Subject Index

Volume 61, 2016

Contributor index on page 619.

A

Abdominal pain
Isolated Recurrent Hematotrechelos After Abdominal Myomectomy: A Case Report. (Chatzicharalampous and Bray), 2016;61:393–397

Abdominal pregnancy

Abdominal wall endometrioma

Abortifacient agents, nonsteroidal

Abortion, induced

Abortion, missed
Correlation Analysis of the STAT3 Polymorphism and Transcription of Survivin and VEGF in Missed Abortion: Experience Among Women of the Chinese Han Population. (Zhao and Yang), 2016;61:552–556

Abortion, recurrent
Correlation Analysis of the STAT3 Polymorphism and Transcription of Survivin and VEGF in Missed Abortion: Experience Among Women of the Chinese Han Population. (Zhao and Yang), 2016;61:552–556

Abortion failure, eugenic abortion

Abscess
Colouterine Fistula Masquerading as a Complex Adnexal Mass: A Case Report. (Tracy et al), 2016;61:87–91

Achalasia
Intrasphincteric Botulinum Toxin Injections to Treat Achalasia Diagnosed in Pregnancy: A Case Report. (Holliday and Baker), 2016;61:615–617

Actinomycoses infections

Actinomycin D

Acute fatty liver of pregnancy

Acute respiratory distress syndrome
Adult Respiratory Distress Disorder Due to Legionnaires Disease in Pregnancy: A Case Report. (Close et al), 2016;61:83–86

Adnexal diseases
Colouterine Fistula Masquerading as a Complex Adnexal Mass: A Case Report. (Tracy et al), 2016;61:87–91

Adolescent gynecomastia
Prepubertal Gynecomastia Due to Indirect Exposure to Nonformulary Bioidentical Hormonal

**Adult respiratory distress syndrome**
Adult Respiratory Distress Disorder Due to Legionnaires Disease in Pregnancy: A Case Report. (Close et al), 2016;61:83–86

**Affordable Care Act**
Changes in Insurance Status in CHOICE Project Participants. (Milman et al), 2016;61:63–68

**AFLP analysis**
Comparison Between Pathological Diagnosis and Cytogenetic Diagnosis by Short Tandem Repeat Polymorphism Analysis of Suspected Molar Pregnancies. (Usui et al), 2016;61:219–223

**Age appropriate care**
Evolution of a Teenage and Young Adult Service, in Sheffield, U.K., for Patients with Gestational Trophoblastic Neoplasia. (Gillett et al), 2016;61:235–237

**Amenorrhea**
Trends in Diagnosis and Treatment of Polycystic Ovarian Syndrome by Specialty. (Uliassi et al), 2016;61:441–446

**Amnion**

**Amplified fragment length polymorphism analysis**
Comparison Between Pathological Diagnosis and Cytogenetic Diagnosis by Short Tandem Repeat Polymorphism Analysis of Suspected Molar Pregnancies. (Usui et al), 2016;61:219–223

**Androgen insensitivity syndrome**

**Anesthesia**
Cervical Block Type and Perceived Pain Control During Loop Electrosurgical Excision Procedure. (Pucillo et al), 2016;61:541–544

**Anovulation**

Trends in Diagnosis and Treatment of Polycystic Ovarian Syndrome by Specialty. (Uliassi et al), 2016;61:441–446

**Antenatal fetal surveillance**

**Antenatal screening**

**Anti-Müllarian hormone**
Anti-Müllarian Hormone in Patients Treated with Chemotherapy for Gestational Trophoblastic Neoplasia Does Not Predict Short-Term Fertility. (Ghorani et al), 2016;61:205–209

**Anticarcinogenic agents**
Role of Genistein in Preeclampsia: A Case-Control Study. (Fernandez et al), 2016;61:47–51

**Anticardiolipin cofactor**

**Antifolates**

**Antineoplastic combined chemotherapy regimens**
Treatment Outcomes of Gestational Trophoblastic Neoplasia in King Chulalongkorn Memorial Hospital over Two Decades. (Lertkhachonsuk and Wairachpanich), 2016;61:238–242

**Antiphospholipid antibody syndrome**

**Aorta**

**ARDS, human**
Adult Respiratory Distress Disorder Due to Legionnaires Disease in Pregnancy: A Case Report. (Close et al), 2016;61:83–86

**Arnold-Chiari deformity**
Array comparative genomic hybridization

Artificial insemination
Comparision of Letrozole with Timed Inter-course Versus Clomiphene Citrate with Intra-uterine Insemination in Patients with Unexplained Infertility. (Rodriguez-Purata et al), 2016;61:421–424

Use of Sperm Parameters to Predict Clinical Pregnancy with Intrauterine Insemination. (Butcher et al), 2016;61:263–269

Asherman syndrome

Assisted reproductive techniques
Azoospermia Type Does Not Affect Intracyto-plasmic Sperm Injection Results When Micro-dissection Testicular Sperm Extraction Is Per-formed. (Aydin et al), 2016;61:581–584

Saline Infusion Sonography Can Improve Outcome in Subsequent ICSI Cycles When No Intrauterine Pathology Is Detected. (Kelekci et al), 2016;61:421–424

Atypical endometrial hyperplasia

Gonadotropin-Releasing Hormone Analog Combined with Depot Medroxyprogesterone Acetate in the Management of Endometrial Hyperplasia: A Prospective Randomized Clinical Study. (Karakilic et al), 2016;61:361–367

Autoantibodies

Autoimmune chronic hepatitis

Azoospermia
Azoospermia Type Does Not Affect Intracyto-plasmic Sperm Injection Results When Micro-dissection Testicular Sperm Extraction Is Per-formed. (Aydin et al), 2016;61:581–584

Bacterial infection

Beta 2-glycoprotein I

Betamethasone
Discontinuation of Tocolytics for Preterm Labor

**Bilateral tubal pregnancy**

**Bioidentical hormones**
Prepubertal Gynecomastia Due to Indirect Exposure to Nonformulary Bioidentical Hormonal Replacement Therapy: A Case Report. (De Pinho et al), 2016;61:73–77

**Biomedical ethics**

**Biopsy**
Novel Approach to Outpatient Endometrial Biopsy to Detect Endometrial Cancer. (de Leon et al), 2016;61:243–248

**Birth control**
Differences in Women Who Choose Subdermal Implants Versus Intrauterine Devices. (Lam et al), 2016;61:529–533
Satisfaction with Sex Education in New Mexico High Schools: A Survey of College Students. (Barlow et al), 2016;61:95–100

**Birth defects**
Fetal Growth Outcomes in a Cohort of Polydrug- and Opioid-Dependent Patients. (Garrison et al), 2016;61:311–319

**Blastocyst transfer**
Embryo Selection for Single Embryo Transfer on Day 3 Based on Combination of Cleavage Patterns and Timing Parameters in in Vitro Fertilization Patients. (Wang et al), 2016;61:254–262

**Blastomeres**

**Blood transfusion**

**Body mass index**
Insulin Resistance and β-cell Function Calculated by Homeostasis Model Assessment in Lean, Overweight, and Obese Women with Polycystic Ovary Syndrome. (Sirotta et al), 2016;61:3–10

**Botulinum toxins**
Intrasphincteric Botulinum Toxin Injections to Treat Achalasia Diagnosed in Pregnancy: A Case Report. (Holliday and Baker), 2016;61:615–617

**Brain tumors**

**Brazil**
Centralized Coordination of Decentralized Assistance for Patients with Gestational Trophoblastic Disease in Brazil: A Viable Strategy for Developing Countries. (Braga et al), 2016;61:215–218

**Breech presentation**
Cesarean Rate and Risk Factors for Singleton Breech Presentation in China. (Cui et al), 2016;61:270–274

