Subject Index

Volume 60, 2015

Contributor index on page 555.

A

Abdomen, acute
Wandering Spleen: A Case of Spontaneous Hemoperitoneum in an HIV-positive Patient with Recurrent Tuboovarian Abscess. (Singh et al), 2015;60:359–361

Abdominal pain
Ovarian Vein Thrombosis with Involvement of the Renal Vein After Cesarean Section: A Case Report. (Liu and Wen), 2015;60:269–272

Abdominoplasty
Panniculectomy at the Time of Cesarean Section and Postoperative Wound Complications in Morbidly Obese Women. (Fennimore et al), 2015;60:535–539

Abortifacient agents, non-steroidal
Uterine Scar Dehiscence Associated with Misoprostol Cervical Priming for Surgical Abortion: A Case Report. (Stitely et al), 2015;60:445–448

Abortion history
Maternal Abortion History and the Risk of Congenital Heart Defects: A Case-Control Study. (Li et al), 2015;60:236–242

Abortion techniques
Uterine Scar Dehiscence Associated with Misoprostol Cervical Priming for Surgical Abortion: A Case Report. (Stitely et al), 2015;60:445–448

Abortion, recurrent
Use of Gammaglobulin to Lower Elevated Natural Killer Cells in Patients with Recurrent Miscarriage. (Cohen et al), 2015;60:294–300

Access to health care
Emotional Impact of Reduced Access to Assisted Reproductive Care. (Tatpati et al), 2015;60:404–408

Acute respiratory distress syndrome
Airway Pressure Release Ventilation and Respiratory Failure During Pregnancy: A Report of Three Cases. (Folk et al), 2015;60:65–70

Adnexal mass
Xanthogranulomatous Oophoritis Presenting as an Adnexal Mass and Bowel Obstruction: A Case Report. (Son et al), 2015;60:273–276

Adolescent pregnancy
Birth Rates by Maternal Age in Greece: Background, Trends and Future Perspectives. (Vlachadis et al), 2015;60:183–184 (Letter)

Advanced tubal pregnancy
Third Trimester Tubal Pregnancy: A Case Report. (Hong et al), 2015;60:83–86

Age factors
Basal Follicle-Stimulating Hormone or Inhibin B Combined with Age as Predictors of Pregnancy After Treatment by Donor Sperm Insemination. (Huang et al), 2015;60:397–403

Agnostics

Airway pressure release ventilation
Airway Pressure Release Ventilation and Respiratory Failure During Pregnancy: A Report of Three Cases. (Folk et al), 2015;60:65–70

Amniocentesis
Blood Contaminated Amniotic Fluid and the Lamellar Body Count Fetal Lung Maturity Test. (Visconti et al), 2015;60:219–222

Anaplastic large cell lymphoma
Anasarca
Sclerosing Stromal Ovarian Tumor Combined with Early Onset Severe Preeclampsia: A Case Report. (Zhai et al), 2015;60:249–253

Anesthesia, obstetrical
Application of Ropivacaine and Levobupivacaine in Epidural Anesthesia for Gynecological Surgery. (Wang et al), 2015;60:491–494

Anovulation
Predictive Value of Elevated LH/FSH Ratio for Ovulation Induction in Patients with Polycystic Ovary Syndrome. (Woo et al), 2015;60:495–500

Anti-GBM disease
Reactivation of Goodpasture Disease During the Third Trimester of Pregnancy: A Case Report. (Friend et al), 2015;60:449–451

Anti-glomerular basement membrane disease
Reactivation of Goodpasture Disease During the Third Trimester of Pregnancy: A Case Report. (Friend et al), 2015;60:449–451

Antineoplastic combined chemotherapy protocols
Gestational Trophoblastic Neoplasia Metastasis to the Pituitary: A Case Report. (Ding et al), 2015;60:547–552

Anti–hypoosmotic swelling test
Investigation of Functional Sperm Membrane Integrity After Consequence of Anti–Hypoosmotic Swelling Test Technique: An Electron Microscopic Study. (Tutsi et al), 2015;60:141–148

Antral follicle count
Antral Follicle Count Is Increased in Obese Women Placed on Oral Contraceptive Pills. (Parker et al), 2015;60:155–159

Appendectomy
Is Laparoscopic Incidental Appendectomy in Gynecological Disease Related to Postoperative Intraabdominal Infection and Complications? (Hong et al), 2015;60:333–338

Appendectomy in pregnancy

APRV ventilation mode
Airway Pressure Release Ventilation and Respiratory Failure During Pregnancy: A Report of Three Cases. (Folk et al), 2015;60:65–70

ARDS, human
Airway Pressure Release Ventilation and Respiratory Failure During Pregnancy: A Report of Three Cases. (Folk et al), 2015;60:65–70

Artificial insemination
Basal Follicle-Stimulating Hormone or Inhibin B Combined with Age as Predictors of Pregnancy After Treatment by Donor Sperm Insemination. (Huang et al), 2015;60:397–403

Number of Intermediate Follicles: An Independent Risk Factor of Multiple Pregnancies in Intraterine Insemination Cycles with Recombinant Follicle-Stimulating Hormone. (Scalici et al), 2015;60:279–286

Ascites
Sclerosing Stromal Ovarian Tumor Combined with Early Onset Severe Preeclampsia: A Case Report. (Zhai et al), 2015;60:249–253

Asphyxia
Comparison of the Perinatal Outcome of Twins Conceived After Assisted Reproductive Technologies Versus Those Conceived Naturally. (Li et al), 2015;60:37–42

Assisted reproductive technologies
Analysis of the Screening Results for 3,564 Student Sperm Donors in Hubei Province, China. (Guan et al), 2015;60:409–414

Cabergoline for Reducing Ovarian Hyperstimulation Syndrome in Assisted Reproductive Technology Treatment Cycles: A Prospective Randomized Controlled Trial. (Amir et al), 2015;60:48–54

Comparison of the Perinatal Outcome of Twins Conceived After Assisted Reproductive Technologies Versus Those Conceived Naturally. (Li et al), 2015;60:37–42

Is Intracytoplasmic Sperm Injection Success Affected by the Testicular Histopathology in Nonobstructive Azoospermic Patients? (Sokmensuer et al), 2015;60:309–314

Number of Intermediate Follicles: An Independent Risk Factor of Multiple Pregnancies in Intraterine Insemination Cycles with Re-
combinant Follicle-Stimulating Hormone. (Scalici et al), 2015;60:279–286

Progesterone Support for Frozen Embryo Transfer Intramuscular Versus Vaginal Suppository Demonstrates No Difference in a Cohort. (Leonard et al), 2015;60:103–108

Bacterium
Is Laparoscopic Incidental Appendectomy in Gynecological Disease Related to Postoperative Intraabdominal Infection and Complications? (Hong et al), 2015;60:333–338

Bi-lobed umbilical cord

Bi-furcate umbilical cord insertion

Bilateral cervical artery embolization
Bleeding After Laparoscopic Supracervical Hysterectomy Managed with Cervical Artery Embolization: A Case Report. (Crawford et al), 2015;60:90–92

Birth defects

Maternal Abortion History and the Risk of Congenital Heart Defects: A Case-Control Study. (Li et al), 2015;60:236–242

Birth injuries
Comparison of the Perinatal Outcome of Twins Conceived After Assisted Reproductive Technologies Versus Those Conceived Naturally. (Li et al), 2015;60:37–42

