio Luteinalis in Pregnancy and Hyperandrogenism: A Case Report. (Baxi et al), 2014;59:509–511

Arteriovenous anastomoses

Twin Anemia Polycythemia Sequence: A Report of Three Cases. (Casanova et al), 2014;59:596–598

Assisted reproductive technologies

Acupuncture Performed Before and After Embryo Transfer: A Randomized Controlled Trial. (Craig et al), 2014;59:313–320

Effect of Luteal Phase Support with Vaginal Progesterone in Intrauterine Insemination Cycles with Regard to Follicular Response: A Prospective Randomized Study. (Seckin et al), 2014;59: 260–266

Falling Estradiol Levels on Day After Human Chorionic Gonadotropin Administration in Assisted Reproductive Technology Cycles Are Not Predictive of Decreasing Oocyte Maturity or Pregnancy Rates. (Levy et al), 2014;59:255–259

Follicular and Estradiol Parameters That Improve Success with Natural Cycle in Vitro Fertilization. (DiMattina et al), 2014;59:267–273

Role of Luteal Phase Support on Gonadotropin Ovulation Induction Cycles in Patients with Polycystic Ovary Syndrome. (Yazici et al), 2014;59:25–30

Serum Beta Human Chorionic Gonadotropin Levels on Day 12 After in Vitro Fertilization in Predicting Final Type of Clinical Pregnancy. (Wu et al), 2014;59:161–166

Views of Preimplantation Genetic Diagnosis Among Psychiatrists and Neurologists. (Klitzman et al), 2014;59:385–392

B

β-hCG

Serum Beta Human Chorionic Gonadotropin Lev-

els on Day 12 After in Vitro Fertilization in Predicting Final Type of Clinical Pregnancy. (Wu et al), 2014;59:161–166

Bariatric surgery

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Bartholin's gland

Periurethral Cystic Mass Misdiagnosed: A Case Report. (Woo et al), 2014;59:414–416

Baseline serum hepatic testing

Evaluation of the Utility of Baseline Serum Hepatic and Renal Testing in Pregnant Patients with Chronic Hypertension. (Fabbri et al), 2014;59:471–475

Best practices

Handoff Quality for Obstetrical Inpatients Varies Depending on Time of Day and Provider Type. (Goff et al), 2014;59:95–102

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Beta HCG monitoring

Hydatidiform Mole and Its Complications: Review of Patient Profiles and Management at the University of the Philippines–Philippine General Hospital. (Cagayan), 2014;59:235–240

Bile acid

Effect of Taurocholic Acid on Fetoplacental Arterial Pressures in a Dual Perfusion Placental Cotyledon Model: A Novel Approach to Intrahepatic Cholestasis of Pregnancy. (Dolinsky et al), 2014;59:367–370

Birth weight

Third Trimester Insulin Levels Are Not Correlated with Fetal Macrosomia or Delivery Complications. (Ali et al), 2014;59:293–298

Blepharophimosis, ptosis, epicanthus inversus type 1

Pregnancy in a Woman with Premature Ovarian Insufficiency Associated with Blepharophimosis, Ptosis, Epicanthus Inversus Syndrome Type I: A Case Report. (Roth and Alvero), 2014;59:87–89

Blood count

Role of the Combination Spironolactone–Norgestimate–Estrogen in Hirsute Women with Polycystic Ovary Syndrome. (Hagag et al), 2014;59:455–463

Blood type

Maternal ABO Blood Group and Stillbirth: A Prospective Cohort Investigation. (Klebanoff and Lynch), 2014;59:496–500

Body mass index

Factors Affecting the Outcome of “Endometrial Scratch” in Women with Recurrent Implantation Failure. (Coughlan et al), 2014;59:39–43

Bowel obstruction

Outcomes of Gynecologic Oncology Patients Undergoing Gastrografin Small Bowel Follow-through Studies. (Walters et al), 2014;59:476–480

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Bowel surgery

Outcomes of Gynecologic Oncology Patients Undergoing Gastrografin Small Bowel Follow-through Studies. (Walters et al), 2014;59:476–480

Breakthrough bleeding

Management of Etonogestrel Subdermal Implant–related Bleeding. (Casey et al), 2014;59:306–312

Breech presentation

Reproductive Outcome in Uterine Malformations With or Without an Associated Unilateral Renal Agenesis. (Acien et al), 2014;59:69–75

C

Cancer chemotherapy protocols

Management and Survival of Patients with FIGO High-risk Gestational Trophoblastic Neoplasia: The U.K. Experience, 1995–2010. (Agarwal et al), 2014;59:7–12

Capillary permeability

Severe Ovarian Hyperstimulation Syndrome in Patients with Autoimmune Disorders: A Report of Two Cases. (Kilpatrick et al), 2014;59:591–595

Carbetocin

Postpartum Uterine Response to Oxytocin and Carbetocin. (Amsalem et al), 2014;59:167–173

Carboplatin

Combination Therapy with Paclitaxel, Carboplatin and Megestrol Acetate for the Management of Advanced Stage or Recurrent Carcinoma of the Endometrium: A Phase II Study. (Bevis et al), 2014;59:113–120

Cervical cancer

Awareness and Knowledge About Human Papillomavirus Among High School Students in China. (Tang et al), 2014;59:44–50

Pregnancy Outcomes After Cold Knife Conization Related to Excised Cone Dimensions: A Retrospective Cohort Study. (Sozen et al), 2014; 59:81–86

Cervical ectopic pregnancy

Management of Cervical Ectopic Pregnancy with Uterine Artery Embolization: A Case Report. (Headley), 2014;59:425–428

Cervical intraepithelial neoplasia

Pregnancy Outcomes After Cold Knife Conization Related to Excised Cone Dimensions: A Retrospective Cohort Study. (Sozen et al), 2014; 59:81–86

Cervix

Pregnancy Outcomes After Cold Knife Conization Related to Excised Cone Dimensions: A Retrospective Cohort Study. (Sozen et al), 2014; 59:81–86

Cesarean delivery

Inadvertent Vaginal Entry During Cesarean Delivery: A Report of Two Cases. (Pereira et al), 2014;59:429–432

Cesarean scar pregnancy

Use and Value of Ultrasound in Diagnosing Cesarean Scar Pregnancy: A Report of Three Cases. (Buresch et al), 2014;59:517–521

Cesarean section

Acute Complications of Unfractionated Heparin Thromboprophylaxis After Cesarean Delivery. (Aziz et al), 2014;59:3–6

Cesarean Section as a Risk Factor for the Development of Adenomyosis Uteri. (Riggs et al), 2014;59:20–24

Checklists

A Checklist for Timeout on Labor and Delivery: A Pilot Study to Improve Communication and Safety. (Hullfish et al), 2004;59:579–584

Chemoprophylaxis

Hydatidiform Mole and Its Complications: Review of Patient Profiles and Management at the University of the Philippines–Philippine General Hospital. (Cagayan), 2014;59:235–240

Chemotherapy

Changes in the Management of High-risk Gestational Trophoblastic Neoplasia in the National Trophoblastic Disease Center of Hungary. (Fülöp et al), 2014;59:227–234

Clinical Response to a Second Uterine Curettage

in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Combination Therapy with Paclitaxel, Carboplatin and Megestrol Acetate for the Management of Advanced Stage or Recurrent Carcinoma of the Endometrium: A Phase II Study. (Bevis et al), 2014;59:113–120

Effect of Early Pregnancy Following Chemotherapy on Disease Relapse and Fetal Outcome in Women Treated for Gestational Trophoblastic Neoplasia. (Williams et al), 2014;59:248–254

The Encouraging Prognosis of Nongestational Ovarian Choriocarcinoma with Lung Metastases. (Liu et al), 2014;59:221–226

Hepatic Metastasis in Gestational Trophoblastic Neoplasia: Patient Characteristics, Prognostic Factors, and Outcomes. (Barber et al), 2014;59: 199–203

Histopathological and Immunohistochemical Features of Early Hydatidiform Mole in Relation to Subsequent Development of Persistent Gestational Trophoblastic Disease. (Petts et al), 2014;59:213–220

Management and Survival of Patients with FIGO High-risk Gestational Trophoblastic Neoplasia: The U.K. Experience, 1995–2010. (Agarwal et al), 2014;59:7–12

Reproductive Outcomes After Multiagent Chemotherapy for High-risk Gestational Trophoblastic Neoplasia. (Wong et al), 2014;59:204–208

Chorioamnionitis

The Third Stage of Labor: A Study of Outcomes in the Second Trimester of Pregnancy. (Scolari Childress et al), 2014;59:348–354

Choriocarcinoma

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

The Encouraging Prognosis of Nongestational Ovarian Choriocarcinoma with Lung Metastases. (Liu et al), 2014;59:221–226

Evolution of a Specialist Gestational Trophoblastic Disease Service with a Major Nursing Component: The Sheffield, United Kingdom, Experience. (Ireson et al), 2014;59:195–198

Fertility-Sparing Partial Hysterectomy for Gestational Trophoblastic Neoplasia: An Analysis of 36 Cases. (Cheng et al), 2014;59:274–278

Hepatic Metastasis in Gestational Trophoblastic

Neoplasia: Patient Characteristics, Prognostic Factors, and Outcomes. (Barber et al), 2014;59:199–203

Worldwide Survey of the Results of Treating Gestational Trophoblastic Disease. (Kohorn), 2014;59:145–153

Chorionic gonadotropin

Familial hCG Syndrome: Production of Variable, Degraded or Mutant Forms of hCG. (Cole and Butler), 2014;59:435–442

Chromosomal abnormality

First-trimester Aneuploidy Screening: Is There a Maternal Age at Which It Loses Effectiveness? (Lau et al), 2014;59:443–447

Chronic hypertension

Evaluation of the Utility of Baseline Serum Hepatic and Renal Testing in Pregnant Patients with Chronic Hypertension. (Fabbri et al), 2014;59:471–475

Clear cell adenocarcinoma

Clear Cell Adenocarcinoma of the Abdominal Wall: A Case Report. (Heller et al), 2014;59:330–332

Coagulation factor XII

Role of Coagulation Factor XII in Unexplained Recurrent Abortions in the Greek Population. (Dendrinou et al), 2014;59:56–62

Cold knife conization

Pregnancy Outcomes After Cold Knife Conization Related to Excised Cone Dimensions: A Retrospective Cohort Study. (Sozen et al), 2014;59:81–86

Colpoperineoplasty

Anterior Vaginal Introitoplasty for an Acquired Sensation of Wide Vagina: A Case Report and New Surgical Intervention. (Ostrzenski), 2014;59:327–329

Colpoperineorrhaphy

Anterior Vaginal Introitoplasty for an Acquired Sensation of Wide Vagina: A Case Report and New Surgical Intervention. (Ostrzenski), 2014;59:327–329

Communication

A Checklist for Timeout on Labor and Delivery: A Pilot Study to Improve Communication and Safety. (Hullfish et al), 2004;59:579–584

Complementary and alternative medicine

Acupuncture Performed Before and After Embryo Transfer: A Randomized Controlled Trial. (Craig et al), 2014;59:313–320

Complete hydatidiform mole

Current Clinical Features of Complete and Partial

Hydatidiform Mole in Sweden. (Joneborg and Marions), 2014;59:51–55

Histopathological and Immunohistochemical Features of Early Hydatidiform Mole in Relation to Subsequent Development of Persistent Gestational Trophoblastic Disease. (Petts et al), 2014;59:213–220

Worldwide Survey of the Results of Treating Gestational Trophoblastic Disease. (Kohorn), 2014;59:145–153

Confined placental mosaicism

Complete Hydatidiform Mole and Live Fetus in a Singleton Pregnancy with Confined Placental Mosaicism and Fetomaternal Hemorrhage: A Case Report. (Baxi et al), 2014;59:599–602

Conflict styles

Emotional Intelligence Characteristics in a Cohort of Faculty, Residents, and Medical Students. (Ogunyemi et al), 2014;59:279–284

Congenital anomalies

Recurrent Duodenal Atresia: A Case Report. (Christofferson et al), 2014;59:512–514

Congenital heart defect

Pulmonary Artery Dissection Leading to Cardiac Tamponade as a Cause of Maternal Death in a Woman with Pulmonary Hypertension: A Case Report. (Barrett et al), 2014;59:181–184

Conization

Pregnancy Outcomes After Cold Knife Conization Related to Excised Cone Dimensions: A Retrospective Cohort Study. (Sozen et al), 2014;59:81–86

Contraceptive implant removal

Management of Etonogestrel Subdermal Implant-related Bleeding. (Casey et al), 2014;59:306–312

Cornual heterotopic pregnancy

Cornual Ectopic Pregnancy: An Example of the Overdiagnosis of Molar Ectopic Pregnancy: A Case Report. (Biskup Lott et al), 2014;59:603–606

Cosmetic gynecology

Anterior Vaginal Introitoplasty for an Acquired Sensation of Wide Vagina: A Case Report and New Surgical Intervention. (Ostrzenski), 2014;59:327–329

Cost of IVF

The Case for in Vitro Maturation: Lower Cost and More Patient Friendly. (Rose et al). 2014;59:571–578

Cost of IVM

The Case for in Vitro Maturation: Lower Cost

and More Patient Friendly. (Rose et al). 2014; 59:571–578

CREOG

United States Medical Licensing Examination Scores as a Predictor of Performance on the Annual Council of Resident Education in Obstetrics and Gynecology Examinations. (Spellacy and Downes), 2014;59:17–19