**C-section**
Effect of a “Hard Stop” on Elective Labor Inductions and Cesarean Delivery Rate. (Dixon et al), 2016;61:411–415
Risk Factors and Adverse Pregnancy Outcomes of Succenturiate Placenta: A Case-Control Study. (Ma et al), 2016;61:139–144

**Cancer chemotherapy protocols**
Treatment Outcomes of Gestational Trophoblastic Neoplasia in King Chulalongkorn Memorial Hospital over Two Decades. (Lertkhachonsuk and Wairachpanich), 2016;61:238–242

**Cancer of the uterus**
Novel Approach to Outpatient Endometrial Biopsy to Detect Endometrial Cancer. (de Leon et al), 2016;61:243–248

**Cancer of the vulva**
Squamous Cell Carcinoma of the Vulva Present-
Cancer of unknown primary
Novel Approach to Outpatient Endometrial Biopsy to Detect Endometrial Cancer. (de Leon et al), 2016;61:243–248

Cardiovascular diseases
Trends in Diagnosis and Treatment of Polycystic Ovarian Syndrome by Specialty. (Uliassi et al), 2016;61:441–446

Catastrophizing
Pain Catastrophizing in Women with Chronic Pelvic Pain and Its Relationship to Pain Experience and Childhood Sexual Abuse. (As-Sanie et al), 2016;61:545–551

Cervical cerclage

Cervical intraepithelial neoplasia
Cervical Block Type and Perceived Pain Control During Loop Electrosurgical Excision Procedure. (Pucillo et al), 2016;61:541–544

Cervical length

Cervical pregnancy

Cervix uteri
Isolated Recurrent Hematotrichelos After Abdominal Myomectomy: A Case Report. (Chatzicharalampous and Bray), 2016;61:393–397

Cesarean scar pregnancy
Successful Laparoscopic Management of Type II Cesarean Scar Pregnancy: A Case Series. (Fan et al), 2016;61:457–462

Cesarean section
Effect of a “Hard Stop” on Elective Labor Inductions and Cesarean Delivery Rate. (Dixon et al), 2016;61:411–415
Obstetric Complications and Pregnancy Outcome Among Grand Multiparous Women. (Farladansky-Gershnabel et al), 2016;61:452–456
Risk Factors and Adverse Pregnancy Outcomes of Succenturiate Placenta: A Case-Control Study. (Ma et al), 2016;61:139–144

Chemotherapy
Analysis of Clinical Characteristics and Outcomes in 7 Patients with Re-recurrrent Gestational Trophoblastic Neoplasia. (Li et al), 2016;61:494–502
Centralized Coordination of Decentralized Assistance for Patients with Gestational Trophoblastic Disease in Brazil: A Viable Strategy for Developing Countries. (Braga et al), 2016;61:224–229
Placental Site Trophoblastic Tumor: A Distinct Entity of Gestational Trophoblastic Disease: Experience from a Tertiary Referral Center in Hong Kong. (Chu et al), 2016;61:351–356
The Role of Surgery in the Management of Ges-
tional Trophoblastic Neoplasia: The Hungarian Experience. (Fülöp et al), 2016;61:197–204

Treatment Outcomes of Gestational Trophoblastic Neoplasia in King Chulalongkorn Memorial Hospital over Two Decades. (Lertkhachonsuk and Wairachpanich), 2016;61:238–242

Child abuse, sexual

Pain Catastrophizing in Women with Chronic Pelvic Pain and Its Relationship to Pain Experience and Childhood Sexual Abuse. (As-Sanie et al), 2016;61:545–551

Chimera

Chlamydia

Chorioadenoma

Chorioniccarcinoma

Evolution of a Teenage and Young Adult Service, in Sheffield, U.K., for Patients with Gestational Trophoblastic Neoplasia. (Gillett et al), 2016;61:235–237

Placental Site Trophoblastic Tumor: A Distinct Entity of Gestational Trophoblastic Disease: Experience from a Tertiary Referral Center in Hong Kong. (Chu et al), 2016;61:351–356

The Role of Surgery in the Management of Gestational Trophoblastic Neoplasia: The Hungarian Experience. (Fülöp et al), 2016;61:197–204

Treatment Outcomes of Gestational Trophoblastic Neoplasia in King Chulalongkorn Memorial Hospital over Two Decades. (Lertkhachonsuk and Wairachpanich), 2016;61:238–242

VEGF 936C/T Polymorphism and Gestational Trophoblastic Neoplasia. (Sun et al), 2016;61:489–493

Chromosome testing

Chronic pelvic pain

Pain Catastrophizing in Women with Chronic Pelvic Pain and Its Relationship to Pain Experience and Childhood Sexual Abuse. (As-Sanie et al), 2016;61:545–551

Chronic renal disease

Cirrhosis

Cleavage stage, ovum

Embryo Selection for Single Embryo Transfer on Day 3 Based on Combination of Cleavage Patterns and Timing Parameters in in Vitro Fertilization Patients. (Wang et al), 2016;61:254–262

Clomiphene citrate

Comparision of Letrozole with Timed Intercourse Versus Clomiphene Citrate with Intruterine Insemination in Patients with Unexplained Infertility. (Rodriguez-Purata et al), 2016;61:425–430

Clostridium botulinum toxins

Intrasphincteric Botulinum Toxin Injections to Treat Achalasia Diagnosed in Pregnancy: A Case Report. (Holliday and Baker), 2016;61:615–617
Colonic diverticulosis
Colouterine Fistula Masquerading as a Complex Adnexal Mass: A Case Report. (Tracy et al), 2016;61:87–91

Colouterine fistula
Colouterine Fistula Masquerading as a Complex Adnexal Mass: A Case Report. (Tracy et al), 2016;61:87–91

Comparative genomic hybridization

Computed tomography

Condoms

Congenital absence of uterus and vagina

Conferences

Contraception
Differences in Women Who Choose Subdermal Implants Versus Intrauterine Devices. (Lam et al), 2016;61:529–533
Satisfaction with Sex Education in New Mexico High Schools: A Survey of College Students. (Barlow et al), 2016;61:95–100

Contraceptive agents
Endometrial Effects of Prolonged Therapy with the Selective Progesterone Receptor Modulator Ulipristal Acetate: A Case Report. (Levy et al), 2016;61:159–162

Contraceptive behavior
Changes in Insurance Status in CHOICE Project Participants. (Milman et al), 2016;61:63–68

Contraceptive IUD
Differences in Women Who Choose Subdermal Implants Versus Intrauterine Devices. (Lam et al), 2016;61:529–533

Controlled ovarian stimulation

Corticosteroids

Cosmetic surgery
ACOG Scientific Integrity Deficiency in Recommendation for the Practice of Cosmetic-Plastic Gynecology Misleads Other Gynecological Societies, Inhibits Clinical Education and Research, and Jeopardizes Women’s Health. (Ostrzenski), 2016;61:33–38

Cranial epidural abscess

Craniotomy

Cryopreservation

CT scan

Cultural diversity
Diversity of Physician Faculty in Obstetrics and Gynecology. (Rayburn et al), 2016;61:22–26

Curettage
Gestational Trophoblastic Neoplasia and Pregnancy Outcome After Routine Second Curettage for Hydatidiform Mole: A Retrospective Observational Study. (Kan et al), 2016;61:373–379

Curriculum
Implementing the “Flipped Classroom” on a Gynecologic Oncology Service. (Urban et al), 2016;61:405–410

Cytology
Novel Approach to Outpatient Endometrial
Biopsy to Detect Endometrial Cancer. (de Leon et al), 2016;61:243–248