Birth rate
Birth Rates by Maternal Age in Greece: Background, Trends and Future Perspectives. (Vlachadis et al), 2015;60:183–184 (Letter)

Birth weight, heavy metals
Distributions of Heavy Metals in Maternal and Cord Blood and the Association with Infant Birth Weight in China. (Hu et al), 2015;60:21–29

Bladder

Blood flow velocity
Research on Ovary Blood Flow Before and After Uterine Artery Embolization with the Application of Color Doppler Blood Imaging. (He and Yan), 2015;60:513–520

Blood glucose

Body mass index
Antral Follicle Count Is Increased in Obese Women Placed on Oral Contraceptive Pills. (Parker et al), 2015;60:155–159
Association Between Body Mass Index and Patient-Centered Outcomes After Hysterectomy. (Sangha et al), 2015;60:392–396

Bowel obstruction
Xanthogranulomatous Oophoritis Presenting as an Adnexal Mass and Bowel Obstruction: A Case Report. (Son et al), 2015;60:273–276

Breastfeeding
Text Messaging to Improve Preventive Health Attitudes and Behaviors During Pregnancy: A Prospective Cohort Analysis. (Moniz et al), 2015;60:378–382

Breech vaginal delivery

CA-125 antigen
Vaginal Swab Levels of CA125 Are Related to Time of Cycle in Ovulatory Women: A Pilot Study. (Usala et al), 2015;60:287–293

Cabergoline
Cabergoline for Reducing Ovarian Hyperstimulation Syndrome in Assisted Reproductive Technology Treatment Cycles: A Prospective Randomized Controlled Trial. (Amir et al), 2015;60:48–54

Cancer

Cancer chemotherapy protocols
Gestational Trophoblastic Neoplasia Metastasis
to the Pituitary: A Case Report. (Ding et al), 2015;60:547–552

**Cannabinoid hyperemesis syndrome**
Cannabinoid Hyperemesis Syndrome During Pregnancy: A Case Report. (Andrews and Bracero), 2015;60:430–432

**Cannabis**
Cannabinoid Hyperemesis Syndrome During Pregnancy: A Case Report. (Andrews and Bracero), 2015;60:430–432

**CD2 antigen**
Decline of Plasmacytoid Dendritic Cells and Their Subsets in Normal Pregnancy Are Related with Hormones. (Yang et al), 2015;60:423–429

**Cellulitis**
Effect of Single-Use Negative Pressure Wound Therapy on Postcesarean Infections and Wound Complications for High-Risk Patients. (Swift et al), 2015;60:211–218

**Cerclage of uterine cervix**
Does a History-Indicated Cerclage Affect Gestational Age at Delivery in Women with Evidence of Recurrent Cervical Insufficiency? (Ginsberg et al), 2015;60:389–391

**Cervical cancer**
Diminished Utilization of in Vitro Fertilization Following Ovarian Transposition in Cervical Cancer Patients. (Salih et al), 2015;60:345–353

Outcome of Nonpersonalized Human Papillomavirus Vaccinations During Postconization Follow-up: A Report of Two Cases. (Giannella et al), 2015;60:455–457

**Cervical length measurement**
Does a History-Indicated Cerclage Affect Gestational Age at Delivery in Women with Evidence of Recurrent Cervical Insufficiency? (Ginsberg et al), 2015;60:389–391

**Cervical pregnancy**

**Cervix**
Does a History-Indicated Cerclage Affect Gestational Age at Delivery in Women with Evidence of Recurrent Cervical Insufficiency? (Ginsberg et al), 2015;60:389–391

**Cervix mucus**
Vaginal Swab Levels of CA125 Are Related to Time of Cycle in Ovulatory Women: A Pilot Study. (Usala et al), 2015;60:287–293

**Cervix uteri**
Does a History-Indicated Cerclage Affect Gestational Age at Delivery in Women with Evidence of Recurrent Cervical Insufficiency? (Ginsberg et al), 2015;60:389–391

**Cesarean scar pregnancy**

**Cesarean section**

Effect of Single-Use Negative Pressure Wound Therapy on Postcesarean Infections and Wound Complications for High-Risk Patients. (Swift et al), 2015;60:211–218

Ovarian Vein Thrombosis with Involvement of the Renal Vein After Cesarean Section: A Case Report. (Liu and Wen), 2015;60:269–272

Panniculectomy at the Time of Cesarean Section and Postoperative Wound Complications in Morbidly Obese Women. (Fennimore et al), 2015;60:535–539

Which Factors Influence the Type of Delivery and Cesarean Section Rate in Women with Gestational Diabetes? (Inocêncio et al), 2015;60:529–534
Chemotherapy

Childhood obesity
Institute of Medicine Guidelines for Appropriate Pregnancy Weight Gain for Obese Women May Be Too High. (Mehta et al), 2015;60:324–328

Chlamydia
Screening for Chlamydia and Gonorrhea Cervicitis and Implications for Pregnancy Outcome: Are We Testing and Treating at the Right Time? (Hill et al), 2015;60:117–126

Chromosome 6
Imprinted Genes on Chromosome 6 Are Unlike- ly to Cause Hydatidiform Mole: A Report of Two Cases. (Scholz et al), 2015;60:261–264

Chronic pain

CIN 2-3

Clitoral hoodoplasty
Clitoral Prepuciplasty with Anterior Commissure Transposition: A Case Report and Description of a New, Minimally Invasive Surgical Technique. (Ostrzenski), 2015;60:178–182

Clitoral prepuce reconstruction
Clitoral Prepuciplasty with Anterior Commissure Transposition: A Case Report and Description of a New, Minimally Invasive Surgical Technique. (Ostrzenski), 2015;60:178–182

Clomid
Predictive Value of Elevated LH/FSH Ratio for Ovulation Induction in Patients with Polycystic Ovary Syndrome. (Woo et al), 2015;60:495–500

Clomiphene citrate
Predictive Value of Elevated LH/FSH Ratio for Ovulation Induction in Patients with Polycystic Ovary Syndrome. (Woo et al), 2015;60:495–500

Color Doppler ultrasonography
Research on Ovary Blood Flow Before and After Uterine Artery Embolization with the Application of Color Doppler Blood Imaging. (He and Yan), 2015;60:513–520

Condoms
Text Messaging to Improve Preventive Health Attitudes and Behaviors During Pregnancy: A Prospective Cohort Analysis. (Moniz et al), 2015;60:378–382

Congenital abnormalities

Congenital defects

Contraceptive devices, intrauterine

Continuous positive airway pressure
Airway Pressure Release Ventilation and Respiratory Failure During Pregnancy: A Report of Three Cases. (Folk et al), 2015;60:65–70

Controlled ovarian hyperstimulation
Estradiol and Antagonist Pretreatment Prior to Microdose Leuprolide in in Vitro Fertilization: Does It Improve IVF Outcomes in Poor Responders as Compared to Oral Contra- ceptive Pill? (Ellassar et al), 2015;60:199–204

Coping
Coping with the Stress of Infertility: Males Versus Females. (Özkan et al), 2015;60:339–344

Cornual ectopic pregnancy

Cornuostomy

Cosmetic gynecology
Clitoral Prepuciplasty with Anterior Commissure Transposition: A Case Report and Description of a New, Minimally Invasive Surgical Technique. (Ostrzenski), 2015;60:178–182