Curettage

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Cynomolgus monkey

Effect of Gonadotropin-Releasing Hormone Antagonist on Primordial Follicle Survival in the Primate Ovary. (Attaman et al), 2014;59:103–109

Cystic adnexal mass

A Rare Granulosa Cell Tumor Presentation with Virilization and Cystic Adnexal Mass on Three-dimensional Ultrasound: A Case Report. (Tanouye et al), 2014;59:421–424

D

D&C

The Third Stage of Labor: A Study of Outcomes in the Second Trimester of Pregnancy. (Scolari Childress et al), 2014;59:348–354

Dactinomycin

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Danazol

In Vitro Effect of Danazol on Endometrioma Cells in Culture. (Ollivierre et al), 2014;59:13–16

Deep venous thrombosis

May-Thurner Syndrome Complicating Pregnancy: A Report of Four Cases. (Wax et al), 2014; 59:333–336

Delivery complications

Inadvertent Vaginal Entry During Cesarean Delivery: A Report of Two Cases. (Pereira et al), 2014;59:429–432

Third Trimester Insulin Levels Are Not Correlated with Fetal Macrosomia or Delivery Complications. (Ali et al), 2014;59:293–298

Depression

Gestational Trophoblastic Disease: Psychological

Aspects and Fertility Issues. (Mattei et al), 2014; 59:488–495

Depression, postpartum

Perceived Healthcare Providers' Responsibility with Postpartum Depression: Whose Problem Is It, Anyway? (Behimehr et al), 2014;59:139–144

Diabetes

Can Overt Diabetes Mellitus Be Predicted by an Early A1C Value in Gestational Diabetes? (Granada et al), 2014;59:343–347

Dilation and curettage

The Third Stage of Labor: A Study of Outcomes in the Second Trimester of Pregnancy. (Scolari Childress et al), 2014;59:348–354

DISC

Emotional Intelligence Characteristics in a Cohort of Faculty, Residents, and Medical Students. (Ogunyemi et al), 2014;59:279–284

Diverticulum

An Unusual-appearing Suburethral Diverticulum Resulting from Trauma: A Case Report. (Schneider et al), 2014;59:174–176

Doctor-patient communication

Views of Preimplantation Genetic Diagnosis Among Psychiatrists and Neurologists. (Klitzman et al), 2014;59:385–392

Down syndrome

Effect of Underlying Infertility Factors on Second Trimester Serum Screening Results. (Köşüş et al), 2014;59:76–80

Duodenal atresia

Recurrent Duodenal Atresia: A Case Report. (Christofferson et al), 2014;59:512–514

Dyspareunia

Assessing Severity of Pain in Women with Focal Provoked Vulvodynia: Are von Frey Filaments Suitable Devices? (Donders and Bellen), 2014; 59:134–138

Localized Provoked Vestibulodynia: Outcomes After Modified Vestibulectomy. (Swanson et al), 2014;59:121–126

E

Early pregnancy

Can Overt Diabetes Mellitus Be Predicted by an Early A1C Value in Gestational Diabetes? (Granada et al), 2014;59:343–347

Eclampsia

Evaluation of the Utility of Baseline Serum Hepat-

ic and Renal Testing in Pregnant Patients with Chronic Hypertension. (Fabbri et al), 2014;59:471–475

Ectopic pregnancy

Cornual Ectopic Pregnancy: An Example of the Overdiagnosis of Molar Ectopic Pregnancy: A Case Report. (Biskup Lott et al), 2014;59:603–606

Live Full-term Ovarian Ectopic Pregnancy: A Case Report. (Lee et al), 2014;59:607–610

Management of Cervical Ectopic Pregnancy with Uterine Artery Embolization: A Case Report. (Headley), 2014;59:425–428

Serum Beta Human Chorionic Gonadotropin Levels on Day 12 After in Vitro Fertilization in Predicting Final Type of Clinical Pregnancy. (Wu et al), 2014;59:161–166

Success of the Two-dose Methotrexate Protocol for Treatment of Ectopic Pregnancy in Women with a History of Prior Ectopic Pregnancy. (McLaren et al), 2014;59:379–384

Use and Value of Ultrasound in Diagnosing Cesarean Scar Pregnancy: A Report of Three Cases. (Buresch et al), 2014;59:517–521

Editorial

A Note from the Editor-in-Chief. (Devoe), 2014;59:1–2

A Note from the Editor-in-Chief. (Devoe), 2014;59:93–94

A Note from the Editor-in-Chief. (Devoe), 2014;59:185–186

A Note from the Editor-in-Chief. (Devoe), 2014;59:341–342

A Note from the Editor-in-Chief. (Devoe), 2014;59:433–434

A Note from the Editor-in-Chief. (Devoe), 2014;59:525–526

Egg donation

Egg Donation Brokers: An Analysis of Agency Versus in Vitro Fertilization Clinic Websites. (Holwell et al), 2014;59:534–541

EMA-CO protocol

Management and Survival of Patients with FIGO High-risk Gestational Trophoblastic Neoplasia: The U.K. Experience, 1995–2010. (Agarwal et al), 2014;59:7–12

Embryo implantation

Factors Affecting the Outcome of “Endometrial Scratch” in Women with Recurrent Implantation Failure. (Coughlan et al), 2014;59:39–43

Embryo transfer

Acupuncture Performed Before and After Em-

bryo Transfer: A Randomized Controlled Trial. (Craig et al), 2014;59:313–320

Factors Affecting the Outcome of “Endometrial Scratch” in Women with Recurrent Implantation Failure. (Coughlan et al), 2014;59:39–43

Serum Beta Human Chorionic Gonadotropin Levels on Day 12 After in Vitro Fertilization in Predicting Final Type of Clinical Pregnancy. (Wu et al), 2014;59:161–166

Emergency preparedness

Women’s Health Providers as Vaccine Providers in Public Health Emergencies. (Otterloo et al), 2014;59:401–408

Emergency response

Women’s Health Providers as Vaccine Providers in Public Health Emergencies. (Otterloo et al), 2014;59:401–408

Emotional Intelligence Appraisal survey

Emotional Intelligence Characteristics in a Cohort of Faculty, Residents, and Medical Students. (Ogunyemi et al), 2014;59:279–284

Empty sella syndrome

Pituitary Mass and Subsequent Involution Causing Fluctuations of Serum Follicle-stimulating Hormone Levels in a Turner Syndrome Patient with Premature Ovarian Failure: A Case Report. (Weibel and Dahan), 2014;59:504–508

Endometrial ablation

Analysis of the Safety and Reliability of a Hydrothermal Ablation System: A Multicenter, Prospective Postmarket Study. (Berman et al), 2014;59:299–305

Endometrial adenocarcinoma

Endometrial Adenocarcinoma Arising in a Turner’s Syndrome Patient with Spontaneous Menstruation: A Case Report. (Sasamoto et al), 2014;59:177–180

Endometrial Stromal Sarcoma: A Clinicopathologic Study of 29 Patients. (Rauh-Hain et al), 2014;59:547–552

Endometrial cancer

Combination Therapy with Paclitaxel, Carboplatin and Megestrol Acetate for the Management of Advanced Stage or Recurrent Carcinoma of the Endometrium: A Phase II Study. (Bevis et al), 2014;59:113–120

Comparison of Outcomes in Patients with Early-stage Mucinous Endometrial Cancer and Those with Endometrioid Endometrial Cancer, With and Without Adjuvant Therapy. (Owusu-Darko et al), 2014;59:527–533

Endometrial Adenocarcinoma Arising in a Tur-

ner's Syndrome Patient with Spontaneous Menstruation: A Case Report. (Sasamoto et al), 2014;59:177–180

Endometrial scratch

Factors Affecting the Outcome of "Endometrial Scratch" in Women with Recurrent Implantation Failure. (Coughlan et al), 2014;59:39–43

Endometrial stromal sarcoma

Endometrial Stromal Sarcoma: A Clinicopathologic Study of 29 Patients. (Rauh-Hain et al), 2014;59:547–552

Endometrioid Endometrial Cancer

Comparison of Outcomes in Patients with Early-stage Mucinous Endometrial Cancer and Those with Endometrioid Endometrial Cancer, With and Without Adjuvant Therapy. (Owusu-Darko et al), 2014;59:527–533

Endometrioma

In Vitro Effect of Danazol on Endometrioma Cells in Culture. (Ollivierre et al), 2014;59:13–16

Endometriosis

Abdominal Wall Endometriosis: A Rarely Anticipated Diagnosis: A 16-Year Experience and Brief Literature Review. (Heller and Fitzhugh), 2014;59:110–112

Cesarean Section as a Risk Factor for the Development of Adenomyosis Uteri. (Riggs et al), 2014;59:20–24

Clear Cell Adenocarcinoma of the Abdominal Wall: A Case Report. (Heller et al), 2014;59:330–332

In Vitro Effect of Danazol on Endometrioma Cells in Culture. (Ollivierre et al), 2014;59:13–16

Progesterone Reduces Neurofilament (NF)-Positive Nerve Fibers in Eutopic Endometrium of Patients with Endometriosis and Myomata. (Kim et al), 2014;59:481–487

Endometrium

Progesterone Reduces Neurofilament (NF)-Positive Nerve Fibers in Eutopic Endometrium of Patients with Endometriosis and Myomata. (Kim et al), 2014;59:481–487

Endoscopic surgical procedures

Laparoscopic Single-site Linear Salpingostomy for the Management of Heterotopic Pregnancy: A Case Report. (Bedaiwy et al), 2014;59:522–524

Epidemiology

Epidemiological Report on the Treatment of Patients with Gestational Trophoblastic Disease in 10 Brazilian Referral Centers: Results After 12 Years Since International FIGO 2000 Con-

sensus. (Braga et al), 2014;59:241–247

Episiotomy

Obstetric Laceration Repair in the United States: Is There a Common Practice? (Allen et al), 2014; 59:127–133

Obstetric Vulvar Lacerations and Postpartum Dyspareunia. (Ventolini et al), 2014;59:560–565

Epithelioid trophoblastic tumor

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

EQ

Emotional Intelligence Characteristics in a Cohort of Faculty, Residents, and Medical Students. (Ogunyemi et al), 2014;59:279–284

Estradiol

Falling Estradiol Levels on Day After Human Chorionic Gonadotropin Administration in Assisted Reproductive Technology Cycles Are Not Predictive of Decreasing Oocyte Maturity or Pregnancy Rates. (Levy et al), 2014;59:255–259

Estriol

Effect of Underlying Infertility Factors on Second Trimester Serum Screening Results. (Köşüş et al), 2014;59:76–80

Ethics

Views of Preimplantation Genetic Diagnosis Among Psychiatrists and Neurologists. (Klitzman et al), 2014;59:385–392

Ethinyl estradiol

Role of the Combination Spironolactone–Norgestimate–Estrogen in Hirsute Women with Polycystic Ovary Syndrome. (Hagag et al), 2014;59: 455–463

Etonogestrel subdermal implant

Management of Etonogestrel Subdermal Implant-related Bleeding. (Casey et al), 2014;59: 306–312

Eugenics

Views of Preimplantation Genetic Diagnosis Among Psychiatrists and Neurologists. (Klitzman et al), 2014;59:385–392

F

Factor XII

Role of Coagulation Factor XII in Unexplained Recurrent Abortions in the Greek Population. (Dendrinis et al), 2014;59:56–62

Familial hCG syndrome

Familial hCG Syndrome: Production of Variable, Degraded or Mutant Forms of hCG. (Cole and Butler), 2014;59:435–442

Fecal incontinence

Intraabdominal Pressure with Pelvic Floor Dysfunction: Do Postoperative Restrictions Make Sense? (Yamasato et al), 2014;59:409–413

Female genital system anomalies

Combined Laparoscopy and Hysteroscopy for the Detection of Female Genital System Anomalies: Results of 3,811 Infertile Women. (Siam and Soliman), 2014;59:542–546

Fertility

Reproductive Outcomes After Multiagent Chemotherapy for High-risk Gestational Trophoblastic Neoplasia. (Wong et al), 2014;59:204–208

Fertility clinics

Egg Donation Brokers: An Analysis of Agency Versus in Vitro Fertilization Clinic Websites. (Holwell et al), 2014;59:534–541

Fertility technologies

The Case for in Vitro Maturation: Lower Cost and More Patient Friendly. (Rose et al). 2014; 59:571–578

Does the Addition of Recombinant Luteinizing Hormone to Progesterone for Luteal Supplementation Improve IVF Outcomes in High-Responder Patients? A Preliminary Randomized Controlled Study. (Seckin et al), 2014;59: 321–326

Modified Natural Cycle in Vitro Fertilization: An Alternative in Vitro Fertilization Treatment with Lower Costs per Achieved Pregnancy but Longer Treatment Time. (von Wolff et al), 2014; 59:553–559

Fertility-sparing surgery

Fertility-Sparing Partial Hysterectomy for Gestational Trophoblastic Neoplasia: An Analysis of 36 Cases. (Cheng et al), 2014;59:274–278

Fetal death

Maternal ABO Blood Group and Stillbirth: A Prospective Cohort Investigation. (Klebanoff and Lynch), 2014;59:496–500

Placental Abruptio and Fetal Intraventricular Hemorrhage After Airbag Deployment: A Case Report. (Gherman and Chauhan), 2014; 59:501–503

Fetal intracranial hemorrhage

Placental Abruptio and Fetal Intraventricular Hemorrhage After Airbag Deployment: A