**Cytotrophoblasts**

**Dactinomycin**

**Delivery, obstetric**
Cesarean Rate and Risk Factors for Singleton Breech Presentation in China. (Cui et al), 2016;61:270–274
Risk Factors and Adverse Pregnancy Outcomes of Succenturiate Placenta: A Case-Control Study. (Ma et al), 2016;61:139–144

**Delivery, vacuum extraction**

**Depo-medroxyprogesterone acetate**
Gonadotropin-Releasing Hormone Analog Combined with Depot Medroxyprogesterone Acetate in the Management of Endometrial Hyperplasia: A Prospective Randomized Clinical Study. (Karakilic et al), 2016;61:361–367

**Depression**
Pain Catastrophizing in Women with Chronic Pelvic Pain and Its Relationship to Pain Experience and Childhood Sexual Abuse. (As-Sanie et al), 2016;61:545–551

**Diabetes mellitus**

**Diagnostic molecular pathology**
Comparison Between Pathological Diagnosis and Cytogenetic Diagnosis by Short Tandem Repeat Polymorphism Analysis of Suspected Molar Pregnancies. (Usui et al), 2016;61:219–223

**Diagnostic ultrasound**

**Diandric triploidy**

**Diuresis**

**Diverticulitis**
Colouterine Fistula Masquerading as a Complex Adnexal Mass: A Case Report. (Tracy et al), 2016;61:87–91

**Down syndrome**

**Drug abuse**
Fetal Growth Outcomes in a Cohort of Polydrug- and Opioid-Dependent Patients. (Garrison et al), 2016;61:311–319
Relationship Between Methadone, Selective Serotonin Reuptake Inhibitors, and Neonatal Abstinence Syndrome. (Bracero et al), 2016;61:463–468

**Drug resistance**
Analysis of Clinical Characteristics and Outcomes in 7 Patients with Re-recurrent Gestational Trophoblastic Neoplasia. (Li et al), 2016;61:494–502

**Drug therapy**
The Role of Surgery in the Management of Gestational Trophoblastic Neoplasia: The Hungarian Experience. (Fülöp et al), 2016;61:197–204

**Dysmenorrhea**
Isolated Recurrent Hematotrachelos After Abdominal Myomectomy: A Case Report. (Chatzicharalampous and Bray), 2016;61:393–397

**Dysphagia**
Intrasphincteric Botulinum Toxin Injections to Treat Achalasia Diagnosed in Pregnancy: A Case Report. (Holliday and Baker), 2016;61:615–617

**Dystocia**

**Early diagnosis of cancer**
Novel Approach to Outpatient Endometrial
Biopsy to Detect Endometrial Cancer. (de Leon et al), 2016;61:243–248

Ectopic pregnancy

Primary Ovarian Ectopic Pregnancy: Still a Medical Challenge. (Melcer et al), 2016;61:58–62
Successful Laparoscopic Management of Type II Cesarean Scar Pregnancy: A Case Series. (Fan et al), 2016;61:457–462

Editorial

A Note from the Editor-in-Chief. (Devoe), 2016;61:1–2
A Note from the Editor-in-Chief. (Devoe), 2016;61:93–94
A Note from the Editor-in-Chief. (Devoe), 2016;61:309–310
A Note from the Editor-in-Chief. (Devoe), 2016;61:403–404
A Note from the Editor-in-Chief. (Devoe), 2016;61:527–528

Education

Implementing the “Flipped Classroom” on a Gynecologic Oncology Service. (Urban et al), 2016;61:405–410
“Pause” for Resident Education in the Operating Room. (Clark Donat et al), 2016;61:534–540

Ejaculation

Elective labor induction

Effect of a “Hard Stop” on Elective Labor Inductions and Cesarean Delivery Rate. (Dixon et al), 2016;61:411–415

Ella norpregnadiene

Endometrial Effects of Prolonged Therapy with the Selective Progesterone Receptor Modulator Ulipristal Acetate: A Case Report. (Levy et al), 2016;61:159–162

Embryo loss

Correlation Analysis of the STAT3 Polymorphism and Transcription of Survivin and VEGF in Missed Abortion: Experience Among Women of the Chinese Han Population. (Zhao and Yang), 2016;61:552–556

Embryo transfer

Embryo Selection for Single Embryo Transfer on Day 3 Based on Combination of Cleavage Patterns and Timing Parameters in in Vitro Fertilization Patients. (Wang et al), 2016;61:254–262
Saline Infusion Sonography Can Improve Outcome in Subsequent ICSI Cycles When No Intrauterine Pathology Is Detected. (Kelekci et al), 2016;61:421–424

Embryonic development

Effect of Growth Hormone on Endometrial Thickness and Fertility Outcome in the Treatment of Women with Panhypopituitarism: A
Case Report. (Drakopoulos et al), 2016;61:78–82

**Emesis**
Intrasphincteric Botulinum Toxin Injections to Treat Achalasia Diagnosed in Pregnancy: A Case Report. (Holliday and Baker), 2016;61:615–617

**End-stage liver disease**

**Endometrial cancer**
Novel Approach to Outpatient Endometrial Biopsy to Detect Endometrial Cancer. (de Leon et al), 2016;61:243–248

**Endometrial cycle**
Saline Infusion Sonography Can Improve Outcome in Subsequent ICSI Cycles When No Intrauterine Pathology Is Detected. (Kelekci et al), 2016;61:421–424

**Endometrial hyperplasia**

Endometrial Effects of Prolonged Therapy with the Selective Progesterone Receptor Modulator Ulipristal Acetate: A Case Report. (Levy et al), 2016;61:159–162

Gonadotropin-Releasing Hormone Analog Combined with Depot Medroxyprogesterone Acetate in the Management of Endometrial Hyperplasia: A Prospective Randomized Clinical Study. (Karakilic et al), 2016;61:361–367

**Endometrial neoplasms**

Novel Approach to Outpatient Endometrial Biopsy to Detect Endometrial Cancer. (de Leon et al), 2016;61:243–248

**Endometrial volume**

**Endometrioma**

**Endometrium**

Saline Infusion Sonography Can Improve Outcome in Subsequent ICSI Cycles When No Intrauterine Pathology Is Detected. (Kelekci et al), 2016;61:421–424

**EPH complex**
Role of Genistein in Preeclampsia: A Case-Control Study. (Fernandez et al), 2016;61:47–51

**Epidemiology**
Cesarean Rate and Risk Factors for Singleton Breech Presentation in China. (Cui et al), 2016;61:270–274

Treatment Outcomes of Gestational Trophoblastic Neoplasia in King Chulalongkorn Memorial Hospital over Two Decades. (Lertkhachonsuk and Wairachpanich), 2016;61:238–242

**Epidural abscess**

**Epinephrine**
Efficacy and Safety of Perioperative Use of Epinephrine for Laparoscopic Myomectomy in Infertile Women with Symptomatic Solitary Intramural Uterine Fibroids: A Randomized Clinical Trial. (Hudeček et al), 2016;61:380–384

**Epithelium**

**Erratum**

**Erectile dysfunction**
Prevalence and Risk Factors of Ejaculation Failure on the Day of Operation Among Chinese Males Undergoing Assisted Reproductive
Technique Treatments. (Li et al), 2016;61:385–389

**Esmya**
Endometrial Effects of Prolonged Therapy with the Selective Progesterone Receptor Modulator Ulipristal Acetate: A Case Report. (Levy et al), 2016;61:159–162

**Esophageal achalasia**
Intrasphincteric Botulinum Toxin Injections to Treat Achalasia Diagnosed in Pregnancy: A Case Report. (Holliday and Baker), 2016;61:615–617