Cryoaablation
Complications Following Extended Freeze Endometrial Cryoaablation in Uteri with Previous Uterine Incisions: A Case Report. (Martin et al), 2015;60:540–542

Cryoenodometrial ablation
Complications Following Extended Freeze Endometrial Cryoaablation in Uteri with Previous Uterine Incisions: A Case Report. (Martin et al), 2015;60:540–542

Cryopreservation
Fertility Preservation Through Oocyte Cryopreservation in a Patient with Ovarian Dysgerminocarcinoma: A Case Report. (Brezina et al), 2015;60:441–444

D&C

Cyst
Massive Subchorionic Placental Cyst and Poor Fetal Growth: A Case Report. (Boulis et al), 2015;60:458–460

Cytochemistry
Further Evidence Supporting the Diff-Quik Stain for Sperm Chromatin Integrity Testing. (Edwards et al), 2015;60:6–12

D
Dapomycin

D-loop protein, synthetic
Mitochondrial D-loop Variations in Infertile Women Undergoing In Vitro Fertilization–Embryo Transfer. (Lin et al), 2015;60:383–388

Dendritic cells
Decline of Plasmacytoid Dendritic Cells and Their Subsets in Normal Pregnancy Are Related with Hormones. (Yang et al), 2015;60:423–429

Dermoid cyst
Transvaginal Versus Conventional Laparoscopy for Ovarian Dermoid Cysts: A Matched Cohort Study. (Shim et al), 2015;60:521–528

Diabetes complications
Which Factors Influence the Type of Delivery and Cesarean Section Rate in Women with Gestational Diabetes? (Inocêncio et al), 2015;60:529–534

Diabetes mellitus

Diagnosis

Dicephalus dipus dibrachius
Diff-Quik stain
Further Evidence Supporting the Diff-Quik Stain for Sperm Chromatin Integrity Testing. (Edwards et al), 2015;60:6–12

Dilatation & curettage

Dilation and evacuation

Displaced spleen
Wandering Spleen: A Case of Spontaneous Hemoperitoneum in an HIV-positive Patient with Recurrent Tuboovarian Abscess. (Singh et al), 2015;60:359–361

DNA chromatin
Further Evidence Supporting the Diff-Quik Stain for Sperm Chromatin Integrity Testing. (Edwards et al), 2015;60:6–12

Dopamine agonist
Cabergoline for Reducing Ovarian Hyperstimulation Syndrome in Assisted Reproductive Technology Treatment Cycles: A Prospective Randomized Controlled Trial. (Amir et al), 2015;60:48–54

Dorsal perineal membrane
Modified Posterior Perineoplasty in Women. (Ostrzenski), 2015;60:109–116

Duplex placenta

Duplex umbilical cord

Dysgerminoma
Fertility Preservation Through Oocyte Cryopreservation in a Patient with Ovarian Dysgerminocarcinoma: A Case Report. (Brezina et al), 2015;60:441–444

Dysuria
Sclerosing Stromal Ovarian Tumor Combined with Early Onset Severe Preeclampsia: A Case Report. (Zhai et al), 2015;60:249–253

E2 level
Number of Intermediate Follicles: An Independent Risk Factor of Multiple Pregnancies in Intrauterine Insemination Cycles with Recombinant Follicle-Stimulating Hormone. (Scalici et al), 2015;60:279–286

Ectopic pregnancy
Cervical Ectopic Pregnancy: Persistence Despite a Serologically Negative β-hCG: A Case Report. (Tien and Yamamura), 2015;60:257–260
Third Trimester Tubal Pregnancy: A Case Report. (Hong et al), 2015;60:83–86

Editorial
A Note from the Editor-in-Chief. (Devoe), 2015;60:1–2
A Note from the Editor-in-Chief. (Devoe), 2015;60:93–94
A Note from the Editor-in-Chief. (Devoe), 2015;60:185–186
A Note from the Editor-in-Chief. (Devoe), 2015;60:277–278
A Note from the Editor-in-Chief. (Devoe), 2015;60:369–370
A Note from the Editor-in-Chief. (Devoe), 2015;60:461–462

Electronic medical records
Obstetrician/Gynecologists’ Experiences with Electronic Health Record Systems: A Narrative Study. (Raglan et al), 2015;60:95–102

EMA-EP protocol
Gestational Trophoblastic Neoplasia Metastasis to the Pituitary: A Case Report. (Ding et al), 2015;60:547–552

Embolization
Bleeding After Laparoscopic Supracervical Hysterectomy Managed with Cervical Artery Embolization: A Case Report. (Crawford et al), 2015;60:90–92

Embryo loss
Use of Gammaglobulin to Lower Elevated Natural Killer Cells in Patients with Recurrent Miscarriage. (Cohen et al), 2015;60:294–300

Embryo transfer
Heterotopic Gestation with Twin Intrauterine Implantation Following Transfer of Three Developmentally-delayed Embryos from Cryopreserved Oocytes: A Case Report. (Goldman et al), 2015;60:436–440

**Embryogenesis**

Heterotopic Gestation with Twin Intrauterine Implantation Following Transfer of Three Developmentally-delayed Embryos from Cryopreserved Oocytes: A Case Report. (Goldman et al), 2015;60:436–440

**Embryology**

**Embryonic and fetal development**

**Emotional stress**

Emotional Impact of Reduced Access to Assisted Reproductive Care. (Tatpati et al), 2015;60:404–408

**Emphyema**

**Encephalocele**

Basal Transethmoidal Encephalocele and Malignant Hypertension in a Parturient with a Seizure Disorder: A Case Report. (Yee et al), 2015;60:55–57

**Endometrial ablation techniques**

Development of an Endometrial Ablation Model in New Zealand White Rabbits. (AlHilli et al), 2015;60:315–323

**Endometrial cancer**

Comparison of Two Minimally Invasive Approaches to Endometrial Cancer Staging: A Single-Surgeon Experience. (Frey et al), 2015;60:127–134

Development of an Endometrial Ablation Model in New Zealand White Rabbits. (AlHilli et al), 2015;60:315–323

**Endometrial cavity**

Ultrasound Evaluation of the Postpartum Endometrial Cavity. (Fuller and Feldman), 2015;60:3–5

**Endometrial diseases**

Clinical Significance of Pyometra. (Lui et al), 2015;60:329–332

**Endometrial neoplasms**

**Endometrial stromal sarcoma**

**Endometriosis**

**Endometritis**

Effect of Single-Use Negative Pressure Wound Therapy on Postcesarean Infections and Wound Complications for High-Risk Patients. (Swift et al), 2015;60:211–218

**Endomyometritis**

Effect of Single-Use Negative Pressure Wound Therapy on Postcesarean Infections and Wound Complications for High-Risk Patients. (Swift et al), 2015;60:211–218

**Environmental pollution**

Distributions of Heavy Metals in Maternal and Cord Blood and the Association with Infant Birth Weight in China. (Hu et al), 2015;60:21–29

**Epidemiology**

Prevalence and Risk Factors of Infertility for Han, Uygur, and Kazakh Ethnicities in Xinjiang Rural Residents. (Zhao et al), 2015;60:415–422

**Epidural anesthesia**

Application of Ropivacaine and Levobupivacaine in Epidural Anesthesia for Gynecological Surgery. (Wang et al), 2015;60:491–494

**Essure**

Vaginoscopy Compared to Traditional Hysteroscopy for Hysteroscopic Sterilization: A Randomized Trial. (Chapa and Venegas), 2015;60:43–47