Case Report. (Gherman and Chauhan), 2014; 59:501–503

Fetal transfusion syndrome

Twin Anemia Polycythemia Sequence: A Report of Three Cases. (Casanova et al), 2014;59:596–598

Fetofetal transfusion

Twin Anemia Polycythemia Sequence: A Report of Three Cases. (Casanova et al), 2014;59:596–598

Fetomaternal hemorrhage

Complete Hydatidiform Mole and Live Fetus in a Singleton Pregnancy with Confined Placental Mosaicism and Fetomaternal Hemorrhage: A Case Report. (Baxi et al), 2014;59:599–602

Fetomaternal transfusion

Twin Anemia Polycythemia Sequence: A Report of Three Cases. (Casanova et al), 2014;59:596–598

Fetoscopic laser therapy

Mirror Syndrome After Fetoscopic Laser Therapy for Twin-Twin Transfusion Syndrome Due to Transient Donor Hydrops That Resolved Before Delivery: A Case Report. (Chang et al), 2014;59:90–92

Fibroids

Knowledge of Uterine Fibroid Symptoms and Presentation Among African-American Women: A Pilot Study. (Ekpo et al), 2014;59:448–454

Final clinical pregnancy outcomes

Serum Human Chorionic Gonadotropin Level Measured 17 Days After Oocyte Retrieval Can Predict Final Clinical Pregnancy Outcomes in IVF/ICSI Treatment Cycles. (Zhang et al), 2014; 59:285–292

First trimester screening

First-trimester Aneuploidy Screening: Is There a Maternal Age at Which It Loses Effectiveness? (Lau et al), 2014;59:443–447

Follicle

Effect of Gonadotropin-Releasing Hormone Antagonist on Primordial Follicle Survival in the Primate Ovary. (Attaman et al), 2014;59:103–109

Follicle-stimulating hormone

Pituitary Mass and Subsequent Involution Causing Fluctuations of Serum Follicle-stimulating Hormone Levels in a Turner Syndrome Patient with Premature Ovarian Failure: A Case Report. (Weibel and Dahan), 2014;59:504–508

Fourth degree laceration

Obstetric Laceration Repair in the United States:

Is There a Common Practice? (Allen et al), 2014; 59:127–133

Free androgen index

Factors Affecting the Outcome of “Endometrial Scratch” in Women with Recurrent Implantation Failure. (Coughlan et al), 2014;59:39–43

FSH level

Pituitary Mass and Subsequent Involution Causing Fluctuations of Serum Follicle-stimulating Hormone Levels in a Turner Syndrome Patient with Premature Ovarian Failure: A Case Report. (Weibel and Dahan), 2014;59:504–508

Full term ectopic pregnancy

Live Full-term Ovarian Ectopic Pregnancy: A Case Report. (Lee et al), 2014;59:607–610

G

Gastric bypass

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Gastrografin

Outcomes of Gynecologic Oncology Patients Undergoing Gastrografin Small Bowel Follow-through Studies. (Walters et al), 2014;59:476–480

Gender selection

Views of Preimplantation Genetic Diagnosis Among Psychiatrists and Neurologists. (Klitzman et al), 2014;59:385–392

Genesys HydroThermAblator System

Analysis of the Safety and Reliability of a Hydrothermal Ablation System: A Multicenter, Prospective Postmarket Study. (Berman et al), 2014;59:299–305

Genetic defect

Familial hCG Syndrome: Production of Variable, Degraded or Mutant Forms of hCG. (Cole and Butler), 2014;59:435–442

Genetics

Recurrent Duodenal Atresia: A Case Report. (Christofferson et al), 2014;59:512–514

Gestational diabetes mellitus

Can Overt Diabetes Mellitus Be Predicted by an Early A1C Value in Gestational Diabetes? (Granada et al), 2014;59:343–347

Prediction of Abnormal Postpartum Glucose Tolerance Testing in Mild Gestational Diabetes Mellitus. (Mendez-Figueroa et al), 2014;59:393–400

Third Trimester Insulin Levels Are Not Correlat-

ed with Fetal Macrosomia or Delivery Complications. (Ali et al), 2014;59:293–298

Gestational trophoblastic disease

Changes in the Management of High-risk Gestational Trophoblastic Neoplasia in the National Trophoblastic Disease Center of Hungary. (Fülöp et al), 2014;59:227–234

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Epidemiological Report on the Treatment of Patients with Gestational Trophoblastic Disease in 10 Brazilian Referral Centers: Results After 12 Years Since International FIGO 2000 Consensus. (Braga et al), 2014;59:241–247

Evolution of a Specialist Gestational Trophoblastic Disease Service with a Major Nursing Component: The Sheffield, United Kingdom, Experience. (Ireson et al), 2014;59:195–198

Gestational Trophoblastic Disease: Presentations from the XVIIth World Congress on Gestational Trophoblastic Diseases: Introduction to the Symposium. (Berkowitz et al), 2014;59:187

Gestational Trophoblastic Disease: Psychological Aspects and Fertility Issues. (Mattei et al), 2014; 59:488–495

Hydatidiform Mole and Its Complications: Review of Patient Profiles and Management at the University of the Philippines–Philippine General Hospital. (Cagayan), 2014;59:235–240

Reproductive Outcomes After Multiagent Chemotherapy for High-risk Gestational Trophoblastic Neoplasia. (Wong et al), 2014;59:204–208

Subsequent Pregnancy Outcomes After Complete and Partial Molar Pregnancy, Recurrent Molar Pregnancy, and Gestational Trophoblastic Neoplasia: An Update from the New England Trophoblastic Disease Center. (Vargas et al), 2014;59:188–194

Uterine Arteriovenous Malformation After Gestational Trophoblastic Disease: A Report of Two Cases. (Yela et al), 2014;59:417–420

Worldwide Survey of the Results of Treating Gestational Trophoblastic Disease. (Kohorn), 2014; 59:145–153

Gestational trophoblastic neoplasia

Changes in the Management of High-risk Gestational Trophoblastic Neoplasia in the National Trophoblastic Disease Center of Hungary. (Fülöp et al), 2014;59:227–234

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Determining the Time Required to Achieve Negative Human Chorionic Gonadotropin Value After a Nonmolar Pregnancy: Preliminary Results. (Cortés-Charry et al), 2014;59:209–212

Effect of Early Pregnancy Following Chemotherapy on Disease Relapse and Fetal Outcome in Women Treated for Gestational Trophoblastic Neoplasia. (Williams et al), 2014;59:248–254

Epidemiological Report on the Treatment of Patients with Gestational Trophoblastic Disease in 10 Brazilian Referral Centers: Results After 12 Years Since International FIGO 2000 Consensus. (Braga et al), 2014;59:241–247

Fertility-Sparing Partial Hysterectomy for Gestational Trophoblastic Neoplasia: An Analysis of 36 Cases. (Cheng et al), 2014;59:274–278

Gestational Trophoblastic Disease: Psychological Aspects and Fertility Issues. (Mattei et al), 2014;59:488–495

Hepatic Metastasis in Gestational Trophoblastic Neoplasia: Patient Characteristics, Prognostic Factors, and Outcomes. (Barber et al), 2014;59:199–203

Hydatidiform Mole and Its Complications: Review of Patient Profiles and Management at the University of the Philippines–Philippine General Hospital. (Cagayan), 2014;59:235–240

Management and Survival of Patients with FIGO High-risk Gestational Trophoblastic Neoplasia: The U.K. Experience, 1995–2010. (Agarwal et al), 2014;59:7–12

Subsequent Pregnancy Outcomes After Complete and Partial Molar Pregnancy, Recurrent Molar Pregnancy, and Gestational Trophoblastic Neoplasia: An Update from the New England Trophoblastic Disease Center. (Vargas et al), 2014;59:188–194

Glucose screening

Third Trimester Insulin Levels Are Not Correlated with Fetal Macrosomia or Delivery Complications. (Ali et al), 2014;59:293–298

Glucose tolerance test

Prediction of Abnormal Postpartum Glucose Tolerance Testing in Mild Gestational Diabetes Mellitus. (Mendez-Figueroa et al), 2014;59:393–400

GnRH

Combined Administration of Gonadotropin-

releasing Hormone Agonist with Human Gonadotropin for Final Oocyte Maturation in GnRH Antagonist Cycles for in Vitro Fertilization. (Kim et al), 2014;59:63–68

GnRH agonist

Combined Administration of Gonadotropin-releasing Hormone Agonist with Human Gonadotropin for Final Oocyte Maturation in GnRH Antagonist Cycles for in Vitro Fertilization. (Kim et al), 2014;59:63–68

GnRH antagonist

Combined Administration of Gonadotropin-releasing Hormone Agonist with Human Gonadotropin for Final Oocyte Maturation in GnRH Antagonist Cycles for in Vitro Fertilization. (Kim et al), 2014;59:63–68

Effect of Gonadotropin-Releasing Hormone Antagonist on Primordial Follicle Survival in the Primate Ovary. (Attaman et al), 2014;59:103–109

Gonadal anomalies

Combined Laparoscopy and Hysteroscopy for the Detection of Female Genital System Anomalies: Results of 3,811 Infertile Women. (Siam and Soliman), 2014;59:542–546

Gonadotropin-releasing hormone

Combined Administration of Gonadotropin-releasing Hormone Agonist with Human Gonadotropin for Final Oocyte Maturation in GnRH Antagonist Cycles for in Vitro Fertilization. (Kim et al), 2014;59:63–68

Granulosa cell tumor

A Rare Granulosa Cell Tumor Presentation with Virilization and Cystic Adnexal Mass on Three-dimensional Ultrasound: A Case Report. (Tanouye et al), 2014;59:421–424

Greece

Role of Coagulation Factor XII in Unexplained Recurrent Abortions in the Greek Population. (Dendrinis et al), 2014;59:56–62

Gynecologic oncology

Outcomes of Gynecologic Oncology Patients Undergoing Gastrografin Small Bowel Follow-through Studies. (Walters et al), 2014;59:476–480

Gynecologic surgery

Abdominal Wall Endometriosis: A Rarely Anticipated Diagnosis: A 16-Year Experience and Brief Literature Review. (Heller and Fitzhugh), 2014;59:110–112

Analysis of the Safety and Reliability of a Hydrothermal Ablation System: A Multicenter, Pro-

spective Postmarket Study. (Berman et al), 2014;59:299–305

Cesarean Section as a Risk Factor for the Development of Adenomyosis Uteri. (Riggs et al), 2014;59:20–24

Intraabdominal Pressure with Pelvic Floor Dysfunction: Do Postoperative Restrictions Make Sense? (Yamasato et al), 2014;59:409–413

Outcomes of Gynecologic Oncology Patients Undergoing Gastrografin Small Bowel Follow-through Studies. (Walters et al), 2014;59:476–480

Pregnancy Outcomes After Cold Knife Conization Related to Excised Cone Dimensions: A Retrospective Cohort Study. (Sozen et al), 2014; 59:81–86

Role of Vaginal Mesh Hysteropexy for the Management of Advanced Uterovaginal Prolapse. (Khandwala et al), 2014;59:371–378

Gynecological malignancies

Comparison of Outcomes in Patients with Early-stage Mucinous Endometrial Cancer and Those with Endometrioid Endometrial Cancer, With and Without Adjuvant Therapy. (Owusu-Darko et al), 2014;59:527–533

H

Hageman factor

Role of Coagulation Factor XII in Unexplained Recurrent Abortions in the Greek Population. (Dendrinis et al), 2014;59:56–62

Handoffs

Handoff Quality for Obstetrical Inpatients Varies Depending on Time of Day and Provider Type. (Goff et al), 2014;59:95–102

hCG (human chorionic gonadotropin)

Combined Administration of Gonadotropin-releasing Hormone Agonist with Human Gonadotropin for Final Oocyte Maturation in GnRH Antagonist Cycles for in Vitro Fertilization. (Kim et al), 2014;59:63–68

Determining the Time Required to Achieve Negative Human Chorionic Gonadotropin Value After a Nonmolar Pregnancy: Preliminary Results. (Cortés-Charry et al), 2014;59:209–212

Serum Human Chorionic Gonadotropin Level Measured 17 Days After Oocyte Retrieval Can Predict Final Clinical Pregnancy Outcomes in IVF/ICSI Treatment Cycles. (Zhang et al), 2014; 59:285–292

hCG regression

Determining the Time Required to Achieve Negative Human Chorionic Gonadotropin Value After a Nonmolar Pregnancy: Preliminary Results. (Cortés-Charry et al), 2014;59:209–212

hCG syndrome

Familial hCG Syndrome: Production of Variable, Degraded or Mutant Forms of hCG. (Cole and Butler), 2014;59:435–442

HCG-beta

Effect of Underlying Infertility Factors on Second Trimester Serum Screening Results. (Köşüş et al), 2014;59:76–80

Health care quality assessment

Handoff Quality for Obstetrical Inpatients Varies Depending on Time of Day and Provider Type. (Goff et al), 2014;59:95–102

Health literacy

Knowledge of Uterine Fibroid Symptoms and Presentation Among African-American Women: A Pilot Study. (Ekpo et al), 2014;59:448–454

Healthcare

Evolution of a Specialist Gestational Trophoblastic Disease Service with a Major Nursing Component: The Sheffield, United Kingdom, Experience. (Ireson et al), 2014;59:195–198

Heavy menstrual bleeding

Analysis of the Safety and Reliability of a Hydrothermal Ablation System: A Multicenter, Prospective Postmarket Study. (Berman et al), 2014;59:299–305

Hemoglobin A1C

Can Overt Diabetes Mellitus Be Predicted by an Early A1C Value in Gestational Diabetes? (Granada et al), 2014;59:343–347

Hepatic metastasis

Hepatic Metastasis in Gestational Trophoblastic Neoplasia: Patient Characteristics, Prognostic Factors, and Outcomes. (Barber et al), 2014;59: 199–203

Herniation

An Unusual-appearing Suburethral Diverticulum Resulting from Trauma: A Case Report. (Schneider et al), 2014;59:174–176

High-risk pregnancy

Pregnancy in a Patient with a Vesicouterorectal Fistula and Obliterated Vagina: A Case Report. (Harfouche et al), 2014;59:515–516

Hirsutism

A Rare Granulosa Cell Tumor Presentation with Virilization and Cystic Adnexal Mass on Three-dimensional Ultrasound: A Case Report.