**Ethnicity**
Diversity of Physician Faculty in Obstetrics and Gynecology. (Rayburn et al), 2016;61:22–26

**Extraembryonic membranes**

**Extrauterine pregnancy**

**F**

**Faculty**
Diversity of Physician Faculty in Obstetrics and Gynecology. (Rayburn et al), 2016;61:22–26

**Fallopian tubes**

**Family planning**

**Fatty liver**

**Female contraception**
Differences in Women Who Choose Subdermal Implants Versus Intrauterine Devices. (Lam et al), 2016;61:529–533

**Female pseudohermaphroditism**

**Fertility**
Anti-Müllerian Hormone in Patients Treated with Chemotherapy for Gestational Trophoblastic Neoplasia Does Not Predict Short-Term Fertility. (Ghorani et al), 2016;61:205–209

Fertility Outcomes After Hysteroscopic Morcellation of Intrauterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335

**Fertility agents, female**
Comparison of Letrozole with Timed Intercourse Versus Clomiphene Citrate with Intrauterine Insemination in Patients with Unexplained Infertility. (Rodriguez-Purata et al), 2016;61:425–430

**Fertility preservation**

Successful Laparoscopic Management of Type II Cesarean Scar Pregnancy: A Case Series. (Fan et al), 2016;61:457–462

**Fertilization in vitro**

Use of Sperm Parameters to Predict Clinical Pregnancy with Intrauterine Insemination. (Butcher et al), 2016;61:263–269

**Fetal blood**

**Fetal demise**
Correlation Analysis of the STAT3 Polymorphism and Transcription of Survivin and VEGF in Missed Abortion: Experience Among Women of the Chinese Han Population. (Zhao and Yang), 2016;61:552–556

Fetal development
Correlation Analysis of the STAT3 Polymorphism and Transcription of Survivin and VEGF in Missed Abortion: Experience Among Women of the Chinese Han Population. (Zhao and Yang), 2016;61:552–556
Fetal Growth Outcomes in a Cohort of Polydrug- and Opioid-Dependent Patients. (Garrison et al), 2016;61:311–319

Fetal heart rate monitoring

Fetal hemorrhage

Fetal malpresentation
Cesarean Rate and Risk Factors for Singleton Breech Presentation in China. (Cui et al), 2016;61:270–274

Fetal methotrexate syndrome

Fetal presentation, breech
Cesarean Rate and Risk Factors for Singleton Breech Presentation in China. (Cui et al), 2016;61:270–274

Fetal programming
Correlation Analysis of the STAT3 Polymorphism and Transcription of Survivin and VEGF in Missed Abortion: Experience Among Women of the Chinese Han Population. (Zhao and Yang), 2016;61:552–556

Fetal spinal deformity

Fibroid tumor
Uterine Fibroid Morphology and Histology with Respect to Reproductive Age. (Hudecek et al), 2016;61:476–482

Fibroid uterus
Effect of Surgical Therapy on Urinary Symptoms and Urodynamic Findings in Patients with Uterine Myoma. (Vecchioli-Scaldazza et al), 2016;61:436–440
Efficacy and Safety of Perioperative Use of Epinephrine for Laparoscopic Myomectomy in Infertile Women with Symptomatic Solitary Intramural Uterine Fibroids: A Randomized Clinical Trial. (Hudecek et al), 2016;61:380–384
Fertility Outcomes After Hysteroscopic Morcellation of Intrauterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335
Uterine Fibroid Morphology and Histology with Respect to Reproductive Age. (Hudecek et al), 2016;61:476–482

Fibroids
Efficacy and Safety of Perioperative Use of Epinephrine for Laparoscopic Myomectomy in Infertile Women with Symptomatic Solitary Intramural Uterine Fibroids: A Randomized Clinical Trial. (Hudecek et al), 2016;61:380–384
Endometrial Effects of Prolonged Therapy with the Selective Progesterone Receptor Modulator Ulipristal Acetate: A Case Report. (Levy et al), 2016;61:159–162
Uterine Fibroid Morphology and Histology with Respect to Reproductive Age. (Hudecek et al), 2016;61:476–482

Fibroids, uterine
Effect of Surgical Therapy on Urinary Symptoms and Urodynamic Findings in Patients with Uterine Myoma. (Vecchioli-Scaldazza et al), 2016;61:436–440
Efficacy and Safety of Perioperative Use of Epinephrine for Laparoscopic Myomectomy in Infertile Women with Symptomatic Solitary
Intramural Uterine Fibroids: A Randomized Clinical Trial. (Hudeček et al), 2016;61:380–384

Endometrial Effects of Prolonged Therapy with the Selective Progesterone Receptor Modulator Ulipristal Acetate: A Case Report. (Levy et al), 2016;61:159–162

Fertility Outcomes After Hysteroscopic Morcellation of Intrauterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335

Fibromyoma

Efficacy and Safety of Perioperative Use of Epinephrine for Laparoscopic Myomectomy in Infertile Women with Symptomatic Solitary Intramural Uterine Fibroids: A Randomized Clinical Trial. (Hudeček et al), 2016;61:380–384

Fibrothecoma

Fistula

Colouterine Fistula Masquerading as a Complex Adnexal Mass: A Case Report. (Tracy et al), 2016;61:87–91

Folic acid antagonists

Folinic acid

Follicle stimulating hormone

Follicle stimulating hormone-releasing hormone receptors

Relationship Between Gonadotropin-Releasing Hormone/Gonadotropin-Releasing Hormone Receptor Signaling and Progesterone Receptors in Human Trophoblasts. (Lee et al), 2016;61:275–281

Frozen-thawed embryo transfer

G

Gene, sex-determining region Y

Genes

Four Single Nucleotide Polymorphisms in INSR, SLC6A14, TAS2R38, and OR2W3 Genes in Association with Idiopathic Infertility in Persian Men. (Siasi and Aleyasin), 2016;61:145–152

Genetic polymorphism

Comparison Between Pathological Diagnosis and Cytogenetic Diagnosis by Short Tandem Repeat Polymorphism Analysis of Suspected Molar Pregnanies. (Usui et al), 2016;61:219–223

VEGF 936C/T Polymorphism and Gestational Trophoblastic Neoplasia. (Sun et al), 2016;61:489–493

Genetic testing

Genistein

Role of Genistein in Preeclampsia: A Case-Control Study. (Fernandez et al), 2016;61:47–51

Genitalia, female

Gestational diabetes

Obstetric Complications and Pregnancy Outcome Among Grand Multiparous Women. (Farladansky-Gershnabel et al), 2016;61:452–456

Gestational trophoblastic disease

Analysis of Clinical Characteristics and Outcomes in 7 Patients with Re-recurrent Gestational Trophoblastic Neoplasia. (Li et al), 2016;61:494–502

Centralized Coordination of Decentralized Assistance for Patients with Gestational Trophoblastic Disease in Brazil: A Viable Strategy for Developing Countries. (Braga et al), 2016;61:224–229

Evolution of a Teenage and Young Adult Service, in Sheffield, U.K., for Patients with Gestational Trophoblastic Neoplasia. (Gillett et al), 2016;61:235–237

Gestational Trophoblastic Neoplasia and Pregnancy Outcome After Routine Second Curettage for Hydatidiform Mole: A Retrospective Observational Study. (Kan et al), 2016;61:373–379

Placental Site Trophoblastic Tumor: A Distinct Entity of Gestational Trophoblastic Disease: Experience from a Tertiary Referral Center in Hong Kong. (Chu et al), 2016;61:351–356

The Role of Surgery in the Management of Gestational Trophoblastic Neoplasia: The Hungarian Experience. (Fülöp et al), 2016;61:197–204

Treatment Outcomes of Gestational Trophoblastic Neoplasia in King Chulalongkorn Memorial Hospital over Two Decades. (Lertkhachonsuk and Wairachpanich), 2016;61:238–242