**Estradiol**

Estradiol and Antagonist Pretreatment Prior to Microdose Leuprolide in in Vitro Fertilization: Does It Improve IVF Outcomes in Poor Responders as Compared to Oral Contraceptive Pill? (Elassar et al), 2015;60:199–204

Number of Intermediate Follicles: An Independent Risk Factor of Multiple Pregnancies in Intrauterine Insemination Cycles with Recombinant Follicle-Stimulating Hormone. (Scalici et al), 2015;60:279–286

**Event history analysis**
Emotional Impact of Reduced Access to Assisted Reproductive Care. (Tatpati et al), 2015;60:404–408

**Experimental animal models**
Development of an Endometrial Ablation Model in New Zealand White Rabbits. (AlHilli et al), 2015;60:315–323

**Extended freeze endometrial cryoaulation**
Complications Following Extended Freeze Endometrial Cryoaulation in Uteri with Previous Uterine Incisions: A Case Report. (Martin et al), 2015;60:540–542

**Fallopian tube reanastomosis**
Fertility Outcome in Laparoscopic Single Tube Reanastomosis. (Paul et al), 2015;60:30–36

**Fecal frequency**
Imperforate Hymen Presenting with Fecal Frequency and Use of Stay Sutures at Time of Hymenectomy: A Case Report. (Greene et al), 2015;60:71–74

**Fecal incontinence**
Do Obstetrical Providers Counsel Women About Postpartum Pelvic Floor Dysfunction? (Dessie et al), 2015;60:205–210

**Fellowships**
Global Health Interest Among Female Pelvic Medicine and Reconstructive Surgery Fellows. (Mishra et al), 2015;60:501–506

**Female genital tract**
Xanthogranulomatous Oophoritis Presenting as an Adnexal Mass and Bowel Obstruction: A Case Report. (Son et al), 2015;60:273–276

**Female pelvic medicine and reconstructive surgery**
Global Health Interest Among Female Pelvic Medicine and Reconstructive Surgery Fellows. (Mishra et al), 2015;60:501–506

**Female sterilization**
Vaginoscopy Compared to Traditional Hysteroscopy for Hysteroscopic Sterilization: A Randomized Trial. (Chapa and Venegas), 2015;60:43–47

**Fertility**
Reproductive Outcomes in Women Following Radiofrequency Volumetric Thermal Ablation of Symptomatic Fibroids: A Retrospective Case Series Analysis. (Berman et al), 2015;60:194–198

Vaginal Swab Levels of CA125 Are Related to Time of Cycle in Ovulatory Women: A Pilot Study. (Usala et al), 2015;60:287–293

**Fertility preservation**
Diminished Utilization of in Vitro Fertilization Following Ovarian Transposition in Cervical Cancer Patients. (Salih et al), 2015;60:345–353

Fertility Preservation Through Oocyte Cryopreservation in a Patient with Ovarian Dysgerminocarcinoma: A Case Report. (Brezina et al), 2015;60:441–444

**Fertilization**

**Fetal anomalies**

**Fetal death**

Use of Gammaglobulin to Lower Elevated Natural Killer Cells in Patients with Recurrent Miscarriage. (Cohen et al), 2015;60:294–300

**Fetal growth restriction**
Massive Subchorionic Placental Cyst and Poor Fetal Growth: A Case Report. (Boulis et al), 2015;60:458–460

**Fetal lung maturity testing**
Blood Contaminated Amniotic Fluid and the Lamellar Body Count Fetal Lung Maturity Test. (Visconti et al), 2015;60:219–222

**Fetal malpresentation**
Rupture of the Maternal Renal Calyx Secondary...
to Fetal Malpresentation: A Case Report. (Patel and Pates), 2015;60:175–177

**Fetal monitoring**

**Fetus**

Sclerosing Stromal Ovarian Tumor Combined with Early Onset Severe Preeclampsia: A Case Report. (Zhai et al), 2015;60:249–253

**Fibroids, uterine**

Reproductive Outcomes in Women Following Radiofrequency Volumetric Thermal Ablation of Symptomatic Fibroids: A Retrospective Case Series Analysis. (Berman et al), 2015;60:194–198

**Floating spleen**

Wandering Spleen: A Case of Spontaneous Hemoperitoneum in an HIV-positive Patient with Recurrent Tuboovarian Abscess. (Singh et al), 2015;60:359–361

**Flu vaccines**

Impact of Video Education on Influenza Vaccination in Pregnancy. (Goodman et al), 2015;60:471–479

**Follicle-stimulating hormone**

Basal Follicle-Stimulating Hormone or Inhibin B Combined with Age as Predictors of Pregnancy After Treatment by Donor Sperm Insemination. (Huang et al), 2015;60:397–403

Number of Intermediate Follicles: An Independent Risk Factor of Multiple Pregnancy in Intruterine Insemination Cycles with Recombinant Follicle-Stimulating Hormone. (Scalici et al), 2015;60:279–286

**Follicles**

Number of Intermediate Follicles: An Independent Risk Factor of Multiple Pregnancy in Intruterine Insemination Cycles with Recombinant Follicle-Stimulating Hormone. (Scalici et al), 2015;60:279–286

**Follow up**

**Frozen embryo transfer**

Progesterone Support for Frozen Embryo Transfer Intramuscular Versus Vaginal Suppository Demonstrates No Difference in a Cohort. (Leonard et al), 2015;60:103–108

**FSH (follicle-stimulating hormone)**

Basal Follicle-Stimulating Hormone or Inhibin B Combined with Age as Predictors of Pregnancy After Treatment by Donor Sperm Insemination. (Huang et al), 2015;60:397–403

**Furcate umbilical cord**

Predictive Value of Elevated LH/FSH Ratio for Ovulation Induction in Patients with Polycystic Ovary Syndrome. (Woo et al), 2015;60:495–500

**G**

**Ganglioneuroma**

**Gastrointestinal mass**

**Gender**

Coping with the Stress of Infertility: Males Versus Females. (Özkan et al), 2015;60:339–344

**Genitourinary malignancies**

**Gestation**

Decline of Plasmacytoid Dendritic Cells and Their Subsets in Normal Pregnancy Are Related with Hormones. (Yang et al), 2015;60:423–429

**Gestational diabetes**

Which Factors Influence the Type of Delivery and Cesarean Section Rate in Women with Gestational Diabetes? (Inocêncio et al), 2015;60:529–534

**Gestational hypertension**

Basal Transethmoidal Encephalocele and Malignant Hypertension in a Parturient with a Seizure Disorder: A Case Report. (Yee et al), 2015;60:55–57

**Gestational trophoblastic neoplasia**

Gestational Trophoblastic Neoplasia Metastasis to the Pituitary: A Case Report. (Ding et al), 2015;60:547–552

Global health
Global Health Interest Among Female Pelvic Medicine and Reconstructive Surgery Fellows. (Mishra et al), 2015;60:501–506

Glucose intolerance

Glucose tolerance test

GnRH

GnRH antagonist
Estradiol and Antagonist Pretreatment Prior to Microdose Leuprolide in in Vitro Fertilization: Does It Improve IVF Outcomes in Poor Responders as Compared to Oral Contraceptive Pill? (Ellassar et al), 2015;60:199–204