(Tanouye et al), 2014;59:421–424

Role of the Combination Spironolactone–Norgestimate–Estrogen in Hirsute Women with Polycystic Ovary Syndrome. (Hagag et al), 2014;59:455–463

Hormonal therapy

Combination Therapy with Paclitaxel, Carboplatin and Megestrol Acetate for the Management of Advanced Stage or Recurrent Carcinoma of the Endometrium: A Phase II Study. (Bevis et al), 2014;59:113–120

Hormone antagonists

Combined Administration of Gonadotropin-releasing Hormone Agonist with Human Gonadotropin for Final Oocyte Maturation in GnRH Antagonist Cycles for in Vitro Fertilization. (Kim et al), 2014;59:63–68

Hormones

Endometrial Stromal Sarcoma: A Clinicopathologic Study of 29 Patients. (Rauh-Hain et al), 2014;59:547–552

HPV

Awareness and Knowledge About Human Papillomavirus Among High School Students in China. (Tang et al), 2014;59:44–50

Human chorionic gonadotropin

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Familial hCG Syndrome: Production of Variable, Degraded or Mutant Forms of hCG. (Cole and Butler), 2014;59:435–442

Recombinant Human Luteinizing Hormone to Trigger Ovulation: Randomized, Controlled, Dose-finding Pilot Study in Ovulation Induction. (Pierson et al), 2014;59:355–366

Serum Human Chorionic Gonadotropin Level Measured 17 Days After Oocyte Retrieval Can Predict Final Clinical Pregnancy Outcomes in IVF/ICSI Treatment Cycles. (Zhang et al), 2014;59:285–292

Human papillomavirus

Awareness and Knowledge About Human Papillomavirus Among High School Students in China. (Tang et al), 2014;59:44–50

Hydatidiform mole

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Complete Hydatidiform Mole and Live Fetus in

a Singleton Pregnancy with Confined Placental Mosaicism and Fetomaternal Hemorrhage: A Case Report. (Baxi et al), 2014;59:599–602

Cornual Ectopic Pregnancy: An Example of the Overdiagnosis of Molar Ectopic Pregnancy: A Case Report. (Biskup Lott et al), 2014;59:603–606

Current Clinical Features of Complete and Partial Hydatidiform Mole in Sweden. (Joneborg and Marions), 2014;59:51–55

Epidemiological Report on the Treatment of Patients with Gestational Trophoblastic Disease in 10 Brazilian Referral Centers: Results After 12 Years Since International FIGO 2000 Consensus. (Braga et al), 2014;59:241–247

Evolution of a Specialist Gestational Trophoblastic Disease Service with a Major Nursing Component: The Sheffield, United Kingdom, Experience. (Ireson et al), 2014;59:195–198

Histopathological and Immunohistochemical Features of Early Hydatidiform Mole in Relation to Subsequent Development of Persistent Gestational Trophoblastic Disease. (Petts et al), 2014;59:213–220

Hydatidiform Mole and Its Complications: Review of Patient Profiles and Management at the University of the Philippines–Philippine General Hospital. (Cagayan), 2014;59:235–240

Subsequent Pregnancy Outcomes After Complete and Partial Molar Pregnancy, Recurrent Molar Pregnancy, and Gestational Trophoblastic Neoplasia: An Update from the New England Trophoblastic Disease Center. (Vargas et al), 2014;59:188–194

Hydrops

Mirror Syndrome After Fetoscopic Laser Therapy for Twin-Twin Transfusion Syndrome Due to Transient Donor Hydrops That Resolved Before Delivery: A Case Report. (Chang et al), 2014;59:90–92

Hydrothermal ablation complications

Analysis of the Safety and Reliability of a Hydrothermal Ablation System: A Multicenter, Prospective Postmarket Study. (Berman et al), 2014;59:299–305

Hyperandrogenism

Role of the Combination Spironolactone–Norgestimate–Estrogen in Hirsute Women with Polycystic Ovary Syndrome. (Hagag et al), 2014;59:455–463

Hyperestrogenism

Comparison of Outcomes in Patients with Early-

stage Mucinous Endometrial Cancer and Those with Endometrioid Endometrial Cancer, With and Without Adjuvant Therapy. (Owusu-Darko et al), 2014;59:527–533

Hyperreactio luteinalis

Hyperreactio Luteinalis in Pregnancy and Hyperandrogenism: A Case Report. (Baxi et al), 2014;59:509–511

Hypertension in pregnancy

Evaluation of the Utility of Baseline Serum Hepatic and Renal Testing in Pregnant Patients with Chronic Hypertension. (Fabbri et al), 2014;59:471–475

Hypertension, pregnancy-induced

Pulmonary Artery Dissection Leading to Cardiac Tamponade as a Cause of Maternal Death in a Woman with Pulmonary Hypertension: A Case Report. (Barrett et al), 2014;59:181–184

Hypertension, pulmonary

Pulmonary Artery Dissection Leading to Cardiac Tamponade as a Cause of Maternal Death in a Woman with Pulmonary Hypertension: A Case Report. (Barrett et al), 2014;59:181–184

Hysterectomy

Role of Vaginal Mesh Hysteropexy for the Management of Advanced Uterovaginal Prolapse. (Khandwala et al), 2014;59:371–378

Hysteropexy

Role of Vaginal Mesh Hysteropexy for the Management of Advanced Uterovaginal Prolapse. (Khandwala et al), 2014;59:371–378

Hysteroscopic myomectomy

Direct Injection of Vasopressin During Hysteroscopic Myomectomy: A Case Report. (Holloran-Schwartz), 2014;59:614–616

Hysteroscopy

Analysis of the Safety and Reliability of a Hydrothermal Ablation System: A Multicenter, Prospective Postmarket Study. (Berman et al), 2014;59:299–305

Combined Laparoscopy and Hysteroscopy for the Detection of Female Genital System Anomalies: Results of 3,811 Infertile Women. (Siam and Soliman), 2014;59:542–546

I

Iliac vein compression

May-Thurner Syndrome Complicating Pregnancy: A Report of Four Cases. (Wax et al), 2014;59:333–336

Immunostaining

Histopathological and Immunohistochemical Features of Early Hydatidiform Mole in Relation to Subsequent Development of Persistent Gestational Trophoblastic Disease. (Petts et al), 2014;59:213–220

In vitro fertilization

Acupuncture Performed Before and After Embryo Transfer: A Randomized Controlled Trial. (Craig et al), 2014;59:313–320

The Case for in Vitro Maturation: Lower Cost and More Patient Friendly. (Rose et al), 2014;59:571–578

Combined Administration of Gonadotropin-releasing Hormone Agonist with Human Gonadotropin for Final Oocyte Maturation in GnRH Antagonist Cycles for in Vitro Fertilization. (Kim et al), 2014;59:63–68

Does the Addition of Recombinant Luteinizing Hormone to Progesterone for Luteal Supplementation Improve IVF Outcomes in High-Responder Patients? A Preliminary Randomized Controlled Study. (Seckin et al), 2014;59:321–326

Egg Donation Brokers: An Analysis of Agency Versus in Vitro Fertilization Clinic Websites. (Holwell et al), 2014;59:534–541

Follicular and Estradiol Parameters That Improve Success with Natural Cycle in Vitro Fertilization. (DiMattina et al), 2014;59:267–273

Modified Natural Cycle in Vitro Fertilization: An Alternative in Vitro Fertilization Treatment with Lower Costs per Achieved Pregnancy but Longer Treatment Time. (von Wolff et al), 2014;59:553–559

Role of Luteal Phase Support on Gonadotropin Ovulation Induction Cycles in Patients with Polycystic Ovary Syndrome. (Yazici et al), 2014;59:25–30

Serum Beta Human Chorionic Gonadotropin Levels on Day 12 After in Vitro Fertilization in Predicting Final Type of Clinical Pregnancy. (Wu et al), 2014;59:161–166

Serum Human Chorionic Gonadotropin Level Measured 17 Days After Oocyte Retrieval Can Predict Final Clinical Pregnancy Outcomes in IVF/ICSI Treatment Cycles. (Zhang et al), 2014;59:285–292

Severe Ovarian Hyperstimulation Syndrome in Patients with Autoimmune Disorders: A Report of Two Cases. (Kilpatrick et al), 2014;59:591–595

In vitro maturation

The Case for in Vitro Maturation: Lower Cost and More Patient Friendly. (Rose et al). 2014; 59:571–578

In vitro oocyte maturation

Follicular and Estradiol Parameters That Improve Success with Natural Cycle in Vitro Fertilization. (DiMattina et al), 2014;59:267–273

Inadvertent vaginal incision

Inadvertent Vaginal Entry During Cesarean Delivery: A Report of Two Cases. (Pereira et al), 2014;59:429–432

Incontinence

Intraabdominal Pressure with Pelvic Floor Dysfunction: Do Postoperative Restrictions Make Sense? (Yamasato et al), 2014;59:409–413

Induction of labor

A Checklist for Timeout on Labor and Delivery: A Pilot Study to Improve Communication and Safety. (Hullfish et al), 2014;59:579–584

Infertility

The Case for in Vitro Maturation: Lower Cost and More Patient Friendly. (Rose et al). 2014; 59:571–578

Combined Laparoscopy and Hysteroscopy for the Detection of Female Genital System Anomalies: Results of 3,811 Infertile Women. (Siam and Soliman), 2014;59:542–546

Does the Addition of Recombinant Luteinizing Hormone to Progesterone for Luteal Supplementation Improve IVF Outcomes in High-Responder Patients? A Preliminary Randomized Controlled Study. (Seckin et al), 2014;59:321–326

Effect of Luteal Phase Support with Vaginal Progesterone in Intrauterine Insemination Cycles with Regard to Follicular Response: A Prospective Randomized Study. (Seckin et al), 2014;59:260–266

Effect of Underlying Infertility Factors on Second Trimester Serum Screening Results. (Köşüş et al), 2014;59:76–80

Follicular and Estradiol Parameters That Improve Success with Natural Cycle in Vitro Fertilization. (DiMattina et al), 2014;59:267–273

Mal descended Ovary Associated with Müllerian and Kidney Dysgenesis: A Case Report. (Mahmoud), 2014;59:337–340

Role of Luteal Phase Support on Gonadotropin Ovulation Induction Cycles in Patients with Polycystic Ovary Syndrome. (Yazici et al), 2014;59:25–30

Serum Human Chorionic Gonadotropin Level Measured 17 Days After Oocyte Retrieval Can Predict Final Clinical Pregnancy Outcomes in IVF/ICSI Treatment Cycles. (Zhang et al), 2014; 59:285–292

Infertility techniques

Recombinant Human Luteinizing Hormone to Trigger Ovulation: Randomized, Controlled, Dose-finding Pilot Study in Ovulation Induction. (Pierson et al), 2014;59:355–366

Infertility-related stress

Gestational Trophoblastic Disease: Psychological Aspects and Fertility Issues. (Mattei et al), 2014; 59:488–495

Inpatients

Handoff Quality for Obstetrical Inpatients Varies Depending on Time of Day and Provider Type. (Goff et al), 2014;59:95–102

Insulin screening

Third Trimester Insulin Levels Are Not Correlated with Fetal Macrosomia or Delivery Complications. (Ali et al), 2014;59:293–298

Interleukin-8

Value of Amniotic Fluid IL-8 and Annexin A2 in Prediction of Preterm Delivery in Preterm Labor and Preterm Premature Rupture of Membranes. (Jia), 2014;59:154–160

International collaboration

Gestational Trophoblastic Disease: Presentations from the XVIIth World Congress on Gestational Trophoblastic Diseases: Introduction to the Symposium. (Berkowitz et al), 2014;59:187

International Society for the Study of Trophoblastic Disease

Gestational Trophoblastic Disease: Presentations from the XVIIth World Congress on Gestational Trophoblastic Diseases: Introduction to the Symposium. (Berkowitz et al), 2014;59:187

Interpersonal Influence Inventory

Emotional Intelligence Characteristics in a Cohort of Faculty, Residents, and Medical Students. (Ogunyemi et al), 2014;59:279–284

Intraabdominal pressure

Intraabdominal Pressure with Pelvic Floor Dysfunction: Do Postoperative Restrictions Make Sense? (Yamasato et al), 2014;59:409–413

Intracytoplasmic sperm injection

Serum Human Chorionic Gonadotropin Level Measured 17 Days After Oocyte Retrieval Can Predict Final Clinical Pregnancy Outcomes in IVF/ICSI Treatment Cycles. (Zhang et al), 2014; 59:285–292