VEGF 936C/T Polymorphism and Gestational Trophoblastic Neoplasia. (Sun et al), 2016;61:489–493

Gestational trophoblastic neoplasia

Analysis of Clinical Characteristics and Outcomes in 7 Patients with Re-recurrent Gestational Trophoblastic Neoplasia. (Li et al), 2016;61:494–502

Anti-Müllerian Hormone in Patients Treated with Chemotherapy for Gestational Trophoblastic Neoplasia Does Not Predict Short-Term Fertility. (Ghorani et al), 2016;61:205–209

Centralized Coordination of Decentralized Assistance for Patients with Gestational Trophoblastic Disease in Brazil: A Viable Strategy for Developing Countries. (Braga et al), 2016;61:224–229

Evolution of a Teenage and Young Adult Service, in Sheffield, U.K., for Patients with Gestational Trophoblastic Neoplasia. (Gillett et al), 2016;61:235–237

Gestational Trophoblastic Neoplasia and Pregnancy Outcome After Routine Second Curettage for Hydatidiform Mole: A Retrospective Observational Study. (Kan et al), 2016;61:373–379

Placental Site Trophoblastic Tumor: A Distinct Entity of Gestational Trophoblastic Disease: Experience from a Tertiary Referral Center in Hong Kong. (Chu et al), 2016;61:351–356

The Role of Surgery in the Management of Gestational Trophoblastic Neoplasia: The Hungarian Experience. (Fülöp et al), 2016;61:197–204

Treatment Outcomes of Gestational Trophoblastic Neoplasia in King Chulalongkorn Memorial Hospital over Two Decades. (Lertkhachonsuk and Wairachpanich), 2016;61:238–242

VEGF 936C/T Polymorphism and Gestational Trophoblastic Neoplasia. (Sun et al), 2016;61:489–493

Gestational trophoblastic neoplasia

Analysis of Clinical Characteristics and Outcomes in 7 Patients with Re-recurrent Gestational Trophoblastic Neoplasia. (Li et al), 2016;61:494–502

Anti-Müllerian Hormone in Patients Treated with Chemotherapy for Gestational Trophoblastic Neoplasia Does Not Predict Short-Term Fertility. (Ghorani et al), 2016;61:205–209

Centralized Coordination of Decentralized Assistance for Patients with Gestational Trophoblastic Disease in Brazil: A Viable Strategy for Developing Countries. (Braga et al), 2016;61:224–229

Evolution of a Teenage and Young Adult Service, in Sheffield, U.K., for Patients with Gestational Trophoblastic Neoplasia. (Gillett et al), 2016;61:235–237

Gestational Trophoblastic Neoplasia and Pregnancy Outcome After Routine Second Curettage for Hydatidiform Mole: A Retrospective Observational Study. (Kan et al), 2016;61:373–379

Placental Site Trophoblastic Tumor: A Distinct Entity of Gestational Trophoblastic Disease: Experience from a Tertiary Referral Center in Hong Kong. (Chu et al), 2016;61:351–356

The Role of Surgery in the Management of Gestational Trophoblastic Neoplasia: The Hungarian Experience. (Fülöp et al), 2016;61:197–204

Treatment Outcomes of Gestational Trophoblastic Neoplasia in King Chulalongkorn Memorial Hospital over Two Decades. (Lertkhachonsuk and Wairachpanich), 2016;61:238–242

VEGF 936C/T Polymorphism and Gestational Trophoblastic Neoplasia. (Sun et al), 2016;61:489–493
Glucose intolerance

Insulin Resistance and β-cell Function Calculated by Homeostasis Model Assessment in Lean, Overweight, and Obese Women with Polycystic Ovary Syndrome. (Sirota et al), 2016;61:3–10

Glucose metabolism disorders

Glycoproteins

GnRH
Relationship Between Gonadotropin-Releasing Hormone/Gonadotropin-Releasing Hormone Receptor Signaling and Progesterone Receptors in Human Trophoblasts. (Lee et al), 2016;61:275–281

GnRH analog
Gonadotropin-Releasing Hormone Analog Combined with Depot Medroxyprogesterone Acetate in the Management of Endometrial Hyperplasia: A Prospective Randomized Clinical Study. (Karakilic et al), 2016;61:361–367

GnRH antagonist

GnRH receptors
Relationship Between Gonadotropin-Releasing Hormone/Gonadotropin-Releasing Hormone Receptor Signaling and Progesterone Receptors in Human Trophoblasts. (Lee et al), 2016;61:275–281

Gonadal dysgenesis, 46,XX

Gonadal sex reversal, 46,XX

Gonadotropin-releasing hormone
Relationship Between Gonadotropin-Releasing Hormone/Gonadotropin-Releasing Hormone Receptor Signaling and Progesterone Receptors in Human Trophoblasts. (Lee et al), 2016;61:275–281

Gonadotropin-releasing hormone receptor
Relationship Between Gonadotropin-Releasing Hormone/Gonadotropin-Releasing Hormone Receptor Signaling and Progesterone Receptors in Human Trophoblasts. (Lee et al), 2016;61:275–281

Gonorrhea

Graduate medical education
Implementing the “Flipped Classroom” on a Gynecologic Oncology Service. (Urban et al), 2016;61:405–410

Growth hormone

Gynatresia

Gynecologic anesthesia
Cervical Block Type and Perceived Pain Control During Loop Electrosurgical Excision Procedure. (Pucillo et al), 2016;61:541–544

Gynecologic oncology
Implementing the “Flipped Classroom” on a Gynecologic Oncology Service. (Urban et al), 2016;61:405–410
Gynecologic surgery
Colouterine Fistula Masquerading as a Complex Adnexal Mass: A Case Report. (Tracy et al), 2016;61:87–91
Intraoperative Ureteral Kinking During Uterosacral Ligament Suspension: Effect of Training Level on Occurrence. (Richter et al), 2016;61:17–21
Robot-Assisted Laparoscopic Myomectomy Versus Abdominal Myomectomy: A Retrospective Comparison of Short-Term Surgical Outcomes. (Ranes et al), 2016;61:416–420
“Pause” for Resident Education in the Operating Room. (Clark Donat et al), 2016;61:534–540

Gynecologic surgical procedures
ACOG Scientific Integrity Deficiency in Recommendation for the Practice of Cosmetic-Plastic Gynecology Misleads Other Gynecological Societies, Inhibits Clinical Education and Research, and Jeopardizes Women’s Health. (Ostrzenski), 2016;61:33–38
Analysis of Clinical Characteristics and Outcomes in 7 Patients with Re-recurrent Gestational Trophoblastic Neoplasia. (Li et al), 2016;61:494–502
Cervical Block Type and Perceived Pain Control During Loop Electrosurgical Excision Procedure. (Pucillo et al), 2016;61:541–544
Robot-Assisted Laparoscopic Myomectomy Versus Abdominal Myomectomy: A Retrospective Comparison of Short-Term Surgical Outcomes. (Ranes et al), 2016;61:416–420
The Role of Surgery in the Management of Gestational Trophoblastic Neoplasia: The Hungarian Experience. (Fülöp et al), 2016;61:197–204
Uterine Fibroid Morphology and Histology with Respect to Reproductive Age. (Hudecek et al), 2016;61:476–482
“Pause” for Resident Education in the Operating Room. (Clark Donat et al), 2016;61:534–540

Gynecomastia
Prepubertal Gynecomastia Due to Indirect Exposure to Nonformulary Bioidentical Hormonal Replacement Therapy: A Case Report. (De Pinho et al), 2016;61:73–77

Haem oxygenase
Expression of Heme Oxygenase–1 and Leukemia Inhibitory Factor in Maternal Plasma and Placental Tissue in a Lipopolysaccharide-Induced Late Pregnancy Preterm Birth Mouse Model. (Wang et al), 2016;61:39–46