Gonadotropin-releasing hormone

Gonorrhea
Screening for Chlamydia and Gonorrhea Cervicitis and Implications for Pregnancy Outcome: Are We Testing and Treating at the Right Time? (Hill et al), 2015;60:301–308

Goodpasture syndrome
Reactivation of Goodpasture Disease During the Third Trimester of Pregnancy: A Case Report. (Friend et al), 2015;60:449–451

Greece
Birth Rates by Maternal Age in Greece: Background, Trends and Future Perspectives. (Vlachadis et al), 2015;60:183–184 (Letter)

Gynecologic surgery
Application of Ropivacaine and Levobupivacaine in Epidural Anesthesia for Gynecological Surgery. (Wang et al), 2015;60:491–494
Bleeding After Laparoscopic Supracervical Hysterectomy Managed with Cervical Artery Embolization: A Case Report. (Crawford et al), 2015;60:90–92
Delayed Presentation of a Paracytic Myoma Fragment After Laparoscopic Supracervical Hysterectomy Requiring Small Bowel Resection: A Case Report. (Holloran-Schwartz et al), 2015;60:75–77
Global Health Interest Among Female Pelvic Medicine and Reconstructive Surgery Fellows. (Mishra et al), 2015;60:501–506
Vaginoscopy Compared to Traditional Hysteroscopy for Hysteroscopic Sterilization: A Randomized Trial. (Chapa and Venegas), 2015;60:43–47

Gynecologic surgery procedures
Application of Ropivacaine and Levobupivacaine in Epidural Anesthesia for Gynecological Surgery. (Wang et al), 2015;60:491–494
Delayed Presentation of a Paracytic Myoma Fragment After Laparoscopic Supracervical Hysterectomy Requiring Small Bowel Resection: A Case Report. (Holloran-Schwartz et al), 2015;60:75–77

Gynecologic malignancies
Clinical Significance of Pyometra. (Lui et al), 2015;60:329–332

Habitual abortion
Does a History-Indicated Cerclage Affect Gestational Age at Delivery in Women with Evidence of Recurrent Cervical Insufficiency? (Ginsberg et al), 2015;60:389–391

HCG
B152 Anti-hyperglycosylated Human Chorionic Gonadotropin Free b-Subunit: A New, Possible Treatment for Cancer. (Cole and Butler), 2015;60:13–20

Health campaigns
Text Messaging to Improve Preventive Health Attitudes and Behaviors During Pregnancy: A Prospective Cohort Analysis. (Moniz et al), 2015;60:378–382

Health care seeking behavior

Health education
Impact of Video Education on Influenza Vaccination in Pregnancy. (Goodman et al), 2015;60:471–479
Health facility closures
Emotional Impact of Reduced Access to Assisted Reproductive Care. (Tatpati et al), 2015;60:404–408

Health promotion
Text Messaging to Improve Preventive Health Attitudes and Behaviors During Pregnancy: A Prospective Cohort Analysis. (Moniz et al), 2015;60:378–382

Health services accessibility
Emotional Impact of Reduced Access to Assisted Reproductive Care. (Tatpati et al), 2015;60:404–408

Health training
Global Health Interest Among Female Pelvic Medicine and Reconstructive Surgery Fellows. (Mishra et al), 2015;60:501–506

Heavy metal poisoning
Distributions of Heavy Metals in Maternal and Cord Blood and the Association with Infant Birth Weight in China. (Hu et al), 2015;60:21–29

Hemodynamics, ultrasonography, Doppler, color
Research on Ovary Blood Flow Before and After Uterine Artery Embolization with the Application of Color Doppler Blood Imaging. (He and Yan), 2015;60:513–520

Hirsutism
Sclerosing Stromal Ovarian Tumor Combined with Early Onset Severe Preeclampsia: A Case Report. (Zhai et al), 2015;60:249–253

Histopathology
Is Intracytoplasmic Sperm Injection Success Affected by the Testicular Histopathology in Nonobstructive Azoospermic Patients? (Sokmensuer et al), 2015;60:309–314

Hormone receptor agonists
Decline of Plasmacytoid Dendritic Cells and Their Subsets in Normal Pregnancy Are Related with Hormones. (Yang et al), 2015;60:423–429

HPV vaccines
Outcome of Nonpersonalized Human Papillomavirus Vaccinations During Postconization Follow-up: A Report of Two Cases. (Giannella et al), 2015;60:455–457

Hydatidiform mole
Imprinted Genes on Chromosome 6 Are Unlike-ly to Cause Hydatidiform Mole: A Report of Two Cases. (Scholz et al), 2015;60:261–264

Hymenectomy
Imperforate Hymen Presenting with Fecal Frequency and Use of Stay Sutures at Time of Hymenectomy: A Case Report. (Greene et al), 2015;60:71–74

Hysterectomy
Association Between Body Mass Index and Patient-Centered Outcomes After Hysterectomy. (Sangha et al), 2015;60:392–396
Bleeding After Laparoscopic Supracervical Hysterectomy Managed with Cervical Artery Embolization: A Case Report. (Crawford et al), 2015;60:90–92
Delayed Presentation of a Paracystic Myoma Fragment After Laparoscopic Supracervical Hysterectomy Requiring Small Bowel Resec-
Hysteroscopic sterilization
Vaginoscopy Compared to Traditional Hysteroscopy for Hysteroscopic Sterilization: A Randomized Trial. (Chapa and Venegas), 2015;60:43–47

Hysteroscopy

Imprinted genes
Imprinted Genes on Chromosome 6 Are Unlikely to Cause Hydatidiform Mole: A Report of Two Cases. (Scholz et al), 2015;60:261–264

Induced abortion
Maternal Abortion History and the Risk of Congenital Heart Defects: A Case-Control Study. (Li et al), 2015;60:236–242

Induced labor
Uterine Scar Dehiscence Associated with Misoprostol Cervical Priming for Surgical Abortion: A Case Report. (Stitely et al), 2015;60:445–448

Infant, newborn
Comparison of the Perinatal Outcome of Twins Conceived After Assisted Reproductive Technologies Versus Those Conceived Naturally. (Li et al), 2015;60:37–42

Infertility
Antral Follicle Count Is Increased in Obese Women Placed on Oral Contraceptive Pills. (Parker et al), 2015;60:155–159

In vitro fertilization
Antral Follicle Count Is Increased in Obese Women Placed on Oral Contraceptive Pills. (Parker et al), 2015;60:155–159

In vitro intracytoplasmic sperm injection

Incompetent cervix
Does a History-Indicated Cerclage Affect Gestational Age at Delivery in Women with Evidence of Recurrent Cervical Insufficiency? (Ginsberg et al), 2015;60:389–391

Incontinence
Do Obstetrical Providers Counsel Women About Postpartum Pelvic Floor Dysfunction? (Dessie et al), 2015;60:205–210

Indigent

Incompetent cervix
Does a History-Indicated Cerclage Affect Gestational Age at Delivery in Women with Evidence of Recurrent Cervical Insufficiency? (Ginsberg et al), 2015;60:389–391

Incontinence
Do Obstetrical Providers Counsel Women About Postpartum Pelvic Floor Dysfunction? (Dessie et al), 2015;60:205–210

Indigent

Induced abortion
Maternal Abortion History and the Risk of Congenital Heart Defects: A Case-Control Study. (Li et al), 2015;60:236–242

Uterine Scar Dehiscence Associated with Misoprostol Cervical Priming for Surgical Abortion: A Case Report. (Stitely et al), 2015;60:445–448