Intrahepatic cholestasis of pregnancy

Effect of Taurocholic Acid on Fetoplacental Arterial Pressures in a Dual Perfusion Placental Cotyledon Model: A Novel Approach to Intrahepatic Cholestasis of Pregnancy. (Dolinsky et al), 2014;59:367–370

Intrauterine insemination

Effect of Luteal Phase Support with Vaginal Progesterone in Intrauterine Insemination Cycles with Regard to Follicular Response: A Prospective Randomized Study. (Seckin et al), 2014;59:260–266

Role of Luteal Phase Support on Gonadotropin Ovulation Induction Cycles in Patients with Polycystic Ovary Syndrome. (Yazici et al), 2014;59:25–30

Intrauterine pressure

Postpartum Uterine Response to Oxytocin and Carbetocin. (Amsalem et al), 2014;59:167–173

Irregular bleeding

Management of Etonogestrel Subdermal Implant-related Bleeding. (Casey et al), 2014;59:306–312

IUD

Perforated Levonorgestrel-releasing Intrauterine System Resulting in Small Bowel Obstruction: A Case Report. (Loveless et al), 2014;59:611–613

K**Kidney dysgenesis**

Mal descended Ovary Associated with Müllerian and Kidney Dysgenesis: A Case Report. (Mahmoud), 2014;59:337–340

L**L-lactate dehydrogenase C chain protein**

The Aged Testis: A Good Model to Find Proteins Involved in Age-related Changes of Testis by Proteomic Analysis. (Li et al), 2014;59:31–38

Labor and delivery

The Third Stage of Labor: A Study of Outcomes in the Second Trimester of Pregnancy. (Scolari Childress et al), 2014;59:348–354

Laboratory testing in pregnancy

Evaluation of the Utility of Baseline Serum Hepatic and Renal Testing in Pregnant Patients with Chronic Hypertension. (Fabbri et al), 2014;59:471–475

Laparoelytomy

Inadvertent Vaginal Entry During Cesarean Delivery: A Report of Two Cases. (Pereira et al), 2014;59:429–432

Laparoendoscopic single-site surgery

Laparoscopic Single-site Linear Salpingostomy for the Management of Heterotopic Pregnancy: A Case Report. (Bedaiwy et al), 2014;59:522–524

Laparoscopic myomectomy

Direct Injection of Vasopressin During Hysteroscopic Myomectomy: A Case Report. (Holloran-Schwartz), 2014;59:614–616

Laparoscopy

Combined Laparoscopy and Hysteroscopy for the Detection of Female Genital System Anomalies: Results of 3,811 Infertile Women. (Siam and Soliman), 2014;59:542–546

Laparoscopic Single-site Linear Salpingostomy for the Management of Heterotopic Pregnancy: A Case Report. (Bedaiwy et al), 2014;59:522–524

Laser therapy

Mirror Syndrome After Fetoscopic Laser Therapy for Twin-Twin Transfusion Syndrome Due to Transient Donor Hydrops That Resolved Before Delivery: A Case Report. (Chang et al), 2014;59:90–92

Late disease recurrence

Endometrial Stromal Sarcoma: A Clinicopathologic Study of 29 Patients. (Rauh-Hain et al), 2014;59:547–552

Leiomyoma

Knowledge of Uterine Fibroid Symptoms and Presentation Among African-American Women: A Pilot Study. (Ekpo et al), 2014;59:448–454

Levonorgestrel-releasing intrauterine system

Perforated Levonorgestrel-releasing Intrauterine System Resulting in Small Bowel Obstruction: A Case Report. (Loveless et al), 2014;59:611–613

Lipid profile

Role of the Combination Spironolactone–Norgestimate–Estrogen in Hirsute Women with Polycystic Ovary Syndrome. (Hagag et al), 2014;59:455–463

Liver

Effect of Taurocholic Acid on Fetoplacental Arterial Pressures in a Dual Perfusion Placental Cotyledon Model: A Novel Approach to Intrahepatic Cholestasis of Pregnancy. (Dolinsky et al), 2014;59:367–370

Liver metastasis

Hepatic Metastasis in Gestational Trophoblastic Neoplasia: Patient Characteristics, Prognostic Factors, and Outcomes. (Barber et al), 2014;59:199–203

Lung metastasis

The Encouraging Prognosis of Nongestational Ovarian Choriocarcinoma with Lung Metastases. (Liu et al), 2014;59:221–226

Luteal phase support

Does the Addition of Recombinant Luteinizing Hormone to Progesterone for Luteal Supplementation Improve IVF Outcomes in High-Responder Patients? A Preliminary Randomized Controlled Study. (Seckin et al), 2014;59:321–326

Effect of Luteal Phase Support with Vaginal Progesterone in Intrauterine Insemination Cycles with Regard to Follicular Response: A Prospective Randomized Study. (Seckin et al), 2014;59:260–266

Role of Luteal Phase Support on Gonadotropin Ovulation Induction Cycles in Patients with Polycystic Ovary Syndrome. (Yazici et al), 2014;59:25–30

M**Maldescended ovary**

Maldescended Ovary Associated with Müllerian and Kidney Dysgenesis: A Case Report. (Mahmoud), 2014;59:337–340

Manual removal of placenta

The Third Stage of Labor: A Study of Outcomes in the Second Trimester of Pregnancy. (Scolari Childress et al), 2014;59:348–354

Maternal androgenization

Hyperreactio Luteinalis in Pregnancy and Hyperandrogenism: A Case Report. (Baxi et al), 2014;59:509–511

Maternal mortality

Acute Complications of Unfractionated Heparin Thromboprophylaxis After Cesarean Delivery. (Aziz et al), 2014;59:3–6

Maternal trauma in pregnancy

Placental Abruptio and Fetal Intraventricular Hemorrhage After Airbag Deployment: A Case Report. (Gherman and Chauhan), 2014;59:501–503

May-Thurner syndrome

May-Thurner Syndrome Complicating Pregnancy: A Report of Four Cases. (Wax et al), 2014;

59:333–336

MEA protocol

Management and Survival of Patients with FIGO High-risk Gestational Trophoblastic Neoplasia: The U.K. Experience, 1995–2010. (Agarwal et al), 2014;59:7–12

Mechanical morcellator

Direct Injection of Vasopressin During Hysteroscopic Myomectomy: A Case Report. (Holloran-Schwartz), 2014;59:614–616

Medical education

Emotional Intelligence Characteristics in a Cohort of Faculty, Residents, and Medical Students. (Ogunyemi et al), 2014;59:279–284

United States Medical Licensing Examination Scores as a Predictor of Performance on the Annual Council of Resident Education in Obstetrics and Gynecology Examinations. (Spellacy and Downes), 2014;59:17–19

Megestrol

Combination Therapy with Paclitaxel, Carboplatin and Megestrol Acetate for the Management of Advanced Stage or Recurrent Carcinoma of the Endometrium: A Phase II Study. (Bevis et al), 2014;59:113–120

Menstrual function

Reproductive Outcomes After Multiagent Chemotherapy for High-risk Gestational Trophoblastic Neoplasia. (Wong et al), 2014;59:204–208

Menstruation

Endometrial Adenocarcinoma Arising in a Turner's Syndrome Patient with Spontaneous Menstruation: A Case Report. (Sasamoto et al), 2014;59:177–180

Mesonephric anomalies

Reproductive Outcome in Uterine Malformations With or Without an Associated Unilateral Renal Agenesis. (Acién et al), 2014;59:69–75

Methotrexate

Success of the Two-dose Methotrexate Protocol for Treatment of Ectopic Pregnancy in Women with a History of Prior Ectopic Pregnancy. (McLaren et al), 2014;59:379–384

Mid-trimester delivery

The Third Stage of Labor: A Study of Outcomes in the Second Trimester of Pregnancy. (Scolari Childress et al), 2014;59:348–354

Mirror syndrome

Mirror Syndrome After Fetoscopic Laser Therapy for Twin-Twin Transfusion Syndrome Due to Transient Donor Hydrops That Resolved Be-

fore Delivery: A Case Report. (Chang et al), 2014;59:90–92

Miscarriage

Serum Beta Human Chorionic Gonadotropin Levels on Day 12 After in Vitro Fertilization in Predicting Final Type of Clinical Pregnancy. (Wu et al), 2014;59:161–166

Molar pregnancy

Complete Hydatidiform Mole and Live Fetus in a Singleton Pregnancy with Confined Placental Mosaicism and Fetomaternal Hemorrhage: A Case Report. (Baxi et al), 2014;59:599–602

Cornual Ectopic Pregnancy: An Example of the Overdiagnosis of Molar Ectopic Pregnancy: A Case Report. (Biskup Lott et al), 2014;59:603–606

Effect of Early Pregnancy Following Chemotherapy on Disease Relapse and Fetal Outcome in Women Treated for Gestational Trophoblastic Neoplasia. (Williams et al), 2014;59:248–254

Worldwide Survey of the Results of Treating Gestational Trophoblastic Disease. (Kohorn), 2014; 59:145–153

Molar pregnancy with coexisting live newborn

Complete Hydatidiform Mole and Live Fetus in a Singleton Pregnancy with Confined Placental Mosaicism and Fetomaternal Hemorrhage: A Case Report. (Baxi et al), 2014;59:599–602

Montevideo units

Association of Montevideo Units with Uterine Rupture in Women Undergoing a Trial of Labor. (Maggio et al), 2014;59:464–470

Motor vehicle accidents

Placental Abruptio and Fetal Intraventricular Hemorrhage After Airbag Deployment: A Case Report. (Gherman and Chauhan), 2014; 59:501–503

Mucinous endometrial cancer

Comparison of Outcomes in Patients with Early-stage Mucinous Endometrial Cancer and Those with Endometrioid Endometrial Cancer, With and Without Adjuvant Therapy. (Owusu-Darko et al), 2014;59:527–533

Müllerian anomalies

Combined Laparoscopy and Hysteroscopy for the Detection of Female Genital System Anomalies: Results of 3,811 Infertile Women. (Siam and Soliman), 2014;59:542–546

Müllerian ducts

Maldescended Ovary Associated with Müllerian and Kidney Dysgenesis: A Case Report. (Mahmoud), 2014;59:337–340

Multiple pregnancies

Modified Natural Cycle in Vitro Fertilization: An Alternative in Vitro Fertilization Treatment with Lower Costs per Achieved Pregnancy but Longer Treatment Time. (von Wolff et al), 2014; 59:553–559

Serum Beta Human Chorionic Gonadotropin Levels on Day 12 After in Vitro Fertilization in Predicting Final Type of Clinical Pregnancy. (Wu et al), 2014;59:161–166

Myoma

Progesterone Reduces Neurofilament (NF)-Positive Nerve Fibers in Eutopic Endometrium of Patients with Endometriosis and Myomata. (Kim et al), 2014;59:481–487

Myomectomy

Direct Injection of Vasopressin During Hysteroscopic Myomectomy: A Case Report. (Holloran-Schwartz), 2014;59:614–616

Myometrium

Direct Injection of Vasopressin During Hysteroscopic Myomectomy: A Case Report. (Holloran-Schwartz), 2014;59:614–616

N

Natural cycle IVF

Follicular and Estradiol Parameters That Improve Success with Natural Cycle in Vitro Fertilization. (DiMattina et al), 2014;59:267–273

Modified Natural Cycle in Vitro Fertilization: An Alternative in Vitro Fertilization Treatment with Lower Costs per Achieved Pregnancy but Longer Treatment Time. (von Wolff et al), 2014; 59:553–559

Nerve fiber

Progesterone Reduces Neurofilament (NF)-Positive Nerve Fibers in Eutopic Endometrium of Patients with Endometriosis and Myomata. (Kim et al), 2014;59:481–487

Neurofilament

Progesterone Reduces Neurofilament (NF)-Positive Nerve Fibers in Eutopic Endometrium of Patients with Endometriosis and Myomata. (Kim et al), 2014;59:481–487

NLRP7 protein human

Subsequent Pregnancy Outcomes After Complete and Partial Molar Pregnancy, Recurrent Molar Pregnancy, and Gestational Trophoblastic Neoplasia: An Update from the New England Trophoblastic Disease Center. (Vargas et al), 2014;59:188–194

Nongestational ovarian choriocarcinoma

The Encouraging Prognosis of Nongestational Ovarian Choriocarcinoma with Lung Metastases. (Liu et al), 2014;59:221–226

Nonmolar gestation

Determining the Time Required to Achieve Negative Human Chorionic Gonadotropin Value After a Nonmolar Pregnancy: Preliminary Results. (Cortés-Charry et al), 2014;59:209–212

Nonmolar pregnancy

Determining the Time Required to Achieve Negative Human Chorionic Gonadotropin Value After a Nonmolar Pregnancy: Preliminary Results. (Cortés-Charry et al), 2014;59:209–212

Norgestimate

Role of the Combination Spironolactone–Norgestimate–Estrogen in Hirsute Women with Polycystic Ovary Syndrome. (Hagag et al), 2014;59:455–463

Nuchal translucency

First-trimester Aneuploidy Screening: Is There a Maternal Age at Which It Loses Effectiveness? (Lau et al), 2014;59:443–447

Nurse specialist

Evolution of a Specialist Gestational Trophoblastic Disease Service with a Major Nursing Component: The Sheffield, United Kingdom, Experience. (Ireson et al), 2014;59:195–198