Hard stop
Effect of a “Hard Stop” on Elective Labor Inductions and Cesarean Delivery Rate. (Dixon et al), 2016;61:411–415

HCG (human chorionic gonadotropin)

Head circumference
Fetal Growth Outcomes in a Cohort of Polydrug- and Opioid-Dependent Patients. (Garrison et al), 2016;61:311–319

Health Care Reform Act
Changes in Insurance Status in CHOICE Project Participants. (Milman et al), 2016;61:63–68

Health insurance
Changes in Insurance Status in CHOICE Project Participants. (Milman et al), 2016;61:63–68

Health policy
Effect of a “Hard Stop” on Elective Labor Inductions and Cesarean Delivery Rate. (Dixon et al), 2016;61:411–415

Heavy menstrual bleeding
Gonadotropin-Releasing Hormone Analog Combined with Depot Medroxyprogesterone Acetate in the Management of Endometrial Hyperplasia: A Prospective Randomized Clinical Study. (Karakilic et al), 2016;61:361–367

Hematoma

Hematometra
Isolated Recurrent Hematotrichelos After Abdominal Myomectomy: A Case Report. (Chatzicharalampous and Bray), 2016;61:393–397

Heme oxygenase-1
Expression of Heme Oxygenase–1 and Leukemia...
Inhibitory Factor in Maternal Plasma and Placental Tissue in a Lipopolysaccharide-Induced Late Pregnancy Preterm Birth Mouse Model. (Wang et al), 2016;61:39–46

Hemodialysis

Hemoperitoneum
Primary Ovarian Ectopic Pregnancy: Still a Medical Challenge. (Melcer et al), 2016;61:58–62

Hemorrhage
Efficacy and Safety of Perioperative Use of Epinephrine for Laparoscopic Myomectomy in Infertile Women with Symptomatic Solitary Intramural Uterine Fibroids: A Randomized Clinical Trial. (Hudeček et al), 2016;61:380–384

Hepatic pregnancy

Hepatitis

High resolution melting (HRM) analysis
Four Single Nucleotide Polymorphisms in INSR, SLC6A14, TAS2R38, and OR2W3 Genes in Association with Idiopathic Infertility in Persian Men. (Siasi and Aleyasin), 2016;61:145–152

Histology
Uterine Fibroid Morphology and Histology with Respect to Reproductive Age. (Hudecek et al), 2016;61:476–482

Histopathology
Comparison Between Pathological Diagnosis and Cytogenetic Diagnosis by Short Tandem Repeat Polymorphism Analysis of Suspected Molar Pregnancies. (Usui et al), 2016;61:219–223
Novel Approach to Outpatient Endometrial Biopsy to Detect Endometrial Cancer. (de Leon et al), 2016;61:243–248

HIV seroprevalence

Homeostasis
Insulin Resistance and β-cell Function Calculated by Homeostasis Model Assessment in Lean, Overweight, and Obese Women with Polycystic Ovary Syndrome. (Sirota et al), 2016;61:3–10
Thyroid Disorders in Young Females with Polycystic Ovary Syndrome and Correlation of Thyroid Volume with Certain Hormonal Parameters. (Polat et al), 2016;61:27–32

Homeostasis model assessment
Insulin Resistance and β-cell Function Calculated by Homeostasis Model Assessment in Lean, Overweight, and Obese Women with Polycystic Ovary Syndrome. (Sirota et al), 2016;61:3–10

Horizontal gene transfer

Hormone replacement therapy
Prepubertal Gynecomastia Due to Indirect Exposure to Nonformulary Bioidentical Hormonal Replacement Therapy: A Case Report. (De Pinho et al), 2016;61:73–77

Hospital policy
Effect of a “Hard Stop” on Elective Labor Inductions and Cesarean Delivery Rate. (Dixon et al), 2016;61:411–415

Human chorionic gonadotropin

Human papillomavirus
Sexual Behavior and Contraceptive Use at
Hursutism
Trends in Diagnosis and Treatment of Polycystic Ovarian Syndrome by Specialty. (Uliassi et al), 2016;61:441–446

Hydatid mole
Gestational Trophoblastic Neoplasia and Pregnancy Outcome After Routine Second Curettage for Hydatidiform Mole: A Retrospective Observational Study. (Kan et al), 2016;61:373–379

Hydatidiform mole
Centralized Coordination of Decentralized Assistance for Patients with Gestational Trophoblastic Disease in Brazil: A Viable Strategy for Developing Countries. (Braga et al), 2016;61:224–229
Comparison Between Pathological Diagnosis and Cytogenetic Diagnosis by Short Tandem Repeat Polymorphism Analysis of Suspected Molar Pregnancies. (Usui et al), 2016;61:219–223
Gestational Trophoblastic Neoplasia and Pregnancy Outcome After Routine Second Curettage for Hydatidiform Mole: A Retrospective Observational Study. (Kan et al), 2016;61:373–379
Treatment Outcomes of Gestational Trophoblastic Neoplasia in King Chulalongkorn Memorial Hospital over Two Decades. (Lertkhachonsuk and Wairachpanich), 2016;61:238–242
VEGF 936C/T Polymorphism and Gestational Trophoblastic Neoplasia. (Sun et al), 2016;61:489–493

Hydatid mole, partial
Gestational Trophoblastic Neoplasia and Pregnancy Outcome After Routine Second Curettage for Hydatidiform Mole: A Retrospective Observational Study. (Kan et al), 2016;61:373–379

Hyperalimentation, parenteral
Intrasphincteric Botulinum Toxin Injections to Treat Achalasia Diagnosed in Pregnancy: A Case Report. (Holliday and Baker), 2016;61:615–617

Hyperandrogenism
Trends in Diagnosis and Treatment of Polycystic Ovarian Syndrome by Specialty. (Uliassi et al), 2016;61:441–446

Hypergammaglobulinemia

Hypertension
Role of Genistein in Preeclampsia: A Case-Control Study. (Fernandez et al), 2016;61:47–51

Hypophysectomy

Hypopituitarism

Hysterectomy
Effect of Surgical Therapy on Urinary Symptoms
and Urodynamic Findings in Patients with Uterine Myoma. (Vecchioli-Scaldazza et al), 2016;61:436–440

Placental Site Trophoblastic Tumor: A Distinct Entity of Gestational Trophoblastic Disease: Experience from a Tertiary Referral Center in Hong Kong. (Chu et al), 2016;61:351–356

The Role of Surgery in the Management of Gestational Trophoblastic Neoplasia: The Hungarian Experience. (Fülöp et al), 2016;61:197–204

Hysterosalpingography

Hysteroscopic morcellation
Fertility Outcomes After Hysteroscopic Morcellation of Intrauterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335

Hysteroscopy
Fertility Outcomes After Hysteroscopic Morcellation of Intrauterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335

ICSI
Azoospermia Type Does Not Affect Intracytoplasmic Sperm Injection Results When Microdissection Testicular Sperm Extraction Is Performed. (Aydin et al), 2016;61:581–584

Saline Infusion Sonography Can Improve Outcome in Subsequent ICSI Cycles When No Intrauterine Pathology Is Detected. (Kelekci et al), 2016;61:421–424

Idiopathic male infertility
Four Single Nucleotide Polymorphisms in INSR, SLC6A14, TAS2R38, and OR2W3 Genes in Association with Idiopathic Infertility in Persian Men. (Siasi and Aleyasin), 2016;61:145–152

In vitro fertilization
Comparision of Letrozole with Timed Intercourse Versus Clomiphene Citrate with Intrauterine Insemination in Patients with Unexplained Infertility. (Rodriguez-Purata et al), 2016;61:425–430