Induced labor
Uterine Scar Dehiscence Associated with Misoprostol Cervical Priming for Surgical Abortion: A Case Report. (Stitely et al), 2015;60:445–448

Infant, newborn
Comparison of the Perinatal Outcome of Twins Conceived After Assisted Reproductive Technologies Versus Those Conceived Naturally. (Li et al), 2015;60:37–42

Distributions of Heavy Metals in Maternal and Cord Blood and the Association with Infant Birth Weight in China. (Hu et al), 2015;60:21–29

Infertility
Antral Follicle Count Is Increased in Obese Women Placed on Oral Contraceptive Pills. (Parker et al), 2015;60:155–159

Coping with the Stress of Infertility: Males Versus Females. (Özkan et al), 2015;60:339–344

Emotional Impact of Reduced Access to Assisted...
Reproductive Care. (Tatpati et al), 2015;60:404–408
Evaluation of Sperm DNA Damage in Men from Infertile Saudi Couples. (Binsaleh et al), 2015;60:135–140
Further Evidence Supporting the Diff-Quik Stain for Sperm Chromatin Integrity Testing. (Edwards et al), 2015;60:6–12
Investigation of Functional Sperm Membrane Integrity After Consequence of Anti-Hypoosmotic Swelling Test Technique: An Electron Microscopic Study. (Tutsi et al), 2015;60:141–148
Predictive Value of Elevated LH/FSH Ratio for Ovulation Induction in Patients with Polycystic Ovary Syndrome. (Woo et al), 2015;60:495–500
Prevalence and Risk Factors of Infertility for Han, Uygur, and Kazakh Ethnicities in Xinjiang Rural Residents. (Zhao et al), 2015;60:415–422
Progesterone Support for Frozen Embryo Transfer Intramuscular Versus Vaginal Suppository Demonstrates No Difference in a Cohort. (Leonard et al), 2015;60:103–108
Sclerosing Stromal Ovarian Tumor Combined with Early Onset Severe Preeclampsia: A Case Report. (Zhai et al), 2015;60:249–253
Influenza vaccine
Impact of Video Education on Influenza Vaccination in Pregnancy. (Goodman et al), 2015;60:471–479
Inhibin B
Basal Follicle-Stimulating Hormone or Inhibin B Combined with Age as Predictors of Pregnancy After Treatment by Donor Sperm Insemination. (Huang et al), 2015;60:397–403
Insulin resistance
Insulin sensitivity
International health problems
Global Health Interest Among Female Pelvic Medicine and Reconstructive Surgery Fellows. (Mishra et al), 2015;60:501–506
Intracytoplasmic sperm injection
Further Evidence Supporting the Diff-Quik Stain for Sperm Chromatin Integrity Testing. (Edwards et al), 2015;60:6–12
Is Intracytoplasmic Sperm Injection Success Affected by the Testicular Histopathology in Nonobstructive Azoospermic Patients? (Sokmensuer et al), 2015;60:309–314
Investigation of Functional Sperm Membrane Integrity After Consequence of Anti-Hypoosmotic Swelling Test Technique: An Electron Microscopic Study. (Tutsi et al), 2015;60:141–148
Intrauterine devices
Xanthogranulomatous Oophoritis Presenting as an Adnexal Mass and Bowel Obstruction: A Case Report. (Son et al), 2015;60:273–276
Intrauterine growth retardation
Distributions of Heavy Metals in Maternal and Cord Blood and the Association with Infant Birth Weight in China. (Hu et al), 2015;60:21–29
Intrauterine insemination
Number of Intermediate Follicles: An Independent Risk Factor of Multiple Pregnancies in Intrauterine Insemination Cycles with Recombinant Follicle-Stimulating Hormone. (Scalici et al), 2015;60:279–286
Intravenous immunoglobulins
Use of Gammaglobulin to Lower Elevated Natural Killer Cells in Patients with Recurrent Miscarriage. (Cohen et al), 2015;60:294–300
IVF
Antral Follicle Count Is Increased in Obese Women Placed on Oral Contraceptive Pills. (Parker et al), 2015;60:155–159
Further Evidence Supporting the Diff-Quik Stain for Sperm Chromatin Integrity Testing. (Edwards et al), 2015;60:6–12
IVIG
Use of Gammaglobulin to Lower Elevated Natural Killer Cells in Patients with Recurrent Miscarriage. (Cohen et al), 2015;60:294–300
sure Transposition: A Case Report and Description of a New, Minimally Invasive Surgical Technique. (Ostrzenski), 2015;60:178–182

**Labor presentation, breech**

**Lamellar body count**
Blood Contaminated Amniotic Fluid and the Lamellar Body Count Fetal Lung Maturity Test. (Visconti et al), 2015;60:219–222

**Laparoscopic supracervical hysterectomy**
Bleeding After Laparoscopic Supracervical Hysterectomy Managed with Cervical Artery Embolization: A Case Report. (Crawford et al), 2015;60:90–92

**Laparoscopic surgical procedure**
Comparison of Two Minimally Invasive Approaches to Endometrial Cancer Staging: A Single-Surgeon Experience. (Frey et al), 2015;60:127–134

**Laparoscopic surgical procedures**
Delayed Presentation of a Paracytic Myoma Fragment After Laparoscopic Supracervical Hysterectomy Requiring Small Bowel Resection: A Case Report. (Holloran-Schwartz et al), 2015;60:75–77

**Laparoscopy**
Comparison of Two Minimally Invasive Approaches to Endometrial Cancer Staging: A Single-Surgeon Experience. (Frey et al), 2015;60:127–134

Is Laparoscopic Incidental Appendectomy in Gynecological Disease Related to Postoperative Intraabdominal Infection and Complications? (Hong et al), 2015;60:333–338

Transvaginal Versus Conventional Laparoscopy for Ovarian Dermoid Cysts: A Matched Cohort Study. (Shim et al), 2015;60:521–528

**Laparotomy**

**LEEP**
Outcome of Nonpersonalized Human Papillomavirus Vaccinations During Postconization Follow-up: A Report of Two Cases. (Giannella et al), 2015;60:455–457

**Letrozole**
Predictive Value of Elevated LH/FSH Ratio for Ovulation Induction in Patients with Polycystic Ovary Syndrome. (Woo et al), 2015;60:495–500

**Leuprolide**
Estradiol and Antagonist Pretreatment Prior to Microdose Leuprolide in in Vitro Fertilization: Does It Improve IVF Outcomes in Poor Responders as Compared to Oral Contraceptive Pill? (Elasari et al), 2015;60:199–204

**Levobupivacaine**
Application of Ropivacaine and Levobupivacaine in Epidural Anesthesia for Gynecological Surgery. (Wang et al), 2015;60:491–494

**LH**
Predictive Value of Elevated LH/FSH Ratio for Ovulation Induction in Patients with Polycystic Ovary Syndrome. (Woo et al), 2015;60:495–500

**LH/FSH ratio**
Predictive Value of Elevated LH/FSH Ratio for Ovulation Induction in Patients with Polycystic Ovary Syndrome. (Woo et al), 2015;60:495–500

**Life stress**
Emotional Impact of Reduced Access to Assisted Reproductive Care. (Tatpati et al), 2015;60:404–408

**Live birth**

**Loop electro surgical excision procedure**
Outcome of Nonpersonalized Human Papillomavirus Vaccinations During Postconization Follow-up: A Report of Two Cases. (Giannella et al), 2015;60:455–457