Nurse's practice patterns

Handoff Quality for Obstetrical Inpatients Varies Depending on Time of Day and Provider Type. (Goff et al), 2014;59:95–102

O**Obesity**

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Obliterated vagina

Pregnancy in a Patient with a Vesicouterorectal Fistula and Obliterated Vagina: A Case Report. (Harfouche et al), 2014;59:515–516

Obstetric fistula

Pregnancy in a Patient with a Vesicouterorectal Fistula and Obliterated Vagina: A Case Report. (Harfouche et al), 2014;59:515–516

Obstetric labor complications

Pregnancy in a Patient with a Vesicouterorectal Fistula and Obliterated Vagina: A Case Report. (Harfouche et al), 2014;59:515–516

Obstetric lacerations

Obstetric Laceration Repair in the United States: Is There a Common Practice? (Allen et al), 2014; 59:127–133

Obstetric Vulvar Lacerations and Postpartum Dyspareunia. (Ventolini et al), 2014;59:560–565

Obstetric surgical procedures

Obstetric Laceration Repair in the United States: Is There a Common Practice? (Allen et al), 2014; 59:127–133

Obstetric vulvar lacerations

Obstetric Vulvar Lacerations and Postpartum Dyspareunia. (Ventolini et al), 2014;59:560–565

Obstetrics

Handoff Quality for Obstetrical Inpatients Varies Depending on Time of Day and Provider Type. (Goff et al), 2014;59:95–102

Obstetric Laceration Repair in the United States: Is There a Common Practice? (Allen et al), 2014; 59:127–133

Obstetrics department hospital

Handoff Quality for Obstetrical Inpatients Varies Depending on Time of Day and Provider Type. (Goff et al), 2014;59:95–102

Obstetrics/gynecology

Views of Preimplantation Genetic Diagnosis Among Psychiatrists and Neurologists. (Klitzman et al), 2014;59:385–392

Oocyte maturity

Falling Estradiol Levels on Day After Human Chorionic Gonadotropin Administration in Assisted Reproductive Technology Cycles Are Not Predictive of Decreasing Oocyte Maturity or Pregnancy Rates. (Levy et al), 2014;59:255–259

Oocyte provider

Egg Donation Brokers: An Analysis of Agency Versus In Vitro Fertilization Clinic Websites. (Holwell et al), 2014;59:534–541

Ovarian cancer

The Encouraging Prognosis of Nongestational Ovarian Choriocarcinoma with Lung Metastases. (Liu et al), 2014;59:221–226

Ovarian cancer complications

Outcomes of Gynecologic Oncology Patients Undergoing Gastrografin Small Bowel Follow-through Studies. (Walters et al), 2014;59:476–480

Ovarian hyperstimulation syndrome

Recombinant Human Luteinizing Hormone to Trigger Ovulation: Randomized, Controlled, Dose-finding Pilot Study in Ovulation Induc-

tion. (Pierson et al), 2014;59:355–366

Severe Ovarian Hyperstimulation Syndrome in Patients with Autoimmune Disorders: A Report of Two Cases. (Kilpatrick et al), 2014;59:591–595

Ovarian pregnancy

Live Full-term Ovarian Ectopic Pregnancy: A Case Report. (Lee et al), 2014;59:607–610

Ovarian stimulation

Combined Administration of Gonadotropin-releasing Hormone Agonist with Human Gonadotropin for Final Oocyte Maturation in GnRH Antagonist Cycles for in Vitro Fertilization. (Kim et al), 2014;59:63–68

Falling Estradiol Levels on Day After Human Chorionic Gonadotropin Administration in Assisted Reproductive Technology Cycles Are Not Predictive of Decreasing Oocyte Maturity or Pregnancy Rates. (Levy et al), 2014;59:255–259

Pregnancy in a Woman with Premature Ovarian Insufficiency Associated with Blepharophthalmosis, Ptosis, Epicanthus Inversus Syndrome Type I: A Case Report. (Roth and Alvero), 2014;59:87–89

Ovary

Effect of Gonadotropin-Releasing Hormone Antagonist on Primordial Follicle Survival in the Primate Ovary. (Attaman et al), 2014;59:103–109

Maldescended Ovary Associated with Müllerian and Kidney Dysgenesis: A Case Report. (Mahmoud), 2014;59:337–340

Overt diabetes mellitus

Can Overt Diabetes Mellitus Be Predicted by an Early A1C Value in Gestational Diabetes? (Granada et al), 2014;59:343–347

Ovulation induction

Recombinant Human Luteinizing Hormone to Trigger Ovulation: Randomized, Controlled, Dose-finding Pilot Study in Ovulation Induction. (Pierson et al), 2014;59:355–366

Role of Luteal Phase Support on Gonadotropin Ovulation Induction Cycles in Patients with Polycystic Ovary Syndrome. (Yazici et al), 2014;59:25–30

Severe Ovarian Hyperstimulation Syndrome in Patients with Autoimmune Disorders: A Report of Two Cases. (Kilpatrick et al), 2014;59:591–595

Oxytocin

Postpartum Uterine Response to Oxytocin and

Carbetocin. (Amsalem et al), 2014;59:167–173

P

p59(hck) protein, human

Cornual Ectopic Pregnancy: An Example of the Overdiagnosis of Molar Ectopic Pregnancy: A Case Report. (Biskup Lott et al), 2014;59:603–606

p59 immunohistochemistry stain

Cornual Ectopic Pregnancy: An Example of the Overdiagnosis of Molar Ectopic Pregnancy: A Case Report. (Biskup Lott et al), 2014;59:603–606

Paclitaxel

Combination Therapy with Paclitaxel, Carboplatin and Megestrol Acetate for the Management of Advanced Stage or Recurrent Carcinoma of the Endometrium: A Phase II Study. (Bevis et al), 2014;59:113–120

Pain

Progesterone Reduces Neurofilament (NF)-Positive Nerve Fibers in Eutopic Endometrium of Patients with Endometriosis and Myomata. (Kim et al), 2014;59:481–487

Paralytic ileus

Outcomes of Gynecologic Oncology Patients Undergoing Gastrografin Small Bowel Follow-through Studies. (Walters et al), 2014;59:476–480

Partial hydatidiform mole

Current Clinical Features of Complete and Partial Hydatidiform Mole in Sweden. (Joneborg and Marions), 2014;59:51–55

Partial hysterectomy

Fertility-Sparing Partial Hysterectomy for Gestational Trophoblastic Neoplasia: An Analysis of 36 Cases. (Cheng et al), 2014;59:274–278

Partial mole

Histopathological and Immunohistochemical Features of Early Hydatidiform Mole in Relation to Subsequent Development of Persistent Gestational Trophoblastic Disease. (Petts et al), 2014;59:213–220

Worldwide Survey of the Results of Treating Gestational Trophoblastic Disease. (Kohorn), 2014;59:145–153

Patient care checklists

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Patient educational material

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Patient friendly IVF

The Case for in Vitro Maturation: Lower Cost and More Patient Friendly. (Rose et al). 2014; 59:571–578

Patient safety

A Checklist for Timeout on Labor and Delivery: A Pilot Study to Improve Communication and Safety. (Hullfish et al), 2014;59:579–584

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Pelvic floor

Anterior Vaginal Introitoplasty for an Acquired Sensation of Wide Vagina: A Case Report and New Surgical Intervention. (Ostrzenski), 2014; 59:327–329

Intraabdominal Pressure with Pelvic Floor Dysfunction: Do Postoperative Restrictions Make Sense? (Yamasato et al), 2014;59:409–413

Pelvic organ prolapse

Intraabdominal Pressure with Pelvic Floor Dysfunction: Do Postoperative Restrictions Make Sense? (Yamasato et al), 2014;59:409–413

Role of Vaginal Mesh Hysteropexy for the Management of Advanced Uterovaginal Prolapse. (Khandwala et al), 2014;59:371–378

Pelvic pain

Maldescended Ovary Associated with Müllerian and Kidney Dysgenesis: A Case Report. (Mahmoud), 2014;59:337–340

Pelvic reconstructive surgery

Intraabdominal Pressure with Pelvic Floor Dysfunction: Do Postoperative Restrictions Make Sense? (Yamasato et al), 2014;59:409–413

Perceived fertility

Gestational Trophoblastic Disease: Psychological Aspects and Fertility Issues. (Mattei et al), 2014; 59:488–495

Perineal laceration

Obstetric Laceration Repair in the United States: Is There a Common Practice? (Allen et al), 2014; 59:127–133

Perineoplasty

Anterior Vaginal Introitoplasty for an Acquired Sensation of Wide Vagina: A Case Report and New Surgical Intervention. (Ostrzenski), 2014;

59:327–329

Periurethral cyst

Periurethral Cystic Mass Misdiagnosed: A Case Report. (Woo et al), 2014;59:414–416

Personality traits

Emotional Intelligence Characteristics in a Cohort of Faculty, Residents, and Medical Students. (Ogunyemi et al), 2014;59:279–284

Phase II trial

Combination Therapy with Paclitaxel, Carboplatin and Megestrol Acetate for the Management of Advanced Stage or Recurrent Carcinoma of the Endometrium: A Phase II Study. (Bevis et al), 2014;59:113–120

Physician responsibility

Perceived Healthcare Providers' Responsibility with Postpartum Depression: Whose Problem Is It, Anyway? (Behimehr et al), 2014;59:139–144

Physician's practice patterns

Handoff Quality for Obstetrical Inpatients Varies Depending on Time of Day and Provider Type. (Goff et al), 2014;59:95–102

Pituitary mass

Pituitary Mass and Subsequent Involution Causing Fluctuations of Serum Follicle-stimulating Hormone Levels in a Turner Syndrome Patient with Premature Ovarian Failure: A Case Report. (Weibel and Dahan), 2014;59:504–508

Placenta

The Third Stage of Labor: A Study of Outcomes in the Second Trimester of Pregnancy. (Scolari Childress et al), 2014;59:348–354

Placenta accreta

Use and Value of Ultrasound in Diagnosing Cesarean Scar Pregnancy: A Report of Three Cases. (Buresch et al), 2014;59:517–521

Placental abruption

Placental Abruption and Fetal Intraventricular Hemorrhage After Airbag Deployment: A Case Report. (Gherman and Chauhan), 2014; 59:501–503

Placental site trophoblastic tumor

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Epidemiological Report on the Treatment of Patients with Gestational Trophoblastic Disease in 10 Brazilian Referral Centers: Results After 12 Years Since International FIGO 2000 Consensus. (Braga et al), 2014;59:241–247

Evolution of a Specialist Gestational Trophoblastic Disease Service with a Major Nursing Component: The Sheffield, United Kingdom, Experience. (Ireson et al), 2014;59:195–198

Worldwide Survey of the Results of Treating Gestational Trophoblastic Disease. (Kohorn), 2014; 59:145–153

Polycystic ovary syndrome

Effect of Underlying Infertility Factors on Second Trimester Serum Screening Results. (Köşüş et al), 2014;59:76–80

Role of Luteal Phase Support on Gonadotropin Ovulation Induction Cycles in Patients with Polycystic Ovary Syndrome. (Yazici et al), 2014;59:25–30

Role of the Combination Spironolactone–Norgestimate–Estrogen in Hirsute Women with Polycystic Ovary Syndrome. (Hagag et al), 2014;59: 455–463

Polycythemia

Twin Anemia Polycythemia Sequence: A Report of Three Cases. (Casanova et al), 2014;59:596–598

Polyhydramnios

Recurrent Duodenal Atresia: A Case Report. (Christofferson et al), 2014;59:512–514

Postmolar gestation

Effect of Early Pregnancy Following Chemotherapy on Disease Relapse and Fetal Outcome in Women Treated for Gestational Trophoblastic Neoplasia. (Williams et al), 2014;59:248–254

Postmolar GTN

Hydatidiform Mole and Its Complications: Review of Patient Profiles and Management at the University of the Philippines–Philippine General Hospital. (Cagayan), 2014;59:235–240

Postoperative complications

Acute Complications of Unfractionated Heparin Thromboprophylaxis After Cesarean Delivery. (Aziz et al), 2014;59:3–6

Postoperative instructions

Intraabdominal Pressure with Pelvic Floor Dysfunction: Do Postoperative Restrictions Make Sense? (Yamasato et al), 2014;59:409–413

Postpartum

Postpartum Uterine Response to Oxytocin and Carbetocin. (Amsalem et al), 2014;59:167–173

Postpartum depression, screening

Perceived Healthcare Providers' Responsibility with Postpartum Depression: Whose Problem Is It, Anyway? (Behimehr et al), 2014;59:139–144

Postpartum dyspareunia

Obstetric Vulvar Lacerations and Postpartum Dyspareunia. (Ventolini et al), 2014;59:560–565

Postpartum glucose tolerance

Prediction of Abnormal Postpartum Glucose Tolerance Testing in Mild Gestational Diabetes Mellitus. (Mendez-Figueroa et al), 2014;59:393–400

Postpartum hemorrhage

Postpartum Uterine Response to Oxytocin and Carbetocin. (Amsalem et al), 2014;59:167–173

Postsurgical restrictions

Intraabdominal Pressure with Pelvic Floor Dysfunction: Do Postoperative Restrictions Make Sense? (Yamasato et al), 2014;59:409–413

Practice guidelines as topic

Handoff Quality for Obstetrical Inpatients Varies Depending on Time of Day and Provider Type. (Goff et al), 2014;59:95–102