Embryo Selection for Single Embryo Transfer on Day 3 Based on Combination of Cleavage Patterns and Timing Parameters in in Vitro Fertilization Patients. (Wang et al), 2016;61:254–262

Saline Infusion Sonography Can Improve Outcome in Subsequent ICSI Cycles When No Intrauterine Pathology Is Detected. (Kelekci et al), 2016;61:421–424

In vitro fertilization, male sexual impotence
Indirubin

Induced abortion

Induced labor
Effect of a “Hard Stop” on Elective Labor Inductions and Cesarean Delivery Rate. (Dixon et al), 2016;61:411–415

Infertility
Azoospermia Type Does Not Affect Intracytoplasmic Sperm Injection Results When Microdissection Testicular Sperm Extraction Is Performed. (Aydin et al), 2016;61:581–584
Comparision of Letrozole with Timed Intercourse Versus Clomiphene Citrate with Intruterine Insemination in Patients with Unexplained Infertility. (Rodriguez-Purata et al), 2016;61:425–430
Fertility Outcomes After Hysteroscopic Morcelation of Intruterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335
Use of Sperm Parameters to Predict Clinical Pregnancy with Intruterine Insemination. (Butcher et al), 2016;61:263–269

Infertility, male
Azoospermia Type Does Not Affect Intracytoplasmic Sperm Injection Results When Microdissection Testicular Sperm Extraction Is Performed. (Aydin et al), 2016;61:581–584
Four Single Nucleotide Polymorphisms in INSR, SLC6A14, TAS2R38, and OR2W3 Genes in Association with Idiopathic Infertility in Persian Men. (Siasi and Aleyasin), 2016;61:145–152

Informed consent

Insulin resistance
Insulin Resistance and β-cell Function Calculated by Homeostasis Model Assessment in Lean, Overweight, and Obese Women with Polycystic Ovary Syndrome. (Sirotta et al), 2016;61:3–10

Insulin-like growth factor I
Thyroid Disorders in Young Females with Polycystic Ovary Syndrome and Correlation of Thyroid Volume with Certain Hormonal Parameters. (Polat et al), 2016;61:27–32

International Society for the Study of Trophoblastic Disease
Introduction to the Symposium. (Berkowitz et al), 2016;61:185–186

Internship and residency
“Pause” for Resident Education in the Operating Room. (Clark Donat et al), 2016;61:534–540

Intracytoplasmic sperm injection
Azoospermia Type Does Not Affect Intracytoplasmic Sperm Injection Results When Microdissection Testicular Sperm Extraction Is Performed. (Aydin et al), 2016;61:581–584
Comparision of Letrozole with Timed Intercourse Versus Clomiphene Citrate with Intruterine Insemination in Patients with Unexplained Infertility. (Rodriguez-Purata et al), 2016;61:425–430
Fertility Outcomes After Hysteroscopic Morcelation of Intruterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335
Use of Sperm Parameters to Predict Clinical Pregnancy with Intruterine Insemination. (Butcher et al), 2016;61:263–269

Informed consent
course Versus Clomiphene Citrate with Intrauterine Insemination in Patients with Unexplained Infertility. (Rodriguez-Purata et al), 2016;61:425–430

Use of Sperm Parameters to Predict Clinical Pregnancy with Intrauterine Insemination. (Butcher et al), 2016;61:263–269

**Intrauterine polyps**

Fertility Outcomes After Hysteroscopic Morcelation of Intrauterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335

**Intrauterine synechiae**

**Intravasation**

**Intravenous feeding**

Intraspincteric Botulinum Toxin Injections to Treat Achalasia Diagnosed in Pregnancy: A Case Report. (Holliday and Baker), 2016;61:615–617

**Invasive mole**

**K**

**Karyotyping**

**Kidney diseases**

**Kidney failure**

**Labor complications**

Obstetric Complications and Pregnancy Outcome Among Grand Multiparous Women. (Farladansky-Gershnabel et al), 2016;61:452–456

**Labor presentation, breech**

Cesarean Rate and Risk Factors for Singleton Breech Presentation in China. (Cui et al), 2016;61:270–274

**Laparoscopy**

Colouterine Fistula Masquerading as a Complex Adnexal Mass: A Case Report. (Tracy et al), 2016;61:87–91

Efficacy and Safety of Perioperative Use of Epinephrine for Laparoscopic Myomectomy in Infertile Women with Symptomatic Solitary Intramural Uterine Fibroids: A Randomized Clinical Trial. (Hudeček et al), 2016;61:380–384

Primary Ovarian Ectopic Pregnancy: Still a Medical Challenge. (Melcer et al), 2016;61:58–62

Robot-Assisted Laparoscopic Myomectomy Versus Abdominal Myomectomy: A Retrospective Comparison of Short-Term Surgical Outcomes. (Ranes et al), 2016;61:416–420

Successful Laparoscopic Management of Type II Cesarean Scar Pregnancy: A Case Series. (Fan et al), 2016;61:457–462

**Lateral gene transfer**

**Legionella pneumophila infections**

Adult Respiratory Distress Disorder Due to Legionnaires Disease in Pregnancy: A Case Report. (Close et al), 2016;61:83–86

**Leiomyoma**

Effect of Surgical Therapy on Urinary Symptoms and Urodynamical Findings in Patients with Uterine Myoma. (Vecchioli-Scaldazza et al), 2016;61:436–440

Efficacy and Safety of Perioperative Use of Epinephrine for Laparoscopic Myomectomy in Infertile Women with Symptomatic Solitary Intramural Uterine Fibroids: A Randomized Clinical Trial. (Hudeček et al), 2016;61:380–384

Endometrial Effects of Prolonged Therapy with the Selective Progesterone Receptor Modulator Ulipristal Acetate: A Case Report. (Levy et al), 2016;61:159–162

**Fertility Outcomes After Hysteroscopic Morcelation of Intrauterine Leiomyomas and Polyps.** (Bhalani et al), 2016;61:327–335

**Fibroids During Pregnancy: Effects on Pregnancy and Neonatal Outcomes.** (Dogan et al), 2016;61:52–57

Mitotically Active Leiomyoma in a Woman with Mayer-Rokitansky-Küster-Hauser Syndrome:
A Case Report. (Dimitriadis et al), 2016;61:299–301

Robot-Assisted Laparoscopic Myomectomy Versus Abdominal Myomectomy: A Retrospective Comparison of Short-Term Surgical Outcomes. (Ranes et al), 2016;61:416–420

Uterine Fibroid Morphology and Histology with Respect to Reproductive Age. (Hudecek et al), 2016;61:476–482

Leiomyoma, uterine

Efficacy and Safety of Perioperative Use of Epinephrine for Laparoscopic Myomectomy in Infertile Women with Symptomatic Solitary Intramural Uterine Fibroids: A Randomized Clinical Trial. (Hudecek et al), 2016;61:380–384

Fertility Outcomes After Hysteroscopic Morcel lation of Intrauterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335

Leiomyosarcoma

Letrozole

Comparison of Letrozole with Timed intercourse Versus Clomiphene Citrate with Intrauterine Insemination in Patients with Unexplained Infertility. (Rodriguez-Purata et al), 2016;61:425–430

Leukemia inhibitory factor

Expression of Heme Oxygenase–1 and Leukemia Inhibitory Factor in Maternal Plasma and Placental Tissue in a Lipopolysaccharide-Induced Late Pregnancy Preterm Birth Mouse Model. (Wang et al), 2016;61:39–46