**Low back pain**
Ovarian Vein Thrombosis with Involvement of the Renal Vein After Cesarean Section: A Case Report. (Li and Wen), 2015;60:269–272

**Lupron**
Estradiol and Antagonist Pretreatment Prior to Microdose Leuprolide in in Vitro Fertilization: Does It Improve IVF Outcomes in Poor Responders as Compared to Oral Contraceptive Pill? (Elasari et al), 2015;60:199–204
Luteal estradiol
Estradiol and Antagonist Pretreatment Prior to Microdose Leuprolide in In Vitro Fertilization: Does It Improve IVF Outcomes in Poor Responders as Compared to Oral Contraceptive Pill? (Ellassar et al), 2015;60:199–204

Luteal phase support
Progesterone Support for Frozen Embryo Transfer Intramuscular Versus Vaginal Suppository Demonstrates No Difference in a Cohort. (Leonard et al), 2015;60:103–108

Lymphoma

Male factor
Evaluation of Sperm DNA Damage in Men from Infertile Saudi Couples. (Binsaleh et al), 2015;60:135–140

Malignancy

Marijuana
Cannabinoide Hyperemesis Syndrome During Pregnancy: A Case Report. (Andrews and Bracero), 2015;60:430–432

Maternal age
Birth Rates by Maternal Age in Greece: Background, Trends and Future Perspectives. (Vlachadis et al), 2015;60:183–184 (Letter)

Maternal exposure
Distributions of Heavy Metals in Maternal and Cord Blood and the Association with Infant Birth Weight in China. (Hu et al), 2015;60:21–29

Maternal infections

Maternal nutrition physiology

Maternal obesity
Institute of Medicine Guidelines for Appropriate Pregnancy Weight Gain for Obese Women May Be Too High. (Mehta et al), 2015;60:324–328

Maternal-fetal exchange
Distributions of Heavy Metals in Maternal and Cord Blood and the Association with Infant Birth Weight in China. (Hu et al), 2015;60:21–29

Mechanical ventilation
Airway Pressure Release Ventilation and Respiratory Failure During Pregnancy: A Report of Three Cases. (Folk et al), 2015;60:65–70

Medical residency
Global Health Interest Among Female Pelvic Medicine and Reconstructive Surgery Fellows. (Mishra et al), 2015;60:501–506

Menopause
Clinical Significance of Pyometra. (Lui et al), 2015;60:329–332

Metformin

Methicillin-resistant Staphylococcus aureus

Methotrexate

Methylene blue
Further Evidence Supporting the Diff-Quik Stain for Sperm Chromatin Integrity Testing. (Edwards et al), 2015;60:6–12

Minimally invasive surgery

Transvaginal Versus Conventional Laparoscopy for Ovarian Dermoid Cysts: A Matched Cohort Study. (Shim et al), 2015;60:521–528

Miscarriage
Does a History-Indicated Cerclage Affect Gestational Age at Delivery in Women with Evidence of Recurrent Cervical Insufficiency? (Ginsberg et al), 2015;60:58–64

Miscarriage, recurrent
Use of Gammaglobulin to Lower Elevated Nat-
ural Killer Cells in Patients with Recurrent Miscarriage. (Cohen et al), 2015;60:294–300

**Misoprostol**
Uterine Scar Dehiscence Associated with Misoprostol Cervical Priming for Surgical Abortion: A Case Report. (Stitely et al), 2015;60:445–448

**Mitochondrial DNA**
Mitochondrial D-loop Variations in Infertile Women Undergoing In Vitro Fertilization–Embryo Transfer. (Lin et al), 2015;60:383–388

**Modified perineoplasty**
Modified Posterior Perineoplasty in Women. (Ostrzenski), 2015;60:109–116

**Monitoring**

**Monozygotic monoamniotic twinning**

**Morbid obesity**
Panniculectomy at the Time of Cesarean Section and Postoperative Wound Complications in Morbidly Obese Women. (Fennimore et al), 2015;60:535–539

**Mothers**
Impact of Video Education on Influenza Vaccination in Pregnancy. (Goodman et al), 2015;60:471–479

**MRSA**

**MtDNA**
Mitochondrial D-loop Variations in Infertile Women Undergoing In Vitro Fertilization–Embryo Transfer. (Lin et al), 2015;60:383–388

**Mucins**
Vaginal Swab Levels of CA125 Are Related to Time of Cycle in Ovulatory Women: A Pilot Study. (Usala et al), 2015;60:287–293

**Multi-agent chemotherapy**
Gestational Trophoblastic Neoplasia Metastasis to the Pituitary: A Case Report. (Ding et al), 2015;60:547–552

**Multiple pregnancy**
Number of Intermediate Follicles: An Independent Risk Factor of Multiple Pregnancies in Intrauterine Insemination Cycles with Recombinant Follicle-Stimulating Hormone. (Scalici et al), 2015;60:279–286

**Musculoskeletal pain**

**Mutation**
Mitochondrial D-loop Variations in Infertile Women Undergoing In Vitro Fertilization–Embryo Transfer. (Lin et al), 2015;60:383–388

**Myoma**
Delayed Presentation of a Paracytic Myoma Fragment After Laparoscopic Supracervical Hysterectomy Requiring Small Bowel Resection: A Case Report. (Holloran-Schwartz et al), 2015;60:75–77

**Nasal encephalocele**
Basal Transtethmoidal Encephalocele and Malignant Hypertension in a Parturient with a Seizure Disorder: A Case Report. (Yee et al), 2015;60:55–57

**Natural family planning methods**
Vaginal Swab Levels of CA125 Are Related to Time of Cycle in Ovulatory Women: A Pilot Study. (Usala et al), 2015;60:287–293

**Natural killer cells**
Use of Gammaglobulin to Lower Elevated Natural Killer Cells in Patients with Recurrent Miscarriage. (Cohen et al), 2015;60:294–300

**Natural orifice endoscopic surgery**
Transvaginal Versus Conventional Laparoscopy for Ovarian Dermoid Cysts: A Matched Cohort Study. (Shim et al), 2015;60:521–528

**Nausea and vomiting in pregnancy**
Cannabinoid Hyperemesis Syndrome During Pregnancy: A Case Report. (Andrews and Bracero), 2015;60:430–432

**Negative-pressure dressings**
Effect of Single-Use Negative Pressure Wound Therapy on Postcesarean Infections and Wound Complications for High-Risk Patients. (Swift et al), 2015;60:211–218

**Negative-pressure wound therapy**
Effect of Single-Use Negative Pressure Wound Therapy on Postcesarean Infections and Wound Complications for High-Risk Patients. (Swift et al), 2015;60:211–218

**Neonatal respiratory distress syndrome**
Blood Contaminated Amniotic Fluid and the
Lamellar Body Count Fetal Lung Maturity Test. (Visconti et al), 2015;60:219–222

Neonate

Comparison of the Perinatal Outcome of Twins Conceived After Assisted Reproductive Technologies Versus Those Conceived Naturally. (Li et al), 2015;60:37–42

Distributions of Heavy Metals in Maternal and Cord Blood and the Association with Infant Birth Weight in China. (Hu et al), 2015;60:21–29

Neurofibroma

Neuromuscular tumor

NK cells

Use of Gammaglobulin to Lower Elevated Natural Killer Cells in Patients with Recurrent Miscarriage. (Cohen et al), 2015;60:294–300