Preeclampsia

Evaluation of the Utility of Baseline Serum Hepatic and Renal Testing in Pregnant Patients with Chronic Hypertension. (Fabbri et al), 2014;59: 471–475

Pregnancy

Effect of Early Pregnancy Following Chemotherapy on Disease Relapse and Fetal Outcome in Women Treated for Gestational Trophoblastic Neoplasia. (Williams et al), 2014;59:248–254

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Pregnancy, heterotopic

Laparoscopic Single-site Linear Salpingostomy for the Management of Heterotopic Pregnancy: A Case Report. (Bedaiwy et al), 2014;59:522–524

Pregnancy complications

Effect of Taurocholic Acid on Fetoplacental Arterial Pressures in a Dual Perfusion Placental Cotyledon Model: A Novel Approach to Intrahepatic Cholestasis of Pregnancy. (Dolinsky et al), 2014;59:367–370

Prediction of Abnormal Postpartum Glucose Tolerance Testing in Mild Gestational Diabetes Mellitus. (Mendez-Figueroa et al), 2014;59:393–400

Pregnancy outcome

Subsequent Pregnancy Outcomes After Complete and Partial Molar Pregnancy, Recurrent Molar Pregnancy, and Gestational Trophoblas-

tic Neoplasia: An Update from the New England Trophoblastic Disease Center. (Vargas et al), 2014;59:188–194

Pregnancy rate

Acupuncture Performed Before and After Embryo Transfer: A Randomized Controlled Trial. (Craig et al), 2014;59:313–320

Preimplantation genetic diagnosis

Views of Preimplantation Genetic Diagnosis Among Psychiatrists and Neurologists. (Klitzman et al), 2014;59:385–392

Premature births

Pregnancy Outcomes After Cold Knife Conization Related to Excised Cone Dimensions: A Retrospective Cohort Study. (Sozen et al), 2014; 59:81–86

Premature ovarian failure

Pituitary Mass and Subsequent Involution Causing Fluctuations of Serum Follicle-stimulating Hormone Levels in a Turner Syndrome Patient with Premature Ovarian Failure: A Case Report. (Weibel and Dahan), 2014;59:504–508

Pregnancy in a Woman with Premature Ovarian Insufficiency Associated with Blepharophthalmosis, Ptosis, Epicanthus Inversus Syndrome Type I: A Case Report. (Roth and Alvero), 2014; 59:87–89

Premature rupture of fetal membranes

Value of Amniotic Fluid IL-8 and Annexin A2 in Prediction of Preterm Delivery in Preterm Labor and Preterm Premature Rupture of Membranes. (Jia), 2014;59:154–160

Prenatal diagnosis

First-trimester Aneuploidy Screening: Is There a Maternal Age at Which It Loses Effectiveness? (Lau et al), 2014;59:443–447

Recurrent Duodenal Atresia: A Case Report. (Christofferson et al), 2014;59:512–514

Prenatal factors

Prediction of Abnormal Postpartum Glucose Tolerance Testing in Mild Gestational Diabetes Mellitus. (Mendez-Figueroa et al), 2014;59:393–400

Prenatal genetic testing

Views of Preimplantation Genetic Diagnosis Among Psychiatrists and Neurologists. (Klitzman et al), 2014;59:385–392

Preterm delivery

Pregnancy Outcomes After Cold Knife Conization Related to Excised Cone Dimensions: A Retrospective Cohort Study. (Sozen et al), 2014; 59:81–86

Preterm labor

Value of Amniotic Fluid IL-8 and Annexin A2 in Prediction of Preterm Delivery in Preterm Labor and Preterm Premature Rupture of Membranes. (Jia), 2014;59:154–160

Preterm premature rupture of membranes

Value of Amniotic Fluid IL-8 and Annexin A2 in Prediction of Preterm Delivery in Preterm Labor and Preterm Premature Rupture of Membranes. (Jia), 2014;59:154–160

Primary ovarian insufficiency

Pregnancy in a Woman with Premature Ovarian Insufficiency Associated with Blepharophthalmosis, Ptosis, Epicanthus Inversus Syndrome Type I: A Case Report. (Roth and Alvero), 2014; 59:87–89

Prior ectopic pregnancy

Success of the Two-dose Methotrexate Protocol for Treatment of Ectopic Pregnancy in Women with a History of Prior Ectopic Pregnancy. (McLaren et al), 2014;59:379–384

Progesterone

Effect of Luteal Phase Support with Vaginal Progesterone in Intrauterine Insemination Cycles with Regard to Follicular Response: A Prospective Randomized Study. (Seckin et al), 2014;59: 260–266

Progesterone Reduces Neurofilament (NF)-Positive Nerve Fibers in Eutopic Endometrium of Patients with Endometriosis and Myomata. (Kim et al), 2014;59:481–487

Role of Luteal Phase Support on Gonadotropin Ovulation Induction Cycles in Patients with Polycystic Ovary Syndrome. (Yazici et al), 2014;59:25–30

Prognostic score

Changes in the Management of High-risk Gestational Trophoblastic Neoplasia in the National Trophoblastic Disease Center of Hungary. (Fülöp et al), 2014;59:227–234

Proteomic

The Aged Testis: A Good Model to Find Proteins Involved in Age-related Changes of Testis by Proteomic Analysis. (Li et al), 2014;59:31–38

Psychological aspects

Gestational Trophoblastic Disease: Psychological Aspects and Fertility Issues. (Mattei et al), 2014; 59:488–495

Public health emergency

Women's Health Providers as Vaccine Providers in Public Health Emergencies. (Otterloo et al), 2014;59:401–408

Pulmonary heart disease

Pulmonary Artery Dissection Leading to Cardiac Tamponade as a Cause of Maternal Death in a Woman with Pulmonary Hypertension: A Case Report. (Barrett et al), 2014;59:181–184

Pulmonary hypertension in pregnancy

Pulmonary Artery Dissection Leading to Cardiac Tamponade as a Cause of Maternal Death in a Woman with Pulmonary Hypertension: A Case Report. (Barrett et al), 2014;59:181–184

Q**Quality assurance, health care**

Handoff Quality for Obstetrical Inpatients Varies Depending on Time of Day and Provider Type. (Goff et al), 2014;59:95–102

Quality of care

Evolution of a Specialist Gestational Trophoblastic Disease Service with a Major Nursing Component: The Sheffield, United Kingdom, Experience. (Ireson et al), 2014;59:195–198

R**Recombinant FSH**

Effect of Luteal Phase Support with Vaginal Progesterone in Intrauterine Insemination Cycles with Regard to Follicular Response: A Prospective Randomized Study. (Seckin et al), 2014;59:260–266

Recombinant luteinizing hormone

Does the Addition of Recombinant Luteinizing Hormone to Progesterone for Luteal Supplementation Improve IVF Outcomes in High-Responder Patients? A Preliminary Randomized Controlled Study. (Seckin et al), 2014;59:321–326

Recombinant Human Luteinizing Hormone to Trigger Ovulation: Randomized, Controlled, Dose-finding Pilot Study in Ovulation Induction. (Pierson et al), 2014;59:355–366

Rectovaginal fistula

Pregnancy in a Patient with a Vesicouterorectal Fistula and Obliterated Vagina: A Case Report. (Harfouche et al), 2014;59:515–516

Renal laboratory testing

Evaluation of the Utility of Baseline Serum Hepatic and Renal Testing in Pregnant Patients with Chronic Hypertension. (Fabbri et al), 2014;59:471–475

Reproductive health

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Reproductive outcomes

Reproductive Outcomes After Multiagent Chemotherapy for High-risk Gestational Trophoblastic Neoplasia. (Wong et al), 2014;59:204–208

Reproductive technologies

The Case for in Vitro Maturation: Lower Cost and More Patient Friendly. (Rose et al), 2014;59:571–578

Effect of Underlying Infertility Factors on Second Trimester Serum Screening Results. (Köşüş et al), 2014;59:76–80

Factors Affecting the Outcome of “Endometrial Scratch” in Women with Recurrent Implantation Failure. (Coughlan et al), 2014;59:39–43

Serum Human Chorionic Gonadotropin Level Measured 17 Days After Oocyte Retrieval Can Predict Final Clinical Pregnancy Outcomes in IVF/ICSI Treatment Cycles. (Zhang et al), 2014;59:285–292

Retained placenta

The Third Stage of Labor: A Study of Outcomes in the Second Trimester of Pregnancy. (Scolari Childress et al), 2014;59:348–354

S**Salpingostomy**

Laparoscopic Single-site Linear Salpingostomy for the Management of Heterotopic Pregnancy: A Case Report. (Bedaiwy et al), 2014;59:522–524

Scar endometriosis

Clear Cell Adenocarcinoma of the Abdominal Wall: A Case Report. (Heller et al), 2014;59:330–332

Screening

Effect of Underlying Infertility Factors on Second Trimester Serum Screening Results. (Köşüş et al), 2014;59:76–80

Second curettage

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Second trimester delivery

The Third Stage of Labor: A Study of Outcomes

in the Second Trimester of Pregnancy. (Scolari Childress et al), 2014;59:348–354

Second trimester screening

Effect of Underlying Infertility Factors on Second Trimester Serum Screening Results. (Köşüş et al), 2014;59:76–80

Sexual dysfunction, physiological

Assessing Severity of Pain in Women with Focal Provoked Vulvodynia: Are von Frey Filaments Suitable Devices? (Donders and Bellen), 2014; 59:134–138

Sexual intercourse

Assessing Severity of Pain in Women with Focal Provoked Vulvodynia: Are von Frey Filaments Suitable Devices? (Donders and Bellen), 2014; 59:134–138

Sexually transmitted diseases

Awareness and Knowledge About Human Papillomavirus Among High School Students in China. (Tang et al), 2014;59:44–50

Single-dose methotrexate

Success of the Two-dose Methotrexate Protocol for Treatment of Ectopic Pregnancy in Women with a History of Prior Ectopic Pregnancy. (McLaren et al), 2014;59:379–384

Skene's duct cyst

Periurethral Cystic Mass Misdiagnosed: A Case Report. (Woo et al), 2014;59:414–416

Small bowel follow-through

Outcomes of Gynecologic Oncology Patients Undergoing Gastrografin Small Bowel Follow-through Studies. (Walters et al), 2014;59:476–480

Small bowel obstruction

Perforated Levonorgestrel-releasing Intrauterine System Resulting in Small Bowel Obstruction: A Case Report. (Loveless et al), 2014;59:611–613

Spirolactone

Role of the Combination Spirolactone–Norgestimate–Estrogen in Hirsute Women with Polycystic Ovary Syndrome. (Hagag et al), 2014;59: 455–463

Spontaneous twin anemia-polycythemia sequence

Twin Anemia Polycythemia Sequence: A Report of Three Cases. (Casanova et al), 2014;59:596–598

Standard of care

Obstetric Laceration Repair in the United States: Is There a Common Practice? (Allen et al), 2014; 59:127–133

Stillbirth

Maternal ABO Blood Group and Stillbirth: A

Prospective Cohort Investigation. (Klebanoff and Lynch), 2014;59:496–500

Stroke

May-Thurner Syndrome Complicating Pregnancy: A Report of Four Cases. (Wax et al), 2014; 59:333–336

Students

Awareness and Knowledge About Human Papillomavirus Among High School Students in China. (Tang et al), 2014;59:44–50

Submucosal myoma

Direct Injection of Vasopressin During Hysteroscopic Myomectomy: A Case Report. (Holloran-Schwartz), 2014;59:614–616

Suburethral diverticulum

An Unusual-appearing Suburethral Diverticulum Resulting from Trauma: A Case Report. (Schneider et al), 2014;59:174–176

Suction curettage

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Superimposed preeclampsia

Evaluation of the Utility of Baseline Serum Hepatic and Renal Testing in Pregnant Patients with Chronic Hypertension. (Fabbri et al), 2014;59: 471–475

Surgery

Endometrial Stromal Sarcoma: A Clinicopathologic Study of 29 Patients. (Rauh-Hain et al), 2014;59:547–552

Surgical complications

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Surgical repair

Pregnancy in a Patient with a Vesicouterorectal Fistula and Obliterated Vagina: A Case Report. (Harfouche et al), 2014;59:515–516

Syndrome

Familial hCG Syndrome: Production of Variable, Degraded or Mutant Forms of hCG. (Cole and Butler), 2014;59:435–442

T

Taurocholic acid

Effect of Taurocholic Acid on Fetoplacental Arterial Pressures in a Dual Perfusion Placental

Cotyledon Model: A Novel Approach to Intrahepatic Cholestasis of Pregnancy. (Dolinsky et al), 2014;59:367–370

Testis

The Aged Testis: A Good Model to Find Proteins Involved in Age-related Changes of Testis by Proteomic Analysis. (Li et al), 2014;59:31–38

Testosterone

Hyperreactio Luteinalis in Pregnancy and Hyperandrogenism: A Case Report. (Baxi et al), 2014;59:509–511

Theca lutein cyst

Hyperreactio Luteinalis in Pregnancy and Hyperandrogenism: A Case Report. (Baxi et al), 2014;59:509–511

Third degree laceration

Obstetric Laceration Repair in the United States: Is There a Common Practice? (Allen et al), 2014; 59:127–133

Thomas-Kilmann Conflict Instrument

Emotional Intelligence Characteristics in a Cohort of Faculty, Residents, and Medical Students. (Ogunyemi et al), 2014;59:279–284