Lichen sclerosus et atrophicus

Lipopolysaccharide-associated protein 1, human

Expression of Heme Oxygenase–1 and Leukemia Inhibitory Factor in Maternal Plasma and Placental Tissue in a Lipopolysaccharide-Induced Late Pregnancy Preterm Birth Mouse Model. (Wang et al), 2016;61:39–46

Liposomal pegylated doxorubicin

Liver

Logistic regression

Use of Sperm Parameters to Predict Clinical Pregnancy with Intrauterine Insemination. (Butcher et al), 2016;61:263–269

Long-acting reversible contraceptive (LARC)

Differences in Women Who Choose Subdermal Implants Versus Intrauterine Devices. (Lam et al), 2016;61:529–533

Loop electrosurgical excision procedure

Cervical Block Type and Perceived Pain Control During Loop Electrosurgical Excision Procedure. (Pucillo et al), 2016;61:541–544

Lower urinary tract symptoms

Effect of Surgical Therapy on Urinary Symptoms and Urodynamic Findings in Patients with Uterine Myoma. (Vecchioli-Scaldazza et al), 2016;61:436–440

Lung

Macrosomia

Magnetic resonance imaging

Male breast enlargement

Prepubertal Gynecomastia Due to Indirect Exposure to Nonformulary Bioidentical Hormonal Replacement Therapy: A Case Report. (De Pinho et al), 2016;61:73–77

Maternal health

Maternal Near Miss According to World Health Organization Classification Among Women with a Hydatidiform Mole: Experience at the

**Mayer-Rokitansky-Kuster-Hauser syndrome**

**Mclndoe vaginoplasty**

**Medical devices**
Novel Approach to Outpatient Endometrial Biopsy to Detect Endometrial Cancer. (de Leon et al), 2016;61:243–248

**Medical education, graduate**
“Pause” for Resident Education in the Operating Room. (Clark Donat et al), 2016;61:534–540

**Medical ethics**

**Medical oncology**
Implementing the “Flipped Classroom” on a Gynecologic Oncology Service. (Urban et al), 2016;61:405–410

**Medical residency**

**Medical societies**

**Medically uninsured**
Changes in Insurance Status in CHOICE Project Participants. (Milman et al), 2016;61:63–68

**Medroxyprogesterone acetate**
Gonadotropin-Releasing Hormone Analog Combined with Depot Medroxyprogesterone Acetate in the Management of Endometrial Hyperplasia: A Prospective Randomized Clinical Study. (Karakilic et al), 2016;61:361–367

**Meeting abstracts**
Methadone
Fetal Growth Outcomes in a Cohort of Polydrug- and Opioid-Dependent Patients. (Garrison et al), 2016;61:311–319
Relationship Between Methadone, Selective Serotonin Reuptake Inhibitors, and Neonatal Abstinence Syndrome. (Bracero et al), 2016;61:463–468

Mitochondria donation

Molar pregnancy
Centralized Coordination of Decentralized Assistance for Patients with Gestational Trophoblastic Disease in Brazil: A Viable Strategy for Developing Countries. (Braga et al), 2016;61:224–229

Gestational Trophoblastic Neoplasia and Pregnancy Outcome After Routine Second Curettage for Hydatidiform Mole: A Retrospective Observational Study. (Kan et al), 2016;61:373–379

VEGF 936C/T Polymorphism and Gestational Trophoblastic Neoplasia. (Sun et al), 2016;61:489–493

Methotrexate

Methotrexate

Methotrexate
...
MRKH syndrome

MRSA

Mullerian anomaly

Mullerian aplasia

Multiculturalism
Diversity of Physician Faculty in Obstetrics and Gynecology. (Rayburn et al), 2016;61:22–26

Multiparity
Obstetric Complications and Pregnancy Outcome Among Grand Multiparous Women. (Farladansky-Gershnabel et al), 2016;61:452–456

Multiplex polymerase chain reaction
Comparison Between Pathological Diagnosis and Cytogenetic Diagnosis by Short Tandem Repeat Polymorphism Analysis of Suspected Molar Pregnancies. (Usui et al), 2016;61:219–223

Myelomeningocele

Mylar

Myoma uteri

Nausea
Intrasphincteric Botulinum Toxin Injections to Treat Achalasia Diagnosed in Pregnancy: A Case Report. (Holliday and Baker), 2016;61:615–617

Neonatal withdrawal syndrome
Relationship Between Methadone, Selective Serotonin Reuptake Inhibitors, and Neonatal Abstinence Syndrome. (Bracero et al), 2016;61:463–468

Neoplasm metastases

Neoplasm recurrence, local
Analysis of Clinical Characteristics and Outcomes in 7 Patients with Re-recurrent Gestational Trophoblastic Neoplasia. (Li et al), 2016;61:494–502

Neovagina

Nephrostomy

Nephrotic syndrome

Neural tube defects

Obesity
Insulin Resistance and β-cell Function Calculated by Homeostasis Model Assessment in Lean,
Overweight, and Obese Women with Polycystic Ovary Syndrome. (Sirota et al), 2016;61:3–10

Trends in Diagnosis and Treatment of Polycystic Ovarian Syndrome by Specialty. (Uliassi et al), 2016;61:441–446

Obstetric delivery

Risk Factors and Adverse Pregnancy Outcomes of Succenturiate Placenta: A Case-Control Study. (Ma et al), 2016;61:139–144

**Urological manifestations**
Effect of Surgical Therapy on Urinary Symptoms
Isolated Recurrent Hematotrichelos After Abdominal Myomectomy: A Case Report. (Chatzicharalampous and Bray), 2016;61:393–397

Robot-Assisted Laparoscopic Myomectomy Versus Abdominal Myomectomy: A Retrospective Comparison of Short-Term Surgical Outcomes. (Ranes et al), 2016;61:416–420

Uterine Fibroid Morphology and Histology with Respect to Reproductive Age. (Hudecek et al), 2016;61:476–482

Uterine neoplasms

Effect of Surgical Therapy on Urinary Symptoms and Urodynamic Findings in Patients with Uterine Myoma. (Vecchioli-Scaldazza et al), 2016;61:436–440

Efficacy and Safety of Perioperative Use of Epinephrine for Laparoscopic Myomectomy in Infertile Women with Symptomatic Solitary Intramural Uterine Fibroids: A Randomized Clinical Trial. (Hudeček et al), 2016;61:380–384

Fertility Outcomes After Hysteroscopic Morcellation of Intrauterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335

Novel Approach to Outpatient Endometrial Biopsy to Detect Endometrial Cancer. (de Leon et al), 2016;61:243–248

Efficacy and Safety of Perioperative Use of Epinephrine for Laparoscopic Myomectomy in Infertile Women with Symptomatic Solitary Intramural Uterine Fibroids: A Randomized Clinical Trial. (Hudeček et al), 2016;61:380–384

Fertility Outcomes After Hysteroscopic Morcellation of Intrauterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335

Novel Approach to Outpatient Endometrial Biopsy to Detect Endometrial Cancer. (de Leon et al), 2016;61:243–248

Placental Site Trophoblastic Tumor: A Distinct Entity of Gestational Trophoblastic Disease: Experience from a Tertiary Referral Center in Hong Kong. (Chu et al), 2016;61:351–356

Intraoperative Ureteral Kinking During Uterosacral Ligament Suspension: Effect of Training Level on Occurrence. (Richter et al), 2016;61:17–21
Uterus
Colouterine Fistula Masquerading as a Complex Adnexal Mass: A Case Report. (Tracy et al), 2016;61:87–91
Fertility Outcomes After Hysteroscopic Morcel-
lation of Intrauterine Leiomyomas and Polyps. (Bhalani et al), 2016;61:327–335
Isolated Recurrent Hematotrachelos After Ab-
dominal Myomectomy: A Case Report. (Chat-
zicharalampous and Bray), 2016;61:393–397