Non-gynecologic pelvic mass

Obesity

Antral Follicle Count Is Increased in Obese Women Placed on Oral Contraceptive Pills. (Parker et al), 2015;60:155–159

Panniculectomy at the Time of Cesarean Section and Postoperative Wound Complications in Morbidly Obese Women. (Fennimore et al), 2015;60:535–539

Obstetric labor complications

Comparison of the Perinatal Outcome of Twins Conceived After Assisted Reproductive Technologies Versus Those Conceived Naturally. (Li et al), 2015;60:37–42

Obstetrician/gynecologists

Obstetrician/Gynecologists’ Experiences with Electronic Health Record Systems: A Narrative Study. (Raglan et al), 2015;60:95–102

Oligospermia

Investigation of Functional Sperm Membrane Integrity After Consequence of Anti-Hypoosmotic Swelling Test Technique: An Electron Microscopic Study. (Tutsi et al), 2015;60:141–148

Onco-fertility

Fertility Preservation Through Oocyte Cryopreservation in a Patient with Ovarian Dysgerminocarcinoma: A Case Report. (Brezina et al), 2015;60:441–444

Oocyte cryopreservation

Oocyte retrieval

Fertility Preservation Through Oocyte Cryopreservation in a Patient with Ovarian Dysgerminocarcinoma: A Case Report. (Brezina et al), 2015;60:441–444

Oocytes

Heterotopic Gestation with Twin Intrauterine Implantation Following Transfer of Three Developmentally-delayed Embryos from Cryopreserved Oocytes: A Case Report. (Goldman et al), 2015;60:436–440

Oral contraceptives

Estradiol and Antagonist Pretreatment Prior to Microdose Leuprolide in in Vitro Fertilization: Does It Improve IVF Outcomes in Poor Responders as Compared to Oral Contraceptive Pill? (Ellassar et al), 2015;60:199–204

Organ sparing treatments

Osteomyelitis

Outcome and process assessment (health care)

Ovarian cancer

Fertility Preservation Through Oocyte Cryopreservation in a Patient with Ovarian Dysger-
Ovarian hyperstimulation syndrome
Cabergoline for Reducing Ovarian Hyperstimulation Syndrome in Assisted Reproductive Technology Treatment Cycles: A Prospective Randomized Controlled Trial. (Amir et al), 2015;60:48–54

Ovarian stimulation
Estradiol and Antagonist Pretreatment Prior to Microdose Leuprolide in in Vitro Fertilization: Does It Improve IVF Outcomes in Poor Responders as Compared to Oral Contraceptive Pill? (Elassar et al), 2015;60:199–204
Predictive Value of Elevated LH/FSH Ratio for Ovulation Induction in Patients with Polycystic Ovary Syndrome. (Woo et al), 2015;60:495–500

Ovarian suppression
Antral Follicle Count Is Increased in Obese Women Placed on Oral Contraceptive Pills. (Parker et al), 2015;60:155–159

Ovarian transposition
Diminished Utilization of in Vitro Fertilization Following Ovarian Transposition in Cervical Cancer Patients. (Salih et al), 2015;60:345–353

Ovarian vein thrombosis
Ovarian Vein Thrombosis with Involvement of the Renal Vein After Cesarean Section: A Case Report. (Liu and Wen), 2015;60:269–272

Ovary
Diminished Utilization of in Vitro Fertilization Following Ovarian Transposition in Cervical Cancer Patients. (Salih et al), 2015;60:345–353

Ovulation
Vaginal Swab Levels of CA125 Are Related to Time of Cycle in Ovulatory Women: A Pilot Study. (Usala et al), 2015;60:287–293

Ovulation induction
Predictive Value of Elevated LH/FSH Ratio for Ovulation Induction in Patients with Polycystic Ovary Syndrome. (Woo et al), 2015;60:495–500

Oxygen

Oxytocics
Uterine Scar Dehiscence Associated with Misoprostol Cervical Priming for Surgical Abortion: A Case Report. (Stitely et al), 2015;60:445–448

Pain
Association Between Body Mass Index and Patient-Centered Outcomes After Hysterectomy. (Sangha et al), 2015;60:392–396

Panniculectomy
Panniculectomy at the Time of Cesarean Section and Postoperative Wound Complications in Morbidly Obese Women. (Fennimore et al), 2015;60:535–539

Passive diffusion soak
Further Evidence Supporting the Diff-Quik Stain for Sperm Chromatin Integrity Testing. (Edwards et al), 2015;60:6–12

Patient acceptance of healthcare

Patient-centered outcomes research
Association Between Body Mass Index and Patient-Centered Outcomes After Hysterectomy. (Sangha et al), 2015;60:392–396

Pelvic floor disorders
Do Obstetrical Providers Counsel Women About Postpartum Pelvic Floor Dysfunction? (Dessie et al), 2015;60:205–210

Pelvic mass

Pelvic neoplasia

Pelvic organ prolapse
Do Obstetrical Providers Counsel Women About Postpartum Pelvic Floor Dysfunction? (Dessie et al), 2015;60:205–210

Pelvic radiotherapy
Diminished Utilization of in Vitro Fertilization...
Following Ovarian Transposition in Cervical Cancer Patients. (Salih et al), 2015;60:345–353

**Perforation**

**Penile membrane**
Modified Posterior Perineoplasty in Women. (Ostrzenski), 2015;60:109–116

**Penile site-specific defects**
Modified Posterior Perineoplasty in Women. (Ostrzenski), 2015;60:109–116

**Penileoplasty**
Modified Posterior Perineoplasty in Women. (Ostrzenski), 2015;60:109–116

**Personal satisfaction**
Association Between Body Mass Index and Patient-Centered Outcomes After Hysterectomy. (Sangha et al), 2015;60:392–396

**Physician satisfaction**
Obstetrician/Gynecologists’ Experiences with Electronic Health Record Systems: A Narrative Study. (Raglan et al), 2015;60:95–102

**Pituitary metastases**
Gestational Trophoblastic Neoplasia Metastasis to the Pituitary: A Case Report. (Ding et al), 2015;60:547–552

**Pituitary neoplasms**
Gestational Trophoblastic Neoplasia Metastasis to the Pituitary: A Case Report. (Ding et al), 2015;60:547–552

**Placenta**

Massive Subchorionic Placental Cyst and Poor Fetal Growth: A Case Report. (Boulis et al), 2015;60:458–460

**Placenta accrete**

**Placental cyst**
Massive Subchorionic Placental Cyst and Poor Fetal Growth: A Case Report. (Boulis et al), 2015;60:458–460

**Plasmacytoid dendritic cells**
Decline of Plasmacytoid Dendritic Cells and Their Subsets in Normal Pregnancy Are Related with Hormones. (Yang et al), 2015;60:423–429

**Polychromatic**
Further Evidence Supporting the Diff-Quik Stain for Sperm Chromatin Integrity Testing. (Edwards et al), 2015;60:6–12

**Polycystic ovary syndrome**
Predictive Value of Elevated LH/FSH Ratio for Ovulation Induction in Patients with Polycystic Ovary Syndrome. (Woo et al), 2015;60:495–500

**Postcesarean section**
Effect of Single-Use Negative Pressure Wound Therapy on Postcesarean Infections and Wound Complications for High-Risk Patients. (Swift et al), 2015;60:211–218