Thromboembolism

Acute Complications of Unfractionated Heparin Thromboprophylaxis After Cesarean Delivery. (Aziz et al), 2014;59:3–6

May-Thurner Syndrome Complicating Pregnancy: A Report of Four Cases. (Wax et al), 2014; 59:333–336

Thromboxane mimetic U44619

Effect of Taurocholic Acid on Fetoplacental Arterial Pressures in a Dual Perfusion Placental Cotyledon Model: A Novel Approach to Intrahepatic Cholestasis of Pregnancy. (Dolinsky et al), 2014;59:367–370

Timeouts

A Checklist for Timeout on Labor and Delivery: A Pilot Study to Improve Communication and Safety. (Hullfish et al), 2014;59:579–584

Transient donor hydrops

Mirror Syndrome After Fetoscopic Laser Therapy for Twin-Twin Transfusion Syndrome Due to Transient Donor Hydrops That Resolved Before Delivery: A Case Report. (Chang et al), 2014;59:90–92

Transverse vaginal incision

Inadvertent Vaginal Entry During Cesarean Delivery: A Report of Two Cases. (Pereira et al), 2014;59:429–432

Trial of labor after cesarean

Association of Montevideo Units with Uterine

Rupture in Women Undergoing a Trial of Labor. (Maggio et al), 2014;59:464–470

A Checklist for Timeout on Labor and Delivery: A Pilot Study to Improve Communication and Safety. (Hullfish et al), 2014;59:579–584

Trisomy 13

First-trimester Aneuploidy Screening: Is There a Maternal Age at Which It Loses Effectiveness? (Lau et al), 2014;59:443–447

Trisomy 18

First-trimester Aneuploidy Screening: Is There a Maternal Age at Which It Loses Effectiveness? (Lau et al), 2014;59:443–447

Trisomy 21

First-trimester Aneuploidy Screening: Is There a Maternal Age at Which It Loses Effectiveness? (Lau et al), 2014;59:443–447

Recurrent Duodenal Atresia: A Case Report. (Christofferson et al), 2014;59:512–514

Trophoblast

Effect of Early Pregnancy Following Chemotherapy on Disease Relapse and Fetal Outcome in Women Treated for Gestational Trophoblastic Neoplasia. (Williams et al), 2014;59: 248–254

Trophoblastic disease

Histopathological and Immunohistochemical Features of Early Hydatidiform Mole in Relation to Subsequent Development of Persistent Gestational Trophoblastic Disease. (Petts et al), 2014;59:213–220

Tubal heterotopic pregnancy

Cornual Ectopic Pregnancy: An Example of the Overdiagnosis of Molar Ectopic Pregnancy: A Case Report. (Biskup Lott et al), 2014;59:603–606

Laparoscopic Single-site Linear Salpingostomy for the Management of Heterotopic Pregnancy: A Case Report. (Bedaiwy et al), 2014;59:522–524

Tumor ileus

Outcomes of Gynecologic Oncology Patients Undergoing Gastrografin Small Bowel Follow-through Studies. (Walters et al), 2014;59:476–480

Turner syndrome

Endometrial Adenocarcinoma Arising in a Turner's Syndrome Patient with Spontaneous Menstruation: A Case Report. (Sasamoto et al), 2014;59:177–180

Pituitary Mass and Subsequent Involution Causing Fluctuations of Serum Follicle-stimulating

Hormone Levels in a Turner Syndrome Patient with Premature Ovarian Failure: A Case Report. (Weibel and Dahan), 2014;59:504–508

Twin pregnancy

Twin Anemia Polycythemia Sequence: A Report of Three Cases. (Casanova et al), 2014;59:596–598

Twin transfusion

Twin Anemia Polycythemia Sequence: A Report of Three Cases. (Casanova et al), 2014;59:596–598

Twin-twin transfusion syndrome

Mirror Syndrome After Fetoscopic Laser Therapy for Twin-Twin Transfusion Syndrome Due to Transient Donor Hydrops That Resolved Before Delivery: A Case Report. (Chang et al), 2014;59:90–92

Twin Anemia Polycythemia Sequence: A Report of Three Cases. (Casanova et al), 2014;59:596–598

Two-dose methotrexate protocol

Success of the Two-dose Methotrexate Protocol for Treatment of Ectopic Pregnancy in Women with a History of Prior Ectopic Pregnancy. (McLaren et al), 2014;59:379–384

Type 1 diabetes mellitus

Severe Ovarian Hyperstimulation Syndrome in Patients with Autoimmune Disorders: A Report of Two Cases. (Kilpatrick et al), 2014;59:591–595

U

Ultrasonography

Recurrent Duodenal Atresia: A Case Report. (Christofferson et al), 2014;59:512–514

Use and Value of Ultrasound in Diagnosing Cesarean Scar Pregnancy: A Report of Three Cases. (Buresch et al), 2014;59:517–521

Unexplained infertility

Effect of Luteal Phase Support with Vaginal Progesterone in Intrauterine Insemination Cycles with Regard to Follicular Response: A Prospective Randomized Study. (Seckin et al), 2014;59:260–266

Unilateral renal agenesis

Reproductive Outcome in Uterine Malformations With or Without an Associated Unilateral Renal Agenesis. (Acién et al), 2014;59:69–75

Unstimulated IVF

Follicular and Estradiol Parameters That Improve Success with Natural Cycle in Vitro

Fertilization. (DiMattina et al), 2014;59:267–273

Urethra

An Unusual-appearing Suburethral Diverticulum Resulting from Trauma: A Case Report. (Schneider et al), 2014;59:174–176

Urethral diverticulum

Periurethral Cystic Mass Misdiagnosed: A Case Report. (Woo et al), 2014;59:414–416

Urinary incontinence

Intraabdominal Pressure with Pelvic Floor Dysfunction: Do Postoperative Restrictions Make Sense? (Yamasato et al), 2014;59:409–413

Urinary tract

Reproductive Outcome in Uterine Malformations With or Without an Associated Unilateral Renal Agenesis. (Acién et al), 2014;59:69–75

USMLE scores

United States Medical Licensing Examination Scores as a Predictor of Performance on the Annual Council of Resident Education in Obstetrics and Gynecology Examinations. (Spellacy and Downes), 2014;59:17–19

Uterine arteriovenous malformation

Uterine Arteriovenous Malformation After Gestational Trophoblastic Disease: A Report of Two Cases. (Yela et al), 2014;59:417–420

Uterine artery embolization

Management of Cervical Ectopic Pregnancy with Uterine Artery Embolization: A Case Report. (Headley), 2014;59:425–428

Uterine Arteriovenous Malformation After Gestational Trophoblastic Disease: A Report of Two Cases. (Yela et al), 2014;59:417–420

Uterine atony

Postpartum Uterine Response to Oxytocin and Carbetocin. (Amsalem et al), 2014;59:167–173

Uterine cesarean section scar

Clear Cell Adenocarcinoma of the Abdominal Wall: A Case Report. (Heller et al), 2014;59:330–332

Uterine curettage

Clinical Response to a Second Uterine Curettage in Patients with Low-risk Gestational Trophoblastic Disease: A Pilot Study. (Yarandi et al), 2014;59:566–570

Uterine leiomyoma

Direct Injection of Vasopressin During Hysteroscopic Myomectomy: A Case Report. (Holloran-Schwartz), 2014;59:614–616

Uterine perforation

Perforated Levonorgestrel-releasing Intrauterine

System Resulting in Small Bowel Obstruction: A Case Report. (Loveless et al), 2014;59:611–613

Uterine preservation

Role of Vaginal Mesh Hysteropexy for the Management of Advanced Uterovaginal Prolapse. (Khandwala et al), 2014;59:371–378

Uterine prolapse

Role of Vaginal Mesh Hysteropexy for the Management of Advanced Uterovaginal Prolapse. (Khandwala et al), 2014;59:371–378

Uterine rupture

Association of Montevideo Units with Uterine Rupture in Women Undergoing a Trial of Labor. (Maggio et al), 2014;59:464–470

Uterus malformations

Reproductive Outcome in Uterine Malformations With or Without an Associated Unilateral Renal Agenesis. (Acién et al), 2014;59:69–75

V

Vaccination

Women's Health Providers as Vaccine Providers in Public Health Emergencies. (Otterloo et al), 2014;59:401–408

VACTERL syndrome

Recurrent Duodenal Atresia: A Case Report. (Christofferson et al), 2014;59:512–514

Vagina

Anterior Vaginal Introitoplasty for an Acquired Sensation of Wide Vagina: A Case Report and New Surgical Intervention. (Ostrzenski), 2014; 59:327–329

Vaginal birth after cesarean

Association of Montevideo Units with Uterine Rupture in Women Undergoing a Trial of Labor. (Maggio et al), 2014;59:464–470

Vaginal bleeding

Management of Etonogestrel Subdermal Implant-related Bleeding. (Casey et al), 2014;59: 306–312

Vaginal introital defects

Anterior Vaginal Introitoplasty for an Acquired Sensation of Wide Vagina: A Case Report and New Surgical Intervention. (Ostrzenski), 2014; 59:327–329

Vaginal introitoplasty

Anterior Vaginal Introitoplasty for an Acquired Sensation of Wide Vagina: A Case Report and New Surgical Intervention. (Ostrzenski), 2014; 59:327–329

Vaginal laceration

Obstetric Vulvar Lacerations and Postpartum Dyspareunia. (Ventolini et al), 2014;59:560–565

Vaginal mesh surgery

Role of Vaginal Mesh Hysteropexy for the Management of Advanced Uterovaginal Prolapse. (Khandwala et al), 2014;59:371–378

Vaginal progesterone

Does the Addition of Recombinant Luteinizing Hormone to Progesterone for Luteal Supplementation Improve IVF Outcomes in High-Responder Patients? A Preliminary Randomized Controlled Study. (Seckin et al), 2014;59: 321–326

Effect of Luteal Phase Support with Vaginal Progesterone in Intrauterine Insemination Cycles with Regard to Follicular Response: A Prospective Randomized Study. (Seckin et al), 2014;59: 260–266

Vaginal vault prolapse

Role of Vaginal Mesh Hysteropexy for the Management of Advanced Uterovaginal Prolapse. (Khandwala et al), 2014;59:371–378

Vascular anastomoses

Twin Anemia Polycythemia Sequence: A Report of Three Cases. (Casanova et al), 2014;59:596–598

Vasopressin

Direct Injection of Vasopressin During Hysteroscopic Myomectomy: A Case Report. (Holloran-Schwartz), 2014;59:614–616

VBAC

Association of Montevideo Units with Uterine Rupture in Women Undergoing a Trial of Labor. (Maggio et al), 2014;59:464–470

Vesicovaginal fistula

Pregnancy in a Patient with a Vesicouterorectal Fistula and Obliterated Vagina: A Case Report. (Harfouche et al), 2014;59:515–516

Vestibulectomy

Localized Provoked Vestibulodynia: Outcomes After Modified Vestibulectomy. (Swanson et al), 2014;59:121–126

Virilization

Hyperreactio Luteinalis in Pregnancy and Hyperandrogenism: A Case Report. (Baxi et al), 2014;59:509–511

A Rare Granulosa Cell Tumor Presentation with Virilization and Cystic Adnexal Mass on Three-dimensional Ultrasound: A Case Report. (Tanouye et al), 2014;59:421–424

Von Frey filaments

Assessing Severity of Pain in Women with Focal Provoked Vulvodynia: Are von Frey Filaments Suitable Devices? (Donders and Bellen), 2014; 59:134–138

Vulva

Localized Provoked Vestibulodynia: Outcomes After Modified Vestibulectomy. (Swanson et al), 2014;59:121–126

Vulvar dysesthesia localized in the vestibule

Localized Provoked Vestibulodynia: Outcomes After Modified Vestibulectomy. (Swanson et al), 2014;59:121–126

Vulvar lacerations

Obstetric Vulvar Lacerations and Postpartum Dyspareunia. (Ventolini et al), 2014;59:560–565

Vulvar pain

Localized Provoked Vestibulodynia: Outcomes After Modified Vestibulectomy. (Swanson et al), 2014;59:121–126

Vulvar vestibulitis syndrome

Assessing Severity of Pain in Women with Focal Provoked Vulvodynia: Are von Frey Filaments Suitable Devices? (Donders and Bellen), 2014; 59:134–138

Vulvodynia

Assessing Severity of Pain in Women with Focal

Provoked Vulvodynia: Are von Frey Filaments Suitable Devices? (Donders and Bellen), 2014; 59:134–138

Obstetric Vulvar Lacerations and Postpartum Dyspareunia. (Ventolini et al), 2014;59:560–565

Vulvoplasty

Obstetric Vulvar Lacerations and Postpartum Dyspareunia. (Ventolini et al), 2014;59:560–565

Vulvovaginal cyst

Periurethral Cystic Mass Misdiagnosed: A Case Report. (Woo et al), 2014;59:414–416

W**Weight loss surgery**

Promoting Preconception, Pregnancy, and Postpartum Care Following Bariatric Surgery: A Best Practice Planning Toolkit for Patients and Their Physicians. (Wax et al), 2014;59:585–590

Women's health

Women's Health Providers as Vaccine Providers in Public Health Emergencies. (Otterloo et al), 2014;59:401–408

Workplace relationships

Emotional Intelligence Characteristics in a Cohort of Faculty, Residents, and Medical Students. (Ogunyemi et al), 2014;59:279–284
